Lindsay Steenberg

Never Back Down Susan Harris, 1901 Never. Back. Down. Since the day that she was abandoned on the shores of Valhalla, and fought her way to be the fiercest Valkyrie, Erika has lived by those three words. There has never been a challenge Erika has backed down from; apart from Loki. But when Erika embeds herself in a supernatural fight club in the hopes that she can weed out Odin's location, Erika will be put to the test. And when love and loyalty cause confusion, can this battle-hardened warrior finally let her guard down enough to see what's been in front of her all along? Loki knew the moment he clapped eyes on the beautiful warrior that she was meant for him. However, the Norse God of mischief hides a secret; he was once cursed and has shied away from his feelings to shield himself from hurt. Can he convince Erika that he's the one meant for her, will he be forced to watch the woman he wants for himself spiral out of control? Multimedia Storytelling for Digital Communicators in a Multiplatform World

Seth Gitner, 2015-07-03 Multimedia Storytelling for Digital Communicators in a Multiplatform World is a unique guide for all students who need to master visual communication through multiple media and platforms. Every communication field now requires students to be fluent in visual storytelling skill sets, and as the present-day media adapt to a multiplatform world (with ever-increasing delivery systems from desktops to cell phones), students specializing in different forms of communication are discovering the power of merging new multimedia technology with very old and deep-rooted storytelling concepts. Award-winning journalist and multimedia professor Seth Gitner provides students with the tools for successfully realizing this merger, from understanding conflict, characters, and plot development to conducting

successful interviews, editing video in post-production, and even sourcing royalty-free music and sound effects. Incorporating how-to's on everything from website and social media optimization to screenwriting, Multimedia Storytelling aims to be a resource for any student who needs to think and create visually, in fields across broadcast and digital journalism, film, photography, advertising, and public relations. The book also includes a range of supplemental material, including wide-ranging skills exercises for each chapter, interviews with seasoned professionals, key terms, and review questions.

Are You Not Entertained? Lindsay Steenberg, 2020-10-29 Anglo-American culture is marked by a gladiatorial impulse: a deep cultural fascination in watching men fight each other. The gladiator is an archetypal character embodying this impulse and his brand of violent and eroticised masculinity has become a cultural shorthand that signals a transhistorical version of heroic masculinity. Frequently the gladiator or celebrity fighter - from the amphitheatres of Rome to the octagon of the Ultimate Fighting Championships - is used as a way of insisting that a desire to fight, and to watch men fighting, is simply a part of our human nature. This book traces a cultural interest in stories about gladiators through twentieth and twenty-first-century film, television and videogames.

The Hammer: an American Hero Harold D. Edmunds, 2016-08-18 Mr. Williamson is a talented man. He excelled on the football field and then became one of the first Black, action heroes on film. *The Hammer: An American Hero* details his rise from obscurity to one of the most talented football players in History. Williamson grew up on the tough streets of Chicago. He excelled in school and graduated from Northwestern University with a degree in architectural engineering. He went on to become a successful football player creating the controversial bump and run technique. He then went on to become a very successful writer, director and star of many exciting, action films. He also starred on several hit television shows. He played a major part in the explosion of Black, action films in the seventies and he continues to make films today. Williamson has successfully brought powerful, intelligent images of African American men to the silver screen for years. He wanted to present positive, strong heroic images of Black men to the world. He is an American icon, a hero to many of his fans. What motivated Williamson to excel? How did he get bullies to leave him alone in high school? How did he get the name *The Hammer*? Why did he study martial arts? Why did he write, produce and direct his own films? Why does he prefer to make independent films? Why did he create his own film production company? Why does he make films overseas? What three rules did he give to film producers who wanted to hire him? Read *The Hammer: An American Hero* to find the answers to these questions. If you are a fan of Mr. Williamson or Black cinema you'll enjoy

reading The Hammer: An American Hero.

Never back down - Saison 2 Laura E.L.,2017-12-07 #Boxe

#AttractionDangereuse Je suis Tobias Reed, le meilleur boxeur de Chicago, dit « The Devil » - mais je ne sais pas pourquoi je me présente, tout le monde me connaît. Enfin sorti de prison, je suis de retour en ville - et malheureusement aussi à l'université - et je compte bien de nouveau profiter pleinement de la vie, d'une vie de sueur et de débauche. Mais depuis que cette fille en apparence insignifiante m'est tombée dessus, je ne contrôle plus rien : une pulsion inconnue me pousse sans cesse vers elle. Et ça, je ne peux le supporter. Entre attraction et répulsion, l'intensité de leur relation va bientôt mettre Léonie et Tobias en danger... jusqu'à les pousser à commettre l'irréparable.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun.

Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.
