Affective Health and Masculinities in South Africa Hans Reihling,2020-04-03 Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Not Your Mother's Rules Ellen Fein, Sherrie Schneider, 2013-01-08 The authors behind the ubiquitous dating bible that launched a worldwide movement are back, accompanied by their daughters, with brand new advice updated for the modern era. How long should I wait to respond to his text message? Can I friend him on Facebook? Why did he ask for my number but never call me? When *The Rules* was published in 1995, its message was straightforward: be mysterious. But for women looking for love today, it's not quite so simple. In a world of instant messaging, location check-ins, and status updates, where hook-ups have become the norm and formal one-on-one dates seem a thing of the past, it's difficult to retain the air of mystery that keeps men interested. Now, with help from their daughters, the original Rules Girls Ellen Fein and Sherrie Schneider share their thoroughly modern, fresh take on dating that will help women in today's information age create the happy love lives they want and deserve. Whether you're a 20-something dating for the first time, a 30-something tired of being single, a 40-something giving advice to your daughter, or a 50-something getting back in the dating game, this book has the answers you've been waiting for. The Rules include: Stay Away from his Facebook Profile Make Yourself Invisible and Other Ways to Get Out of Instant Messaging Stop Dating a Guy Who Cancels More than Once Text-Back Times Chart Don't Just Hang Out or See Him 24/7 TTYL: Always End Everything First-- Get Out of There! And much, much more! Providing the dos and don'ts you need to stop making mistakes and start finding romance, *Not Your Mother's Rules* will revolutionize dating today just as *The Rules* did nearly 20 years ago!

Revelation Part 1 Arthur Jicha, Jr., 2022-08-07 I discovered so many things at this time. I always thought Father had neutered his angels before throwing them into the Prison Hades. He told me he did not; they are at full power. I was shocked! Akibeel came into the connection. He would not talk to me, then the Knowing kicked in. His expertise was being able to separate the human spiritual body from the human physical body. They all acted like I was in big trouble because Akibeel was here. I welcomed the fact that he was here so I could beat him to a pulp with one of the first tools Father had given me. He ran away with his tail between his legs. The talking heads made their debut. They are 250 ft giants that can only get their heads through to our reality, because the power modules under them lack the power needed for their bodies to get through the gateway. I ventured inside my memories and I found a gateway, which seems to be an entry-point for the Negative Zone. It is more than fascinating. Father agreed to answer questions about the PIT. It is a great interview with Father. Also I discovered that the Shroud effect around my house is actually Hades. It was a piece of their environment brought there by the fallen angels. I couldn't believe it. I didn't worry because Father was there. It was a matter of either sending me to Hades with them or bringing Hades to me to write about it. After thinking we had sent all of the angels to the Abyss, many more started to show up. We are talking in the Millions. Yippee! In this book we also continue our analysis of their tones and pulsations. With this book, we have many captioned pictures. Father programmed my security cameras with the ability to record the spiritual reality and our physical reality either separate or at the same time. It took him 4 hours to program them. They are now genius cameras that know when to record the realities at the same time or separately.
