**The Second Coming of Christ** Mohammad Amin Sheikho,A. K. John Alias Al-Dayrani,2014-12-16 This book is exquisitely new. It is strange but true: about things that are not said, informed by the events that are happening around us, and facts that are beyond dispute. Actually when you start reading this book you will not be able to leave it without coming to the last page of it having a very precise, new, logic and Divine knowledge. It is as true as the life in you is. You find in this piece of new knowledge many issues which prescribe the reality in abstract style having brought it into minds as vivid facts: What is the wrong with the life of high technologies? Do you believe that this contemporary technologies are the main source of misery of our life?! Why do people abandon God and where Do they direct their destination into? What is God's purpose of the afflictions and difficulties which He has driven to people and nations? What are the reasons behind the destruction of the old nations? Do you think that the whole world is coming to the same fate of the old destructed nations? What is the last resort of escaping from this horrible end? What is the real meaning of the Hour which is mentioned in the Divine texts? Is it the Doomsday or the hour of ruining events which will overwhelm most of the whole world? What are its indications and what is the real actual meaning of each one of them? Is Master Jesus the Messiah going to come once again, what are the evidences of his close blessing coming to this world and where is he now? Blessed are those who are born in his close coming time. Why? Is master Jesus the redeemer? What is the real meaning of "the redeemer"? Most of religions' scholars say Master Adam committed a sin ? Do you think that our great father did that ? what is the real fact beyond that? Is there any way to save yourself during this difficult time? How could you rescue yourself from the horrible and destructing events of the Hour? The way of attaining belief and true faith.

**Gems from Sri Aurobindo, 2nd Series** Sri Aurobindo,1994 Sri Aurobindo represents a synthesis of the teachings of both the West and the East. Not content simply with dissolution into a transcendental, other-worldly God-consciousness, nor with concentration on the outer life and its powers to the exclusion of anything other or higher, Sri Aurobindo has created the teachings of a Divine Life on Earth. This is the second book of the series.

*The Unseen* Adam Yahaya Abdul Rahaman,2010-12 Man desire to know his God He researches into every stage of his life He glimpses at the universe - seen and unseen Of all these, Man is indeed ignorant!

A Million and One Gods Page duBois,2014-06-16 As A Million and One Gods shows, polytheism is considered a scandalous presence in societies oriented to Jewish, Christian, and Muslim beliefs. Yet it persists, even in the West, perhaps because polytheism corresponds to unconscious needs and deeply held values of tolerance, diversity, and equality that are central to civilized societies.

**Thoughts from the Cosmic Field in the Life of a Thinking Insect [A Latter-Day Saint]** Haresh Patel,2009-03 Haresh loves his mother Pushpa intensely. As a seven year old girl, she garlanded Gandhi at Bhadran, while he was on his famous Dandi March in 1930. Haresh was born in Bhadran in 1943, prior to India's Partition. As his Hindu grandfather was a hypocrite, belonging to a Demonic Cult, Haresh started his spiritual journey at 12, after having read Gandhi's autobiography, My Experiments with Truth. It ignited his consciousness and led him to be a jurist. He studied most of the scriptures of people and philosophy. But, being truthful, he could not succeed in a corrupt society. During the emergency days of 1975, Haresh actively participated with George Fernandese in the underground activities of the 'Baroda Dynamite Conspiracy.' In 1980, Sri Aurobindo's invisible presence initiated Haresh in the occult world of 'Savitri.' In 1982, Sri Shankar Giri, his Spiritual Master, initiated him into the mysterious occult science of Atharvana. Haresh was led to an LDS Church in Chicago, wherein he was baptized and ordained into Aaronic Priesthood. He was also gifted with the 'Holy Ghost'. On October, 22, 1994 of the same year he was mysteriously transformed into Christ Consciousness. At the insistence of Elder James Maddux, he has recorded his Epistolary Autobiography from 1994 up to 2008. Gandhi experimented with Truth all his life. He never experienced it. Unlike Gandhi, Haresh has not only experienced Truth, he lives it from moment to moment, in accordance with inner promptings from 'Holy Ghost.' This book is a story of Haresh, who is He Himself.

Savitri Aurobindo Ghose,Sri Aurobindo,1995 In this epic spiritual poem, Sri Aurobindo reveals his vision of

mankind's destiny within the universal evolution. He sets forth the optimistic view that life on earth has a purpose, and he places our travail within the context of this purpose: to participate in the evolution of consciousness that represents the secret thread behind life on Earth.

*Virginia Forest Warden* ,1927

**The Warden** Anthony Trollope,2000-12-13 The first of Trollope’s Barsetshire novels, *The Warden* concerns the moral dilemma of the Reverend Septimus Harding, who finds himself at the centre of a bitter conflict between defenders of Church privilege and the reforming impulses of the mid-Victorian period. Appointed warden of an almshouse, he is given a comfortable salary from its founder’s will to oversee the institution and the small weekly incomes given to the men who live there. Mr. Harding’s disproportionate salary, however, becomes a source of concern for a local reformer who denounces the allocation of funds as a Church abuse. Interweaving the complexities of the Victorian world, the novel draws on ecclesiastical scandals, criticizes the power of the press, satirizes the law, and examines the growing influence of London on provincial life. Based on the most authoritative text published during Trollope’s life, that of 1878, the Broadview edition also includes appendices with material relating to the novel’s genesis, Trollope’s revisions, the sources of his literary parody, the historical background to the novel’s topical references, its reception by contemporary critics, and Trollope’s views on the Church of England.
