The New Testament in Antiquity and Byzantium H.A.G. Houghton,David C. Parker,Holger Strutwolf,2019-12-02 Klaus Wachtel has pioneered the creation of major editions of the Greek New Testament through a blend of traditional philological approaches and innovative digital tools. In this volume, an international range of New Testament scholars and editors honour his achievements with thirty-one original studies. Many of the themes mirror Wachtel's own publications on the history of the Byzantine text, the identification of manuscript families and groups, detailed analysis of individual witnesses and the development of software and databases to support the editorial process. Other contributions draw on the production of the Editio Critica Maior, with reference to the Gospels of Mark and John, the Acts of the Apostles, the Pauline Epistles and the Apocalypse. Several chapters consider the application of the Coherence-Based Genealogical Method. A wide selection of material is considered, from papyri to printed editions. The Greek text is analysed from multiple perspectives, including exegesis, grammar and orthography, alongside evidence from versions in Latin, Syriac, Coptic and Gothic. This collection provides new insights into the history of the biblical text and the creation, development, analysis and application of modern editions.

The Message of Hebrews Raymond Brown, 2021-05-18 The first-century readers of Hebrews were at a critical point. Many had been exposed to public ridicule, persecution, and imprisonment. Some had already abandoned their commitment to Christ, and others were in danger of compromising or giving up. The letter to the Hebrews brought a profound encouragement and appeal: they must keep their eyes on Christ and remain anchored in the truth. In this Bible Speaks Today volume, Raymond Brown guides readers passage by passage through Hebrews, exploring historical background, key themes, and applications for today. While some find Hebrews one of the most puzzling of the New Testament books—with its references to animal sacrifices and ancient Israelite customs—Brown identifies a timeless message that remains strikingly relevant in each generation. As Hebrews celebrates the uniqueness of Christ, it clarifies Christians' priorities and our only hope for faithful endurance. This revised edition of a classic Bible Speaks Today volume includes updated language and Scripture quotations and a new interior design.

Preach the Word Stephen Oliver Stout, 2014-12-09 At some time or another, every preacher has entered the pulpit wondering What shall I preach? This study finds the answer in the preaching charge of 2 Timothy 4:1-5 summarized in the command, Preach the Word! In this careful examination of the preaching ministry of Paul as recorded in his letters and sermons in the book of Acts, a Pauline theology of preaching emerges. What this work discovers is that the governing activity of the ministry of the Apostle Paul is the verbal proclamation of the gospel of Christ. All other activities in his ministry are subservient to this overriding concern, and they find meaning only if preaching is primary. That being the case, this book takes seriously the words of Paul when he encourages future preachers to follow his teaching, conduct, and purpose (2 Tim 3:10), offering Paul as the model for the Christian preacher. As readers will discover, anyone who desires to preach biblically should seek to preach like Paul, and the way to do that is to Preach the Word!

The King James Version Debate D. A. Carson, 1978-03-01 D. A. Carson addresses laypeople and pastors with a concise explanation of the science of textual criticism and refutes the proposition that the King James Version is superior to contemporary translations. The book provides a readable introduction to two things: biblical textual criticism and some of the principles upon which translations are made.

The Inclusive-language Debate D. A. Carson, 1998 The highly contentious and controversial topic of translating the Bible is discussed in this sensitively written guide to the issues involved. These include translation theory, gender & the debate that still surrounds the NIV inclusive language version.

Rediscover the Power of Your Identity Johnstone Kayandabila, 2010 Rediscover the Power of your Identity is a remarkable book about remarkable life written by a remarkable young man. In the world where most people are unaware of the secret of knowing their identity, this book stands as a noble answer. In the world where lies replace righteousness and the search for power to replace the pursuit of purpose, this book offers both the recipe for a better understanding on the purpose of your existence and the road map to your destiny. The author of this book will help you to discover your inner potential and role as an agent of change in your relationship, occupation, home, village, and your entire country. Emphasizing the importance of identity the author argues that 'Whenever there is a change in an individual's identity there should be a change in determination This is all about a change from inside out. Before you start changing your village and the world, you must change your inner person first. This is a starting point. Smart and successful people know this secret. Rediscover the Power of your Identity is not about making lots of money rather about knowing God's purpose in your life. Furthermore, it is about knowing the redemption power, your potential and how to constructively influence people around you and the sort of impact you want to make in the world. Paul said, I can do all things through Jesus Christ. He meant all things because he was fully aware of his new-identity. To know what counts and what doesn't in your life, you must read this Christ-centered book- Rediscover the Power of your Identity. This book is for everyone who wants to live according to God's plan for humankind, for each one who does not want to be intoxicated with

the falling worldly view and whoever wants to partner with God in transforming people in the world!

Elenchus of Biblica ,1995

The Modern Version Incursion Ken Matto,2018-04-10 I wrote The Modern Version Incursion because there is a need in the church for Christians to see plainly that the modern versions of the Bible are counterfeits. God wrote one Bible, not three hundred! The Bible tells us plainly that God's word is forever settled in heaven, as Psalm 119:89 teaches. This means the word of God is established and firm in heaven. The modern versions attack the cardinal doctrines of the Christian faith and especially attack the Lord Jesus Christ. The modern versions are based on the second-century Gnostic beliefs that were prevalent in Alexandria, Egypt. They disbelieved that Jesus was the Son of God and that He was not the incarnation of deity. What is really unhealthy is when the pastor of a church pushes these counterfeits and convinces their congregation that they are the most accurate. I sincerely desire Christians to look at their modern version and then compare it with the King James Bible and ask the question, why is theirs so different? We will look at 747 verses, which should be more than enough to convince even the skeptic. Christians will search out a neighborhood to live in, check out a mutual fund or stock, research a car before they buy; but when it comes to Bibles, they couldn't care less what they use. It shows how Christian commitment is lacking, and the weakness of modern Christianity attests to that fact. If one uses a counterfeit, they will be weak in their walk. Since the 1901 ASV came out, the church has become so weak it needs to be put on life support. When you start making the comparisons in this book, you will see that Christianity has been sold a bill of goods.

Discovering Biblical Equality Ronald W. Pierce,Cynthia Long Westfall,Christa L. McKirland,2021-11-02 There is no longer male and female; for all of you are one in Christ Jesus. The conversation about the relationship between women and men and their roles in the Christian life and the church has evolved, but the topic continues to inspire debate and disagreement. The third edition of this groundbreaking work brings together scholars firmly committed to the authority of Scripture to explore historical, biblical, theological, cultural, and practical aspects of this discussion. This fresh, positive defense of gender equality is at once scholarly and practical, irenic yet spirited, up-to-date, and cognizant of opposing positions. In this edition, readers will find both revised essays and new essays on biblical equality in relation to several issues, including the image of God, the analogy of slavery, same-sex marriage, abortion, domestic abuse, race, and human flourishing. Discover for yourself God's vision for gender equality.

The Scofield® Study Bible III, NIV Cyrus Ingerson Scofield,2004-04 This edition combines the renowned ScofieldRG study notes and references with the popular New International Version. In it the fruit of Dr. C. I. Scofield's decades of reflection on the Word of God have been augmented (not revised) to make the ideas underlying the Scofield's annotations clearer to modern readers. Factual information is presented in a wealth of topical articles, charts and lists that add depth and richness to study time.

Prophetic Prayers Julio Severo,2016-05-13 Prayer is the beginning of everything, because it brings God's move in situations and people. Prophetic Prayers is a monthly devotional containing easy and brief prayers, based on the book of Proverbs, for you to make daily. You will know how to pray for yourself. You will know how, through prayer, to invest spiritually in your spouse and children for them to lead a life according to God's design. You will know how to pray for your city, for the prosperity of all the righteous inhabitants who live in it and for solution of social problems. You will know how to pray specifically for the government and for the president, ministers, governors, etc. You will know how to make prayers that will weaken all the activity of witches and sorcerers in your city. You will know how to pray for an increase of righteous people in your city, in the government and in the media.

Books of the Ethiopian Bible Ethiopian Church,2019-09-30 The Ethiopian Bible is the oldest and most complete bible on earth. Written in Ge'ez an ancient dead language of Ethiopia it's nearly 800 years older than the King James Version and contains over 100 books compared to 66 of the

Protestant Bible. The Ethiopian Bible includes the Books of Enoch, Esdras, Buruch and all 3 Books of Megabyan (Maccabees), and a host of others that were excommunicated from the KJV. Books of the Ethiopian Bible features 20 of these books that are not included in the Protestant Bible.

Biblical and Classical Myths Northrop Frye, Jay Macpherson, 2004-01-01 Combines a 1981-82 series of twenty-four lectures by Canadian literary critic Northrop Frye and Canadian poet and classicist Jay Macpherson's *Four Ages: the Classical Myths* published in 1962.

Journal of the American Medical Association, 1913 Includes proceedings of the association, papers read at the annual sessions, and lists of current medical literature.

The Critique of Religion and Religion's Critique, 2020-04-14 The Critique of Religion and Religion's Critique: On Dialectical Religiology, is a book compiled in honour of Rudolf J. Siebert, Critical Theorist of Society and Religion. It is meant to both illuminate and interrogate his critical approach to the study of religion: Dialectical Religiology.

Isaiah 1-39 David Stacey, 2018-05-16 David Stacey believes that the meaning of oracles when they were first spoken is of primary importance for preachers and teachers today. In this commentary, he attempts to unravel the difficulties which even the best translations fail to make plain to place each passage in its original context. But the prophecies were repeatedly edited and re-used over a long period, and Dr. Stacey also examines this living "Isaiah tradition," which he thinks is a valuable feature of the book. The work of the ancient editors can provide a model of the way we can understand the text today. Throughout the commentary the question is asked: "If this is how the text was understood and used in various ancient settings, how can we accept it, understand it, and use it as authentic Scripture today?"

Psalms Stephen B. Dawes, 2010 Many students are unfamiliar with the Old Testament and struggle to access it, with the exception of the Psalms, which are more familiar through their use in Christian worship and yet offer insights into the world of the Old Testament. This book introduces the readers to the Psalms and the mainstream scholarship on the Psalms.
