Purchase of the print or Kindle book includes a free PDF eBook. Key Features: Learn how to plan your content and prepare your PowerPoint masters; Create beautiful content using PowerPoint features and add-ins; Deliver impressive presentations by leveraging PowerPoint's advanced delivery tools. Book Description: Giving great business presentations that stand out can mean the difference between getting and losing out on an important promotion, a critical client deal, or a grant. To start creating PowerPoint presentations that showcase your ideas in the best light possible, you'll need more than attractive templates; you'll need to leverage PowerPoint's full range of tools and features. This is where this PowerPoint book comes in, leading you through the steps that will help you plan, create, and deliver more impactful and professional-looking presentations. The book is designed in a way to take you through planning your content efficiently and confidently preparing PowerPoint masters. After you've gotten to grips with the basics, you'll find out how to create visually appealing content using the application's lesser known, more advanced features, including useful third-party add-ins. The concluding chapters will equip you with PowerPoint's advanced delivery tools, which will enable you to deliver memorable

presentations. By the end of this book, you'll be able to confidently choose processes to create and deliver impactful presentations more efficiently. What you will learn

- Plan your PowerPoint presentation content and know your audience
- Prepare PowerPoint masters to speed up the development process and maintain consistency
- Add and modify visual and multimedia elements
- Use transitions and animations efficiently
- Build flexibility and interactivity into your presentations
- Practice your delivery with Presenter Coach
- Leverage Presenter View during delivery to increase your confidence
- Use PowerPoint Live in Teams for easy-to-manage remote presentations

Who this book is for If you are a business professional looking for best practices for presentations and are interested in the features PowerPoint has to offer to help you create and deliver impactful presentations, this book is for you. No formal presentation design knowledge is needed, but you do need to know PowerPoint's basic tools and functions such as starting and saving files, adding, copying, pasting, or moving slides. A sound understanding of cloud storage and the use of Office 365 is also needed.

Building PowerPoint Templates Step by Step with the Experts Echo Swinford, Julie Terberg, 2012-09-28 Building PowerPoint Templates Supercharge your PowerPoint® presentations with custom templates and themes! Want to create presentations that are more consistent and cost-effective? Presentations that fully reflect your branding? Then don't settle for Microsoft's "out-of-the-box" templates and themes: create your own! In this easy, hands-on guide, two PowerPoint MVPs teach you every skill and technique you'll need to build the perfect template—from planning and design, through theme building, custom layouts, colors, and deployment. Echo Swinford and Julie Terberg have distilled their immense PowerPoint knowledge into simple, step-by-step techniques you can use right now, whether you're using PowerPoint 2010 or 2007 for Windows, or PowerPoint 2011 for Mac. Well-built templates are the backbone of great presentations—whether building them for your own use or designing for thousands of users, this book will guide you through the process of creating the most effective templates. Important Note: Upgrading from older versions of PowerPoint, such as PowerPoint 2003? Your old templates may no longer work. This book will help you make the transition painlessly!

- Plan new templates and themes to maximize their business value for years to come
- Understand the differences between templates and themes, and how they work together
- Make better choices about color, fonts, and slide layouts
- Create efficient templates for individual users, teams, and large organizations
- Incorporate Notes and Handout Masters into your presentation templates
- Provide example slides and default settings that lead to better presentations
- Use Microsoft's little-known Theme Builder to create effects and background styles
- Work around hidden quirks in PowerPoint's advanced template and theme features

A Trainer's Guide to PowerPoint Mike Parkinson, 2018-10-02 Learn the Secrets Needed to Master PowerPoint for Training As a successful facilitator, you know the importance of the resources in your professional toolkit. How you engage your audience and improve learning can be affected by how well you use them. But mastery of PowerPoint evades many. Feedback on presentations can range from "What was the point?" to "That changed my life." Most, though, fall closer to the former. If you are looking for a guide to the PowerPoint practices that will push your presentations into the latter category, look no further. A Trainer's Guide to PowerPoint: Best Practices for Master Presenters is Mike Parkinson's master class on the art of PowerPoint. While Parkinson wants you to understand how amazing a tool PowerPoint is, he's the first to tell you that there is no magic button to make awesome slides. There are, however, proven processes and tools that deliver successful PowerPoint content each and every time you use them. In this book he shares them, detailing his award-winning PowerPoint process and guiding you through three phases of presentation development—discover, design, and deliver. What's more, Parkinson is a Microsoft PowerPoint MVP—most valuable professional—an honorific bestowed by Microsoft on those with "very deep knowledge of Microsoft products and services." He shares not only his tips and best practices for presentation success, but also those from several of his fellow MVPs. Parkinson invites you to master PowerPoint as a tool—just like a paintbrush and paint—and to realize that the tool doesn't make the art, you do.
