Perspectivas sobre el paisaje Susana Barrera Lobatón,Julieth Monroy Hernández,2014-01-01 ¿Cuál es hoy el significado social y cultural del paisaje? ¿Qué relaciones hay entre la percepción del espacio y la noción de paisaje? ¿Qué vínculos se establecen entre el concepto de naturaleza y el actual sistema económico? ¿Es el concepto de paisaje un mecanismo para la instrumentalización del territorio? Estas son algunas preguntas que se plantean en este libro. El conjunto de artículos que compila Perspectivas sobre el paisaje evidencia que la noción de paisaje es un punto de encuentro entre diversas miradas, tendencias, saberes, metodologías y aproximaciones para entender, interpretar, analizar, habitar y administrar el mundo. Así, los autores estudian el concepto desde su definición, pertinencia, métodos y alcances, pasando por estudios situados en las ciencias humanísticas, el arte y la fenomenología, hasta el análisis de las transformaciones y construcciones de los paisajes a través del tiempo y la relación de los seres humanos y sus estructuras sociales con la naturaleza. También se tienen en cuenta aquellos acercamientos al paisaje que, desde la teoría general de sistemas y los conceptos ecosistémicos, analizan los elementos y relaciones presentes en este y los trabajos relacionados con el ordenamiento, gestión y planificación del territorio, tomando al paisaje como elemento integrador. De allí que los alcances académicos y científicos de esta obra desborden los estudios geográficos y proyecten la temática del paisaje hacia otros ámbitos y áreas de la investigación, lo mismo que se proyecte hacia el análisis objetivo de las prácticas asociadas al espacio y al territorio.

Historical Dictionary of the Philippines Artemio R. Guillermo,2012 The Historical Dictionary of the Philippines, Third Edition contains a chronology, an introductory essay, an extensive bibliography, and several hundred cross-referenced dictionary entries.

Agenda ,1980

Last Lullaby Denise Hamilton,2004-04-13 “Nobody can do multicultural Los Angeles better than Denise Hamilton.” —The Denver Post Now, the Edgar Award-nominated author sends reporter Eve Diamond on a suspense-charged investigation of the deadly criminal element in the city as colorful and unpredictable as Eve herself. Shadowing a customs official for a story, Eve is a witness when gunfire erupts at LAX. A beautiful Asian woman is killed, and her little girl is swept away by the INS. Eve suspects the toddler is being used by smugglers who trade in human lives. With the return of her ex-lover, Eve has everything to lose as she races to protect the child from ruthless armed men -- and may find herself caught in their sights.

Tales from the 7,000 Isles Dianne de Las Casas,Zarah C. Gagatiga,2011-09-22 Celebrate the unique diversity and vibrancy of the Philippines through an in-depth exploration of the stories, traditions, songs, crafts, and recipes of the many different regions of the country. Tales from the 7,000 Isles: Filipino Folk Stories offers insights into the people and culture of the Philippines through dozens of tales representing the nation's various islands, regions, and cultural-ethnic groups. Designed to provide educators with material with which to enhance curriculum and lesson plans, the stories open a gateway to a rich and unique cultural mix. The tales presented here are divided into animal stories, how and why stories, tales of enchantment, trickster tales, and scary stories. In them readers can discern not only the native Filipino culture, but the influences of the many peoples who have moved through and settled in the islands, most notably Malay, Chinese, and Spanish, but also Arab, Indian, and American. A brief history of the country, its people, and their cultural traditions is included, as are crafts, children's games, recipes, and color photos. Notes about the stories, a bibliography, and a glossary complete the volume.

Myths and Legends of the Philippines Marlene Aguilar,2007

Human Rights and the Digital Divide Anne Peacock,2019-06-03 The Internet’s importance for freedom of expression and other rights comes in part from the ability it bestows on users to create and share information, rather than just receive it. Within the context of existing freedom of expression guarantees, this book critically evaluates the goal of bridging the 'digital divide' – the gap between those who have access to the Internet and those who do not. Central to this analysis is the examination of two questions: first, is there a right to access the Internet, and if so, what does that right look like and how far does it extend? Second, if there is a right to access the Internet, is there a legal obligation on States to overcome the digital divide? Through examination of this debate’s history, analysis of case law in the European Court of Human Rights and Inter-American Court of Human Rights, and a case study of one digital inclusion programme in Jalisco, Mexico, this book concludes that there is indeed currently a legal right to Internet access, but one that it is very limited in scope. The 2012 Joint Declaration on Freedom of Expression and the Internet is aspirational in nature, rather than a representative summary of current protections afforded by the international human rights legal framework. This book establishes a critical foundation from which some of these aspirations could be advanced in the future. The digital divide is not just a human rights challenge nor will it be overcome through human rights law alone. Nevertheless, human rights law could and should do more than it has thus far.

Myths & Legends of the Philippines Marlene P. Aguilar,2007

As recognized, adventure as well as experience just about lesson, amusement, as with ease as bargain can be gotten by just checking out a books **Marleny Aguilar** plus it is not directly done, you could acknowledge even

more on the subject of this life, re the world.

We offer you this proper as without difficulty as easy pretension to get those all. We have the funds for Marleny Aguilar and numerous books collections from fictions to scientific research in any way. in the middle of them is this Marleny Aguilar that can be your partner.
