Domestic Vastu Pramod Kumar Sinha, This book talks about the fundamentals of domestic vastu. The word Vastu originated from the Sanskrit word “Vas” and the meaning of this word is to live life or to reside. The word “Vasu” originated from “Vas” and finally this word “Vastu” originated from “Vasu”. Meaning of the word Vastu is a place where a person resides. The meaning of Shastra is a book which deals with the mysterious and systematic explanation of a subject, therefore the meaning of Vastushastra is a book related to the residence. The origin and anatomy of Vastushastra is based on the principle of the five elements of creation. As our body is also made up of these five elements, if enough attention is paid to the incorporation of these five elements in the construction of a house then the people residing in the building shall reside happily. These five elements are- Earth, Water, Fire, Air and Space. Our universe also is made up of these five elements only. Therefore the saying goes – (Yatpindetatbramhande). God (bhagwan) has given these five gifts to us- from (bha) bhumi (land), from (ga) gagan (sky, ether), from (va) vayu (air), from (na) neer (water). God is represented by the symbol (Om). These five elements are present in this Om also. “Aa” is Agni (fire), “Au” is Jal (water), “Ma” is Vayu (air), “ W ” (ardhachandra) is Bhoomi (land) and “O” is Akash (ether, sky). Similarly the word Vastu also denotes these five elements. From “Va” Vayu (air), from “Aa” Agni (fire), from “Sa” “Srishti” Bhoomi (land), from “Ta” Tat means Akash (ether/ sky) and from “Au” Jal (water). These five elements also are represented by the five planets. 1. Earth is represented by Mars 2. Water is represented by Venus 3. Fire is represented by Sun 4. Air is represented by Saturn 5. Ether is represented by Jupiter. Similarly mind is controlled by Moon. Intelligence is controlled by Mercury. Ego and arrogance is controlled by Rahu and moksha or spirituality by Ketu. Disbalance of these elements in the body produces ill health and disease. In a similar manner the disbalance of these elements in a house creates varied kind of troubles for the persons living in it. There are unlimited forces present in nature. Some of these forces influence us, for example the gravitational force of earth, the magnetic and electrical energy of the universe and the electromagnetic force present everywhere. These energies also exist in the constructed house and they continue influencing the electromagnetic force present in the human body. This produces the auspicious or inauspicious results. These results vary from place to place depending on the geographical location. For these reasons the results of vastu principles are not the same all over the world. They differ according to the longitude and latitude of the place. They also differ according to the horoscope of the person concerned. If man goes along with the flow of nature's energies, it produces good health, progress and prosperity. If he goes against the flow of nature, he faces hurdles and obstructions everywhere. Hence it is utmost important and necessary for us to organize our lives according to nature, only then we can live happily. Halayudha kosha says that, Vastu is that art of house construction, which starts from Ishan kona etc and which protects the residents of the house from natural calamities and obstructions.

Commercial Vastu Pramod Kumar Sinha, This book contains the fundamentals of commercial vastu and has been written according to the need of the students of All India Federation of Astrologers Societies. Vastu shastra is a mysterious and detailed subject which has become relevant in modern times for everybody. In the present time, businesses are developing very fast and small towns are developing into industrial cities. Production is increasing day by day, new offices are opening on the daily basis but what will happen if you open a office investing lot of money and with new hopes and it does not work, then? Then you must go for a Vastu check. It has almost become a trend in present day world to consult a Vastu expert, before constructing and/or designing not only residential, but commercial buildings as well. In fact, businessmen prefer to seek vastu advice before beginning any commercial construction. This book deals with those fundamental rules which should be followed while designing a commercial building like office, shop/showroom, temple, industry, factory, hotel, restaurant, resorts, hospital, bank, clinic, institution, school, college, restaurant, cinema hall, city vastu etc.

Remedies of Domestic Vastu Tilak Raj, Remedies of Domestic Vastu contains easy and practical remedies for the rectification of vastu related faults. Vastu Shastra has got a scientific and spiritual base. You must have faith in Vastu if you have faith in Vedas and the God. The members of a family will live happily if the five elements are kept well into consideration while the building of the family is under construction just as the said Mahabhootas have been used in our physical constitution. The five elements are: earth, water, fire, air and ether. Our universe is also made of these five elements. Therefore it is said “Yatha Pind Tatha Brahmande”. The God has rendered these five elements among which B stands for Bhoomi (Earth), G for Gagan (Ether), A for Agni (Fire) and N for Neer (Water). The God is also represented by Aum (om). In Aum (om) also A stands for Agni (fire), U for Jal (Water), M for Vayu (air), crescent (half-moon) for Bhoom (earth) and dot over crescent for Akash (void). Likewise, the word Vastu has all these five elements in it in which V stands for Vayu (air), A for Agni (fire), S for Srishti i.e. Bhoomi (earth), T for Tat i.e. Akash (ether) and U for Jal (water). The soul transfuses with mind, wisdom and egotism in the body after it is formed with the combination of the said five elements. All the five elements are represented by five planets in the following manner: Earth is represented by Mars, water by Venus, fire by Sun, air by Saturn and ether is represented by Jupiter. Mind is governed by Moon, wisdom by Mercury and egotism by Rahu. Ketu is the Karak of Moksha, the salvation. Any irregularity in the balance of these elements makes the members of the family suffer. Very often it is asked as to why the Vastu Shastra has got momentum only recently Can the Vastu faults be overcome by remedies? In this regard author says that the agonies of the man have been aggravating since he has started dwelling in multistoreyed flats as they are built like boxes where Brahmasthan is not kept open. The sun and air are not allowed in the house. Some people keep their windows close to protect themselves whereas some do it to save their household goods from dirt. Earlier a courtyard kept open in the middle of the houses so that sun, air and celestial elements might reach the rooms. There is nothing wrong if a man seeks advice from Vastu consultant to ward off the faults existing in house like an ailing person sees a doctor to have his advice. A Vastu consultant advises renovation of a building only when it is essential and there is no way out. He is like a good doctor who advises a patient to go for a surgery when the disease with which the latter is suffering from cannot be cured by medicines or by any other means. Vastu faults can also be removed without any renovation - by changing the place of the goods in the house and by selecting right direction for meal and slumber. They can be removed by worship of gods and deities. Fengshui, Pyramid, Yantra - Mantra can also be chosen as helping hands in attaining happiness and prosperity. In this book apart from a brief description of Vastu, different methods of remedies have been incorporated.

Remedies of Vastu Tilak Raj,2014-01-15 Remedies of Vastu contains easy and practical remedies for the rectification of vastu related faults. They can be removed by worship of gods and deities. Fengshui, Pyramid, Yantra - Mantra can also be chosen as helping hands in attaining happiness and prosperity. In this book apart from a brief description of Vastu, different methods of remedies have been incorporated. In nutshell scholars have mentioned some remedies to overcome Vastu faults. Some advise to perform Vastu Shanti and some to propitiate the planets. Some others advise to adopt remedies mentioned in Tantra-Mantra whereas some to wear Rudraksha. Yet some more scholars advise to overcome the faults by worshiping Yantra, some scholars advise to use pyramid or to adopt remedies mentioned in Feng Shui. Some others advise changes in directions of different goods of house. Apart from these scholars, Vastu practitioners advise to reconstruct the building whereas some advise to sell out the house. There might be difference among the scholars on remedies for Vastu as to which remedy is the best and the quickest for a particular native. However, all the remedies may prove to be effective, but the thing essential is to take necessary steps as mentioned in Vastu and that too on time. It is not possible to mention all the remedies here. Therefore, easy remedies have been incorporated in the book which could be adopted by a common man. This book has specially been designed for the students of All India Federation of Astrologers' Societies but the students interested to know this subject can also get benefitted equally with the study of this book. The purpose of this book is to make the students acquainted with the common remedies found in our life. The students are advised to use the materials and the methods of worship mentioned in this book, only under the guidance and direction of a learned person. The materials are not likely to cause any harm. But even if they do, the author or the publisher will be no way responsible for that.
