The Face on the Milk Carton Caroline B. Cooney,2012-05-22 In the vein of psychological thrillers like *We Were Liars* and *One of Us Is Lying*, bestselling and Edgar Award nominated author Caroline Cooney's JANIE series seamlessly blends mystery and suspense with issues of family, friendship and love to offer an emotionally evocative thrill ride of a read. No one ever really paid close attention to the faces of the missing children on the milk cartons. But as Janie Johnson glanced at the face of the ordinary little girl with her hair in tight pigtails, wearing a dress with a narrow white collar—a three-year-old who had been kidnapped twelve years before from a shopping mall in New Jersey—she felt overcome with shock. She recognized that little girl—it was she. How could it possibly be true? Janie can't believe that her loving parents kidnapped her, but as she begins to piece things together, nothing makes sense. Something is terribly wrong. Are Mr. and Mrs. Johnson really her parents? And if not, who is Janie Johnson, and what really happened?

Memoir of a Milk Carton Kid Tanya Nicole Kach,2017-05-31 *Memoir of a Milk Carton Kid* is the story of a young girl, Tanya Kach, lost in the cracks of the system, forced to spend more than ten years as a prisoner of a manipulative captor. Milk Carton Chronicles Norris Tyrone Darden, III,2009-11-11 *Milk Carton Chronicles* parallels modern and biblical relationships highlighting the impact these relationships can have on a persons' spiritual and social development. Volume I covers kinship, brotherhood and mentorship. Compared to biblical times many will agree that we have advanced in technology but in my own observation I would not make that same assessment in Man's advancement. *Milk Carton Chronicles* scratches the surface on why this may be. We must find the missing pieces, we must search for the missing faces on the side of milk cartons.

Milk Carton Mania Christine M. Irvin,2003-03 *Craft Mania* shows young students how to recycle everyday items into exciting works of art that not only encourage creativity but are also good for the environment.

With the mystery of her kidnapping now unraveled, Janie's story continues, and the nightmare is not over. No one can bring back or relive the 12 years gone by. The Spring family wants justice, but who is really to blame? The Johnsons know that they must abide by the court decisions made, but it's difficult to figure out what's best for everyone. Janie Johnson or Jenny Spring? Who is she? Certainly there's enough love for everyone, but how can the two separate families live happily ever after?

The White Road Sarah Lotz,2017-05-30 A cutting-edge thriller about one man's quest to discover horror lurking at the top of the world. Desperate to attract subscribers to his fledgling website, 'Journey to the Dark Side', ex-adrenalin junkie and slacker Simon Newman hires someone to guide him through the notorious Cwm Pot caves, so that he can film the journey and put it on the internet. With a tragic history, Cwm Pot has been off-limits for decades, and unfortunately for Simon, the guide he's hired is as unpredictable and dangerous as the watery caverns that lurk beneath the earth. After a brutal struggle for survival, Simon barely escapes with his life, but predictably, the gruesome footage he managed to collect down in the earth's bowels goes viral. Ignoring the warning signs of mental trauma, and eager to capitalize on his new internet fame, Simon latches onto another escapade that has that magic click-bait mix of danger and death: a trip to Everest. But up above 8000 feet, in the infamous Death Zone, he'll need more than his dubious morals and wits to guide him, especially when he uncovers the truth behind a decade-old tragedy -- a truth that means he might not be coming back alive. A truth that will change him -- and anyone who views the footage he captures -- forever.
