Revelation ,1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Jw Bible Gerald N Wright,2019-05-16 This book exposes the major anti-Christian and Cultic teachings that the Watchtower Society translators purposely, prejudicially and pervertedly placed into the Christian Bible in order to create their own Bible.

Truth in Translation Jason BeDuhn,2003 Truth in Translation is a critical study of Biblical translation, assessing the accuracy of nine English versions of the New Testament in wide use today. Revelations Elaine Pagels,2012-03-06 A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as the Jewish War, in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as Christians seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, *Revelations* explores how often those in power throughout history have sought to force God's enemies to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

Joseph Smith's New Translation of the Bible Kent P. Jackson,Scott H. Faulring,Robert J. Matthews,2004 This volume--the work of a lifetime--brings together all the Joseph Smith Translation manuscript in a remarkable and useful way. Now, for the first time, readers can take a careful look at the complete text, along with photos of several actual manuscript pages. The book contains a typographic transcription of all the original manuscripts, unedited and preserved exactly as dictated by the Prophet Joseph and recorded by his scribes. In addition, this volume features essays on the background, doctrinal contributions, and editorial procedures involved in the Joseph Smith Translation, as well as the history of the manuscripts since Joseph Smith's day.

The Jehovah's Witnesses' Bible Giuseppe Guarino,2023-01-06 The New World Translation (NWT) is the official translation of the Bible released by the Watch Tower, the Jehovah's Witnesses' Directive Body. The first English edition was presented to the public in 1950. The latest updated edition is the 2013's, now available online. This book will reveal the evident mistakes that make the NWT a unique literary case among the various attempts of translating the Bible. These mistakes are so many and so misleading on certain doctrines that one cannot help but

wonder if we are looking at a deliberate attempt to manipulate the text of the Scriptures. This the readers will judge by themselves.

New World Translation of the Holy Scriptures (Study Edition) (Matthew Through Acts) Watchtower Bible and Tract Society of New York, 2019-09-11 Volume 1

How to Escape from Jehovah's Witnesses Lloyd Evans, 2018-04-25 Jehovah's Witnesses number into the millions globally and are well known for their public evangelism about God's kingdom. But beneath the facade of brotherly love and organizational unity lies a captive organization in which doubts are stifled and dissent is ruthlessly crushed. Once a Witness stops believing, they face being ostracized as a loathed mentally diseased apostate. They must navigate a labyrinth of obstacles and dilemmas due to the organization's cruel policy of shunning former members. Lloyd Evans is a well known ex-Witness writer and activist, and in his second book he draws on his firsthand, insider knowledge as a former elder to guide would-be escapees through the minefield that awaits them. How should elders be dealt with? What resources are available for objective research? What should someone do if they are threatened with judicial action? What about coming clean to family members? How does someone go about rebuilding their social circle? What precautions should be taken to maintain privacy when browsing apostate material online? All these questions and more are answered in *How to Escape From Jehovah's Witnesses*, described by Paul Grundy of JWfacts.com as an invaluable tool in helping [former Witnesses] move on as efficiently and painlessly as possible.
