Student vs IAS T20 ACTION & ABHI, 2014-09-12 Parents of middle class family dream their children to be a part in Administrative services, without taking least care of their children's personal interest. So was the case with

Rajan, the slum hero of the novel. He had dreams of his own, but something disastrous happened that changed his life. He failed miserably in his high school exam, passing with poor marks that led his father to issue the 'farmaan' that he would peruse his further studies with art stream (just opposite to his expectations, anyway he never wished to study art like girls). But something worse was yet to come. In order to convince a girl for his friend, he fell in love with that girl, who was daughter of a devil in man, Kalicharan, the M.P. After passing their graduation, both prepare for IAS exam. He takes it as T20 championship and as Indian cricket team would do, he also lost, but till then he had gathered treasure worth billions. His dream girl overcomes the hurdle but there're more hurdles waiting in their love story and future. There're two arch enemies, their respective fathers. Kalicharan & Karia Anna are the main obstacles in their way. The former bullies him at their 1st meeting and wouldn't allow taking away his daughter too easily and later who wished his son to be an IAS, wouldn't allow him to get his goal easily. What would Rajoo do when there is no one to back him? It's a conflict between- Love V/S Relation - Desire V/S Dreams - Son V/S Father - Student V/S IAS T20
