Minecraft: The Village Max Brooks,2023-10-17 The final book in Max Brooks's official Minecraft trilogy! The New York Times bestselling author of *Minecraft: The Island* details the story of two stranded heroes whose block-breaking expedition lands them squarely in the middle of a conflict which only they can resolve. Journeying into the unknown is a scary prospect, but together, Guy and Summer can navigate any challenge. The two castaways strike out in this curious, blocky world, searching for a way home. As they cross the Overworld—traversing frozen wastelands and baking deserts—the pair make an exciting discovery: a community populated by villagers! Guy and Summer settle in to learn more about their new friends, trading with the residents and exploring the surrounding area as they work out the next steps in their voyage. But with monstrous mobs and perilous pitfalls around every corner, they soon find that they might be needed here more than they thought. When a villager disappears, their investigation uncovers new foes—ones so powerful that it might spell the end of their adventure. Drawing on the lessons they've learned along the way, Guy and Summer must work together to protect the village.

Minecraft: The Island Max Brooks,2017-07-18 NEW YORK TIMES BESTSELLER • The first official Minecraft novel! The author of *World War Z* tells the story of a hero—stranded in the world of Minecraft—who must unravel the secrets of a mysterious island in order to survive. “A rollicking adventure yarn; Robinson Crusoe for the digital age.”—NPR Washed up on a beach, the lone castaway looks around the shore. Where am I? Who am I? And why is everything made of blocks? But there isn't much time to soak up the sun. It's getting dark, and there's a strange new world to explore! The top priority is finding food. The next is not becoming food. Because there are others out there on the island . . . like the horde of zombies that appears after nightfall. Crafting a way out of this mess is a challenge like no other. Who could build a home while running from exploding creepers, armed skeletons, and an unstoppable tide of hot lava? Especially with no help except for a few makeshift tools and sage advice from an unlikely friend: a cow. In this world, the rules don't always make sense, but courage and creativity go a long way. There are forests to explore, hidden underground tunnels to loot, and undead mobs to defeat. Only then will the secrets of the island be revealed. Minecraft Daniel Goldberg,Linus Larsson,2013-11-05 Three years ago, 32-year-old Markus Notch Persson of Stockholm was an unknown and bored computer programmer. Today, he is a multi-millionaire international icon. *Minecraft*, the virtual Lego game Markus crafted in his free time, has become one of the most talked about activities since Tetris. Talked about by tens of millions of people, in fact. It is the story of unlikely success, fast money, and the power of digital technology to rattle an empire. And it is about creation, exclusion, and the feeling of not fitting in. Here Markus opens up for the first time about his life. About his old Lego-filled desk at school. About the first computer his father brought home one day. But also about growing up in a family marked by drug abuse and conflict. But above all it is the story of the fine line between seeming misfit and creative madman, and the birth of a tech visionary. *Minecraft: The Unlikely Tale of Markus Notch Persson and the Game that Changed Everything* is a Cinderella story for the Internet age.

Beautiful Minecraft James Delaney,2016-11-01 With a bit of imagination and a heavy dose of artistic talent, *Minecraft* blocks can be used to build almost anything. But as you'll see, some artists are taking *Minecraft* building to a whole new level. *Beautiful Minecraft* is a compendium of stunning artwork built in *Minecraft*. Using millions of blocks and spending hundreds of hours, these artists have created floating steampunk cities, alien worlds, detailed classical sculptures, fantastical landscapes, architectural marvels, and more. The results are simply beautiful.

Understanding Minecraft Nate Garrelts, 2014-10-17 Since its official release in 2011, Minecraft has sold over 48 million copies across all gaming platforms. The premise of Minecraft is simple: destroy, collect, build and interact in a world made entirely of colored cubes. Unlike Lego blocks or other construction toys, Minecraft's digital play space allows for virtually limitless creation without the cost and limitations of physical building materials. Developer Mojang's generous policies toward modification and other uses of their intellectual property also engender enthusiasm and creativity from fans who make music, art and animation inspired by the software. The first essays in this collection cover Minecraft's origins, describing its relationship to other video games and toys and examining the learning models implicit in its design. Later essays describe and theorize the various ways players interact with the software, which simultaneously presents them with structural constraints and limitless possibilities.

Minecraft: The Mountain Max Brooks, 2021-03-02 In the thrilling sequel to the New York Times bestselling novel Minecraft: The Island, a stranded hero stumbles upon another castaway—and discovers that teamwork might just be the secret to survival. Wandering a vast, icy tundra, the explorer has never felt more alone. Is there anything out here? Did I do the right thing by leaving the safety of my island? Should I give up and go back? So many questions, and no time to ponder—not when dark is falling and dangerous mobs are on the horizon. Gurgling zombies and snarling wolves lurk in the night, and they're closing in. With nowhere to hide, the lone traveler flees up a mountain, trapped and out of options . . . until a mysterious figure arrives, fighting off the horde singlehandedly. The unexpected savior is Summer, a fellow castaway and master of survival in these frozen wastes. Excited to find another person in this strange, blocky world, the explorer teams up with Summer, whose impressive mountain fortress as a safe haven . . . for now. But teamwork is a new skill for two people used to working alone. If they want to make it home, they will have to learn to work together—or risk losing everything.
