The First Phone Call From Heaven Mitch Albom,2013-11-12 From the beloved author of the #1 New York Times bestsellers Tuesdays with Morrie and The Five People You Meet in Heaven comes his most thrilling and magical novel yet—a page-turning mystery and a meditation on the power of human connection. One morning in the small town of Coldwater, Michigan, the phones start ringing. The voices say they are calling from heaven. Is it the greatest miracle ever? Or some cruel hoax? As news of these strange calls spreads, outsiders flock to Coldwater to be a part of it. At the same time, a disgraced pilot named Sully Harding returns to Coldwater from prison to discover his hometown gripped by miracle fever. Even his young son carries a toy phone, hoping to hear from his mother in heaven. As the calls increase, and proof of an afterlife begins to surface, the town—and the world—transforms. Only Sully, convinced there is nothing beyond this sad life, digs into the phenomenon, determined to disprove it for his child and his own broken heart. Moving seamlessly between the invention of the telephone in 1876 and a world obsessed with the next level of communication, Mitch Albom takes readers on a breathtaking ride of frenzied hope. The First Phone Call from Heaven is Albom at his best—a virtuosic story of love, history, and belief.

Drawing Down the Moon I. I. I. Radcliffe G. G. Edmonds III,Radcliffe G. Edmonds III,2021-12-07 An unparalleled exploration of magic in the Greco-Roman world What did magic mean to the people of ancient Greece and Rome? How did Greeks and Romans not only imagine what magic could do, but also use it to try to influence the world around them? In Drawing Down the Moon, Radcliffe Edmonds, one of the foremost experts on magic, religion, and the occult in the ancient world, provides the most comprehensive account of the varieties of phenomena labeled as magic in classical antiquity. Exploring why certain practices, images, and ideas were labeled as “magic” and set apart from “normal” kinds of practices, Edmonds gives insight into the shifting ideas of religion and the divine in the ancient past and later Western tradition. Using fresh approaches to the history of religions and the social contexts in which magic was exercised, Edmonds delves into the archaeological record and classical literary traditions to examine images of witches, ghosts, and demons as well as the fantastic powers of metamorphosis, erotic attraction, and reversals of nature, such as the famous trick of drawing down the moon. From prayer and divination to astrology and alchemy, Edmonds journeys through all manner of ancient magical

rituals and paraphernalia—ancient tablets, spell books, bindings and curses, love charms and healing potions, and amulets and talismans. He considers the ways in which the Greco-Roman discourse of magic was formed amid the cultures of the ancient Mediterranean, including Egypt and the Near East. An investigation of the mystical and marvelous, *Drawing Down the Moon* offers an unparalleled record of the origins, nature, and functions of ancient magic.

Wish Magic J. D. Blackrose, 2023-07-28 Hi, I'm Becc. And I'm a Summoner. The Kiss on my wrist--a mark I've had since birth--signals my rare ability to call on immortals and negotiate with them on behalf of my clients for information, favors, or other services. In the past few years, these powers got me entangled with the demon Valefar, a bevy of fae and even Lucifer himself! It's complicated, dangerous, and exhausting...especially when dealing with a guy like my pseudo-friend, businessman/mobster Gregory Adamos. When Gregory told me he was having a package delivered to my door, I was suspicious. After all, I know he's desperate to get his very human hands on any sort of magic. So, I opened the package...and found a crystal that had no business being in the United States, much less Smokey Point, Ohio. Worse--this crystal contained a djinn. And when Gregory released it, all hell broke loose. Gregory thinks he can control this ancient creature, but I know better. The djinn has to be put back in his prison and locked away forever. But Gregory wants to use the genie's power for himself. Before long, the entire magical community of Smokey Point is in chaos. And if that isn't enough to keep me busy, Asher has returned. Only he's human this time, not an angel. I don't know which will be harder to do--imprison a genie or trust the love of a man I thought long dead. I wish I knew. PRAISE FOR THE AUTHOR: "I highly recommend this series. It's a thrill ride from beginning to end." --Wonderfullyweird88, Goodreads on *Fae Crossed* "Fabulous! The chaos continues. The action is just as energetic with well-crafted characters, flaws, and all keeping the excitement riotously flowing along at a good pace with its great writing. This has been a wonderful Urban Fantasy and the surprising epilogue teases maybe Becc's story isn't quite finished yet." --C. Sinclair, Amazon Reviewer on *Hell Bound* "Great urban fantasy, wonderful writing, intriguing characters (love Pinky!), and an enthralling plot. Highly recommend." --Penny, Goodreads Reviewer ABOUT THE AUTHOR: *Wish Magic* is the fifth installment in The Summoner's Mark Series. Previously, she's published *The Soul Wars*, *The Devil's Been Busy*, and the *Zombie Cosmetologist* novellas through Falstaff Books. She's also published multiple short stories, including "Welcome, Death," in the award-winning *Jewish Book of Horror*. Follow her on Facebook and Twitter or visit her website: [slipperywords](#).
