Fire in the Ashes Jonathan Kozol, 2013-09-03 In this powerful and culminating work about a group of inner-city children he has known for many years, Jonathan Kozol returns to the scene of his previous prize-winning books, and to the children he has vividly portrayed, to share with us their fascinating journeys and unexpected victories as they grow into adulthood. For nearly fifty years, Jonathan has pricked the conscience of his readers by laying bare the savage inequalities inflicted upon children for no reason but the accident of being born to poverty within a wealthy nation. But never has his intimate acquaintance with his subjects been more apparent, or more stirring, than in *Fire in the Ashes*, as Jonathan tells the stories of young men and women who have come of age in one of the most destitute communities of the United States. Some of them never do recover from the battering they undergo in their early years, but many more battle back with fierce and often jubilant determination to overcome the formidable obstacles they face. As we watch these glorious children grow into the fullness of a healthy and contributive maturity, they ignite a flame of hope, not only for themselves but also for our society.

Probability, Statistics and Random Processes T. Veerarajan, 2002

Guidance of Young Children Marian Marion, 2015 Written in a conversational style, yet solidly grounded in child development theory and research, *Guidance of Young Children*, 9/e focuses on positive and developmentally appropriate child guidance, while encouraging reflection, opportunities for applying knowledge, and the ability to make intentional and wise child guidance decisions. Based on the author's belief that adults need to have realistic expectations of children, the book emphasizes understanding young children's development, using a developmentally appropriate approach to guidance, and thinking critically in making wise guidance decisions. Enhanced Pearson eText The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content with the following multimedia features: Embedded video links in each chapter illustrate key concepts and strategies. (See pages 198, 212, and 280 for examples.) Questions for Reflection provoke students to think about past experiences, their thoughts about appropriate practice, or feelings about a situation. (See pages 43, 79, and 212 for examples.) Focus on Practice boxes are video-based learning experiences with questions that help students to deepen their understanding of theory and practice. (See pages 26, 81, and 189 for examples.) NAEYC Standards and Key Elements that pertain to each chapter are embedded in the eText so students can connect these standards to their practice. (See pages 4, 184, and 334 for examples.)
