She only has to do one thing: keep a dying promise. Will she hold on to an empire amidst traitors, dissension and betrayal to keep the promise of her mentor; Mama Neal, Madame extraordinaire? Will the legacy continue to flourish under

the auspices of Katlin Patrice Johnston or will changes force her into some harsh realities she finds harder to deal with? Babe Roger A MacDonald, 2023-02-10 It is 1880 when the widow Sarah McAllfry is approached by the son of a former slave who asks her to teach him in her all white schoolhouse. As a cold resolve claims Sarah, she decides that education is a right for every citizen in a post-Civil War world and ushers little Henry Jackson to a seat in her classroom, all while knowing there will surely be repercussions for her actions. Two days after, Sarah is promptly fired, and the Klu Klux Klan sets a fiery cross in her front yard. Still, Sarah remains determined to persevere, befriends Henry's mother, and invites her and Henry to live and work on her farm. Eight years later, Henry is entering manhood, the farmland is fertile, and the three unlikely friends have formed an unbreakable bond. When a tornado destroys her farm and propels a personable ox into their lives, the three friends invite Babe to join their family. But as the threat of persecution by the Klan eventually forces them to escape to northern Minnesota, they all soon discover that their destinies are different than they ever imagined. In this historical novel, a widowed schoolteacher, a blue ox, and a mother and son form a friendship that leads them from East Texas to a Minnesota logging camp where each embraces a new beginning.

The Girl from Arizona Nina Rhoades,1913

Grown Little Girl 2 Alicia Reynolds,2021-05-11 After trying to bounce back from a horrible attack against her crew/family, Nyla is thrown into a downward spiral when their family is attacked yet again and someone even closer to her than before is taken away from her. Nyla and her family, without any hesitation, jump in with both feet to do any and everything they can to try to handle the situation, but when things get really tough, the family and crew start to clash with one another, and things start to break down from the inside out. Nyla will be tested, and there will be a test for

others as their story unfolds. The once timid, shy little girl that everyone knew her to be was long gone, and the ruthless beast of a woman was now and forever present and ready for whatever came her way. The time span from when Nyla was first thrust into this life hasn't been long at all, but the knowledge and street smarts that she's learned in that short amount of time has forced her to grow up and act well beyond her years. Gone are the ways of her childhood phase and to stay are the days where her womanhood reigns.

Although Diggy is well respected in the streets, he has his share of problems he deals with. There is one person he has been keeping his eye on because something just doesn't seem right. Once his boy Trigga touches down and makes it home to pick up where things left off, Darcel puts him on game about what's going on, but Trigga feels it's nothing to worry about. Jholee & Kiandre Bianca, 2019-01-29 What are you willing to do for your family? For Jholee Marshall, that question has always been easy to answer: Anything. At twenty-two years old, Jholee had given up everything, including her full-time hours at school, her apartment, her expensive bags, and her car after her drug dealing dad's indiscretions put their family in a bind that blindsided them all. With everything that Jholee had given up, that still wasn't enough for her family to get back to normal, and after her dad shut down the thought of her taking her clothes off for money, she only had one thing left to sell: her virginity. Kiandre 'TK' Kincaid has had the Jacksonville streets secured when it came to moving weight, but after years of watching his father make money off women lying on their backs, he decided to try his hand at building his own legacy without stepping on them to get there. In order to make his dreams of owning a strip club a reality, TK finds himself moonlighting at his father's sex shop from time to time. When circumstance leads him to working the front desk, it's there that he meets

the very impressionable Jholee. After realizing that Jholee isn't cut out for being a sex worker, he trashes her application and literally takes matters into his own hands. Jholee and TK's worlds collide faster than they both would like to admit, but just as there are things keeping them together, there are just as many pulling them apart, including but not limited to Jholee's best friends, Riley and Octavia, her parents, TK's parents, and TK's girlfriend Cheyenne. But there is something about fate: You can't stop it.
