Getting Signed David Arditi,2020-09-28 Record contracts have been the goal of aspiring musicians, but are they still important in the era of SoundCloud? Musicians in the United States still seem to think so, flocking to auditions for The Voice and Idol brands or paying to perform at record label showcases in the hopes of landing a deal. The belief that signing a record contract will almost infallibly lead to some measure of success—the “ideology of getting signed,” as Arditi defines it—is alive and well. Though streaming, social media, and viral content have turned the recording industry upside down in one sense, the record contract and its mythos still persist. *Getting Signed* provides a critical analysis of musicians’ contract aspirations as a cultural phenomenon that reproduces modes of power and economic exploitation, no matter how radical the route to contract. Working at the intersection of Marxist sociology, cultural sociology, critical theory, and media studies, Arditi unfolds how the ideology of getting signed penetrated an industry, created a mythos of guaranteed success, and persists in an era when power is being redefined in the light of digital technologies.

Information Security Yvo Desmedt,2015-12-29 This book constitutes the thoroughly refereed post-conference proceedings of the 16th International Conference on Information Security, ISC 2013, held in Dallas, Texas, in November 2013. Confessions of a Video Vixen Karrine Steffans,2009-10-13 Part tell-all, part cautionary tale, this emotionally charged memoir from a former video vixen nicknamed 'Superhead' goes beyond the glamour of celebrity to reveal the inner workings of the hip-hop dancer industry—from the physical and emotional abuse that's rampant in the industry, and which marked her own life—to the excessive use of drugs, sex and bling. Once the sought-after video girl, this sexy siren has helped multi-platinum artists, such as Jay-Z, R. Kelly and LL Cool J, sell millions of albums with her sensual dancing. In a word, Karrine was H-O-T. So hot that she made as much as \$2500 a day in videos and was selected by well-known film director F. Gary Gray to co-star in his film, *A Man Apart*, starring Vin Diesel. But the film and music video sets, swanky Hollywood and New York restaurants and trysts with the celebrities featured in the pages of *People* and *In Touch* magazines only touches the surface of Karrine Steffans' life. Her journey is filled with physical abuse, rape, drug and alcohol abuse, homelessness and single motherhood—all by the age of 26. By sharing her story, Steffans hopes to shed light on an otherwise romanticised industry and help young women avoid the same pitfalls she encountered. If they're already in danger, she hopes to

inspire them to find a way to dig themselves out of what she knows first-hand to be a cycle of hopelessness and despair.

Dying For Curves Silver Bandz,2020-04-15 Silver Bandz grew up in a small suburb believing she was part of the American Dream. Until her world and self-esteem came crashing down in an avalanche of physical and verbal abuse after her parents separated. Without any family support, Silver found herself on the streets with no confidence, no hope and no way out for herself and her baby. With few options and poor decisions, she ends up serving time behind bars.This is the wake-up call that puts Silver on a path to self-improvement. But when she ends up an instant success in the glittery, glossy and often deceitful world of entertainment, Silver finds herself facing demons from her past that entice her with glamorous options of deadly consequences.

On the Come Up Hannah Weyer,2013-07-23 Based on a true story, an impassioned and propulsive debut novel about a headstrong girl from Far Rockaway, Queens, who is trying to find her place in the world Written in an urban vernacular that's electrifying and intimate, On the Come Up introduces a heroine whose voice is irrepressible, dynamic, and unstintingly honest. Thirteen-year-old AnnMarie Walker dreams of a world beyond Far Rockaway, where the sway of the neighborhood keeps her tied to old ideas about success. While attending a school for pregnant teens, AnnMarie comes across a flyer advertising movie auditions in Manhattan. Astonishingly, improbably, and four months before she's due to give birth—she lands a lead role. For a time, AnnMarie soars—acting for the camera, flying to the Sundance Film Festival, seeing her face on-screen. But when the film fades from view and the realities of her life set in, AnnMarie's grit and determination are the only tools left to keep her moving forward. Told with remarkable compassion and based on the real-life story of Anna Simpson, whom the author met during the filming of the award-winning *Our Song*, Hannah Weyer's debut novel is an incredible act of literary ventriloquism that powerfully illuminates the lives of the urban unseen.

Custody Battle Shameek Speight,2018-08-22 You would think that every woman wants a man that works hard, pays the bills, and still manages to be a good father and take care of her needs. Right? Shonte' had all of that, but it still wasn't good enough for her. Being rejected by Darrell after previously doing him dirty, Shonte's scandalous, ratchet side rears its ugly head and she uses the one thing he loves for than life as a bargaining chip; his daughter Blessing, leaving a whole in his heart. Filling that hole with frustration and hate pushes Darrell to the brink of insanity, leaving him no choice but to take drastic measures to ensure he and his Blessing can be together.

Traitor Amanda McCrina,2020-08-25 Amanda McCrina's Traitor is a tightly woven YA thrill ride exploring political conflict, deep-seated prejudice,

and the terror of living in a world where betrayal is a matter of life or death. “Alive with detail and vivid with insight, Traitor is an effortlessly immersive account of a shocking and little-known moment in the turbulent history of Poland and Ukraine—and ironically, a piercing and bittersweet story of unflinching loyalty. I think Tolya has left my heart a little damaged forever.” —Elizabeth Wein, #1 New York Times–bestselling author of *Code Name Verity* and *The Enigma Game* Poland, 1944. After the Soviet liberation of Lwów from Germany, the city remains a battleground between resistance fighters and insurgent armies, its loyalties torn between Poland and Ukraine. Seventeen-year-old Tolya Korolenko is half Ukrainian, half Polish, and he joined the Soviet Red Army to keep himself alive and fed. When he not-quite-accidentally shoots his unit's political officer in the street, he's rescued by a squad of Ukrainian freedom fighters. They might have saved him, but Tolya doesn't trust them. He especially doesn't trust Solovey, the squad's war-scarred young leader, who has plenty of secrets of his own. Then a betrayal sends them both on the run. And in a city where loyalty comes second to self-preservation, a traitor can be an enemy or a savior—or sometimes both. This title has common core connections.

More Than Pretty Erica Campbell, 2019-09-24 Grammy Award-winning gospel singer, television star, and radio host Erica Campbell speaks to women of all shapes and sizes, demonstrating that true beauty is found not in external appearances, but in celebrating the person God made you to be. So many young women struggle with issues of low self-esteem, depression, self-degradation, and other unhealthy habits that manifest on the outside what's happening on the inside. And the rise of social media and the emphasis on beauty as validation for self-worth have only added fuel to the fire. But Erica Campbell—Grammy-winning gospel star, reality TV star, and nationally-syndicated radio host—believes that we need to redefine beauty. We need to start to see ourselves the way God sees us—beautiful and perfectly made. True beauty, Erica believes, is about embracing who God made you to be. In *More Than Pretty*, she turns the mirror around, reflecting God's Word, His affirmations, and His design for every woman. This book explores issues of self-esteem, identity, and God's design for love and intimacy. She is candid about her own struggles, sharing honestly about her battle to feel “good enough” in an industry that fixates on outward appearances. Covering topics such as being honest about who we truly are, reflecting on what we have internalized about our appearances, uncovering and exposing the plan of the Enemy, and accepting God's will for your life, Erica offers thoughtful, hard-won wisdom and encouragement to women from all walks of life, helping build confidence in and through the power of God.

Memoirs of a Bitch Cecelia Robinson, 2009-04 Shantel's life is going so well, the reinvention of herself seemed to be a successful transformation...until one night she stumbles across a TV show that has a special feature - Her! Determined to get to the bottom of this quandary, Shantel is forced to reveal it all; her dark childhood, the murder of her parents, abuse of her and not to mention her failed relationships.

How I Saved the World Jesse Watters, 2021-07-06 #1 NEW YORK TIMES BESTSELLER! At one of the most chaotic periods in American history, in a time of national distrust and despair, one tanned TV host holds the key to the future. In *How I Saved the World*, Jesse Watters takes readers on a tour of his life from basement-dwelling Fox minion to pampered champion of right-thinking Americans. He has divined great truths about the nature of our country while stumbling across beaches asking oblivious college students basic political questions and while stumbling out of Air Force One with the President. Interspersed are his thoughtful suggestions for overcoming left-wing radicalism, maintaining American democracy, moving beyond aging hippies (like his long-suffering, loving parents), saving the world from social justice warriors and the deep state—all while smirking his way through life in only the nicest way. Watters outlines the stark choice ahead of us between all-American hamburgers and leftist Green New Deal breadlines (okay, maybe that one is a no-brainer) and shows the way for order and fairness to be restored. A manifesto and a call-to-arms from a man for all seasons, *How I Saved the World* is a hilarious, enlightening, entertaining book with a reasonable chance of winning a Nobel Prize in every category, even

chemistry.

Mymixtapes Introduction

In today's digital age, the availability of Mymixtapes books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mymixtapes books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mymixtapes books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly,

especially if you need to purchase several of them for educational or professional purposes. By accessing Mymixtapes versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mymixtapes books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mymixtapes books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded.

Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mymixtapes books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mymixtapes books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an

ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mymixtapes books and manuals for download and embark on your journey of knowledge?
