MI 2 Michael Giddens,2020-06-30 Storyline Chimera is a deadly virus that will bear a grisly death unless you are given the antidote. The creator of Chimera is murdered and the antidote is stolen by a disavowed I.M.F. Agent, Sean Ambrose (Dougray Scott). The Impossible Mission Force, (I.M.F.), hire the skilled and charming Ethan Hunt (Tom Cruise), and the beautiful Nyah Hall (Thandie Newton), who has had her share with Ambrose. Their mission, should they choose to accept it, is to send Hall undercover to Ambrose and learn what she can for Hunt to bring down Chimera, but they will have to break into a secure lab by jumping off of buildings and dodging bullets. Its impossible.

Old Settlers of Mecosta, Isabella and Montcalm Counties in Michigan Volume II Barbara Slater Nelson,2019-08-06 The term Old Settlers refers to the group of mixed race people that came to MI in the late 1800's and settled in the newly opened land in the Mecosta, Isabella and Montcalm counties. The title is well known through out the area and most know it refers to that group and anyone who descended from them. Volume two covers the original Old Settlers that came whose last names begin with D-R and follows each one of their descendants through every generation down to the current living generations. It includes photographs, family stories, articles and obituaries. They were an amazing group who settled the land, cleared it, farmed it, built homes, schools, churches, roads, married each other and raised families. There are many historical sites and monuments still there that are overseen by their descendants. Our history is kept alive by thousands of descendants and hundreds who work on genealogy and share their knowledge.
