What had seemed at first a hopeless tragedy later became a triumph of human effort, courage, perseverance, and expertise. For 17 excruciating days no one knew whether any of the miners had survived the collapse of the mine shaft, nor were the surviving miners aware of any rescue attempts. They spent a total of 69 days trapped underground. And it was there, in that frightening cavern, that one man took on the responsibility of encouraging the others and use the tragedy as an opportunity to share his faith. Miracle in the Mine is the story of José Henríquez. The testimony of a man who was no stranger to danger even before he found himself trapped 2,300 feet under the earth in the San José mine. A man who has unequivocally demonstrated his integrity, courage, and moral strength both before, during, and after the mining accident, and who is now using this experience to inspire the world.
