A Minisink Double Wedding George Douglas Emerson, Charles A. Stickney, 2006-10 by Charles E. Stickney, Republished from the original 1902 edition - (PDF 5.7Mb, 115pp, illustrated) This rarely-seen work was originally published by The Wantage Recorder, a local newspaper serving the upper reaches of northwest New Jersey. Subtitled A Story of an Old Minisink Village Between the Minisink Indian War of 1754-8, and the French and Indian War of 1763-5, this love story revolves around the courtship of Frema and Bethune Courtright, two sisters who live on a typical frontier farm a few miles south of what is now Port. Their suitors are local boys Mark VanTuyle, Lem VanZandt, but Bethune falls for a curious Frenchman named Antoine Dutot. The action mostly takes place along the Old Mine Road, and on several occasions, Tom Quick, The Avenger of the Delaware, makes an auspicious appearance. As the original edition is among the most sought-after of published Jerseyana, this masterfully-published eBook edition finally makes it possible for everyone to enjoy a fine tale from New Jersey's colonial frontier. The Digital Edition (Adobe PDF 1.5) is published in portrait orientation; extensive footnotes appear on the pages in which they are referenced; fully-searchable, fully-printable.

ADVANCE MONEY ACCELERATOR SYSTEM Swapnil Shrivastav, 2022-06-09 Are you living paycheck to paycheck? Does extra money flow to you and then suddenly it disappears? Do you borrow from Peter to pay Paul? Are you a single parent who has difficulties budgeting and saving? If so, this is the book for you. I started from scratch and made lots and lots of mistakes. I've been taken advantage of by many people. · I've worked for minimum wage as a newspaper hawker. In my native place along with my roadside Paan shop. I have done a lot of roadside business I've had many ups and downs, and, yet, and it was in 2006 I decided that I'm not going to waste my life and I started work with a network marketing company. I am a self-made -millionaire with my sweat and tears...I was always a voracious reader. I started to learn from books of the top improvement experts in the world including Tony Robbins, Robin Sharma, Dr. Joe Vitale, Shiv Kheda, Napoleon Hill, and others. My step-by-step system helps an individual learn how to heal money blocks that have been growing roots for many years, even as far back as childhood. · Most of our money blocks have been taken on unconsciously from the conditioning of our family, friends, religion, and society. If you are experiencing the following: Never seem to have enough money after payday Worry about paying your bills on time Drained financially and/or unable to save Feel uneasy viewing your bills and banking accounts. This BOOK will give you a deep understanding of how to clear unprocessed money blocks that are holding you back from making the loot you want. You will learn strategies to help move from feeling broke to being successful

The Hunt for Billy Jack Brian Oeffner, 2017-07-12 Jim is an army veteran who has only been retired for six months when he receives a shocking call from Samuel Littlebear, the father of one of his former combat team members. Samuel's son, Billy, is two weeks late returning from a Canadian fishing trip and he asks Jim's help in finding him. Without the name of the camp ground or the lake where Billy might be fishing, Jim contacts seven former team members to assist with the monumental task of tracking down Billy somewhere within Canada's thousands of miles of vast wilderness. Customs shows that Billy entered Canada, but never returned back into the United States. After Canadian officials fail to locate Billy or his vehicle, Jim and his team gather as much information as they can and leave for Canada. With instructions from Billy's father to bring him home dead or alive, the men know their mission will be difficult. As they head north and pledge not to leave Canada until they find their military brother, none of the men have any idea they are about to uncover a dark plot that will change everything. In this gripping mystery, a retired elite army combat team travels into Canada to search for a former team member after he goes missing during a fishing trip.

A Life For A Life 2 Mike Jefferies, 2012-08-28 Drako is back to finish what he started! Now with his own label, Reality Records, up and running and a few wont-back-down soldiers behind it, nothing can stop him. He still has his list of white collar schemes to be carried out, as well as his knack for staying under the radar. Meanwhile, Wiz is up to his neck in hip-hop scandals. Now with even more beautiful vixens, fast cars and jewels, the

media and Feds are watching his every move. Wiz is definitely standing at the top of the game, and sharing his spotlight with Reality Records, as it too climbs the fast track to the top, is nowhere in his plans! Read as two best friends nearly become worst enemies as a vicious war spills out of the booth and into the streets. Two separate lives and two separate agendas share one common goal: To get filthy rich and stay free in the process. Will the fast life and the millions that are so easily tossed around blind the two from discovering the traitors that threaten to bring down not only the labels, but also everything they have worked so hard for? This fast paced tale unfolds right in the living room of hip-hop. It is still a story of love and hate, trust and betrayal. Life and death. Sometimes in order for one to survive, another must be buried. It is for all intents and purposes 'A Life for A Life,' but it will finally become the ultimate reality!

Bad Trip Joel Miller,2012-12-03 A “well-researched, bitingly written account” of the massive failure of the war on drugs (Publishers Weekly). The war against drugs was supposed to make America better, right? It failed. Not only does the drug war fail to keep Americans from using drugs, but its crackdown tactics also produce bigger problems than it promises to solve. In this fearlessly audacious book, Joel Miller shows that drug prohibition creates tremendous amounts of crime and corruption, helps finance anti-American terrorists, makes a joke out of U.S. border security, chips away at constitutional liberties, militarizes law enforcement, and jails hundreds of thousands of Americans. And for what? A bigger, more intrusive government that cares less and less about individual rights. Told in a bold, uncompromising style, Miller’s book reveals the true and terrible nature of the war on drugs and also, just as importantly, informs readers about what they can do to kick the drug-war habit. “Miller nails it,” says Larry Elder, host of ABC Radio’s nationally syndicated Larry Elder Show and bestselling author. “He powerfully and persuasively articulates the folly, the harm and the unconstitutionality of our government’s War against Drugs.” And, says Judge Andrew P. Napolitano of Fox News, “If you are interested in our freedoms or fearful of the government destroying human lives and wasting tax dollars on another American Prohibition, read this book and send a copy to every lawmaker and judge you know.” If you want to understand the drug problem in America, you first need to know how the government is making it worse. *Bad Trip* is the place to start.

Gorbals and Oatlands Danny Gill,2015-06-12 Everyone has good memories of their growing up, and mine was a wonderful one of my childhood in the era of the old tenements buildings in the Gorbals and Oatlands area in the south side of Glasgow. Every day for us was like an adventure with so many things to do and our street games could last all day long (especially in the school summer holidays). There were no computers, video games and mobile phones etc in those days and TV was only in its infancy, so all our energy was spent playing out in the open. In my book I try to tell our story of what life was like in that era through my poems, peoples stories and songs we sang in the streets. All this, I hope, brings back happy memories to people of my generation who lived through these times, and a future generation that I want to leave my memories with.

Emah Roo: Sooside Memories Danny Gill,2016-02-24 With the collapse of the back elevation of our tenement we were shipped out to one of those new housing schemes being built on the outskirts of Glasgow and I hated leaving the soo-side behind. I kept going back for this is where I felt I belonged. In this book I have tried to keep alive those memories that people of my generation can all relate to, just ordinary everyday things we all done in the Gorbals and Oatlands and which are forever embedded in our minds, not forgetting walks over to the toon either. I left Glasgow when I was 20 years old (48 years ago) but like most exiles, Glasgow has never left us.

Start-Up City Gabe Klein,David Vega-Barachowitz,2015-10-15 The public-private partnerships of the future will need to embody a triple-bottom-line approach that focuses on the new P3: people-planet-profit. This book is for anyone who wants to improve the way that we live in cities, without waiting for the glacial pace of change in government or corporate settings. If you are willing to go against the tide and follow some basic lessons in goal setting, experimentation, change management, financial innovation, and communication, real change in cities is possible.--Publisher's description.

First Ladies Margaret Truman,1996-08-27 “Fascinating . . . First Ladies is a wonderfully generous look at the women who, often against their wishes, took on what Truman calls ‘the world's second toughest job.’”—The Christian Science Monitor Whether they envision their role as protector, partner, advisor, or scold, First Ladies find themselves in a job that is impossible to define, and just as difficult to perform. Now Margaret Truman, daughter of President Harry Truman and an acclaimed novelist and biographer in her own right, explores the fascinating position of First Lady throughout history and up to the present day. With her unique perspective as the daughter of a First Lady, Ms. Truman reveals the truth behind some of the most misunderstood and forgotten First Ladies of our history, as well as the most famous and beloved. In recounting the charm and courage of Dolley Madison, the brazen ambition of Florence Harding, the calm, good sense of Grace Coolidge, the genius of Eleanor Roosevelt, the mysterious femininity of Jackie Kennedy, and the fierce protectiveness of Nancy Reagan, among others, Margaret Truman has assembled an honest yet affectionate portrait of our nation’s First Ladies—one that freely acknowledges their virtues and their flaws.
