The Little Book of Newcastle United , 2003

The Newcastle United Story Paul Joannou, 1999

Newcastle United on This Day David Potter, 2013-09 The most memorable moments from the club's glorious past, mixed with quirky anecdotes and legendary characters, makes for an irresistibly dipppable diary of Magpies history, with an entry for every day of the year From the Victorian merger of Newcastle East End and Newcastle West End to within an ace of glory during the Premier League era, the St. James' Park faithful have witnessed the triumphs of the 1900s when three league titles were won, three FA Cup victories in the 1950s, and the heady European conquest of 1969, culminating against tough Hungarian opposition--all featured here. All-time great players including Peter McWilliam, Hughie Gallacher, Jackie Milburn, Malcolm Macdonald, Paul Gascoigne, and Alan Shearer loom larger than life, appearing alongside Tyneside heroes such as Joe Harvey, Bobby Robson, and Kevin Keegan.

The Little Book of Newcastle United CARLTON BOOKS, Michael Bolam, 2004-04-01

The Little Book of Newcastle United Ian Welch, 2007

Newcastle United's Worst Ever Players Peter Nuttall, 2017-09-25 They say that if you want to live a long and happy life, don't support Newcastle United. Have you cringed whilst watching the likes of Emmanuel Riviere and Luuk de Jong trying to justify at least part of their colossal wages? Have you sat scratching your head, wondering why Moussa Sissoko and Gabriel Obertan are having as much effect on the match as... well... Florian Thauvin and Amdy Faye? Have you found yourself waggling a finger in your ear because you can't believe what actually came out of Alan Pardew's mouth? Then this is

the book you've been waiting for! Join me as I lead you on a journey through another hall of shame littered with players who were paid far too much and gave the fans far too little in return. I'll answer questions such as 'What was Kenny Sansom's best moment in black and white', 'Who was the most 'Pardewed' player in the 2010s', 'How did Newcastle lose nine of their ten professional penalty shoot-outs' and 'How did Newcastle get someone to pay 30m for Moussa Sissoko' (actually, nobody knows the answer to that last question). If you need an antidote to the many times Newcastle United have ever let you down and made you think 'We'll laugh about this 7-3 defeat in a few years', then this book will go a long way to healing those wounds.

The Newcastle united F.C. story John Gibson, 1969

Newcastle United 1893-94 Season One Kenneth H Scott, 2021-11 Newcastle United enter the Football League as they accept an invitation to join the fledgling Second Division. So, for the first time League football arrived at St James's Park, welcome to Season ONE! Newcastle United Season One is the game-by-game account of that season, (1893-94), detailing of their 28 League games, the unlucky early exit from the FA Cup in the second round and their 16 friendlies too. Read all about the six-nil victory over Arsenal, the seven they put past Ironopolis and the four Tyne-Wear Derbies. If you're a fan of Newcastle United then this is a must have book for your library. If you're a fan of football in general then this book is an invaluable source of reference to the Football League Division 2, Season 1893-94, giving you the complete season listing and league tables.

Newcastle United's Greatest Ever Games Peter Nuttall, 2015-10-16 If you've supported Newcastle United long enough you will have experienced every single emotion that it is possible for a human being to feel. You'll know how it

feels to win 8-0 despite being bottom of the league and you'll know the delight of winning a game at Highbury, outplaying the opposition in the process. However, you'll also know the desolation of losing 7-3 with a team of 11 supposed internationals, the pain that is seeing Frank Pingel introduced as a second half substitute because he is better than what's already out there and you'll wince at the names of Graeme Fenton and Ronnie Radford which will tap directly into your nervous system and cause at least one, if not all, of your limbs to spasm. You'll have seen goals to grace the Maracana and mistakes to grace *You've Been Framed*. You'll have seen players from both ends of the spectrum on the same pitch at the same time and wonder how a player like Alan Shearer could have been in a position where he'd been asked to interact in some way with Albert Luque, Des Hamilton and Silvio Maric for the greater good. So come with me now as we take a look at some of the greatest and not-so-great games in this wonderful clubs glittering history.

Newcastle United Fifty Years of Hurt G. Clarke, 2007-09-01

Newcastle United's Worst Ever Players Peter Nuttall, 2012-10-01 Did Wayne Fereday ruin your life? Was Silvio Maric directly responsible for your high dentist bills due to the constant gnashing and grinding of your molars? Did Billy Askew's hair give you nightmares or did the merest mention of Alain Boumsong's name have the same effect as the aftermath of a Vindaloo? Then this is the book you've been waiting for. Relive all your least favourite Newcastle United moments by taking a journey back through the labyrinth of frustration, disillusionment and failure that is Newcastle United's worst ever players. Grimace, cringe and wince as you take a trip down the derelict end of memory lane, through a history of Newcastle United's most inept,

incompetent and overpaid exponents of the beautiful game. Players who panicked whenever the ball came within twenty yards of them, players who would struggle to make the bench for St. Joseph's School under 7's team and players who surprised you by managing to put their boots on the right feet. If you've ever watched a Newcastle United player and wondered how they managed to turn professional and you didn't; if you were left speechless as they were allowed to continue spreading their misery well into the second half or dumbfounded at the fact they'd managed to convince someone to pay them a wage to stumble around the field and offer nothing more to the cause than the corner flag, you'll find them all here.

Newcastle United Story John Gibson, 1985-08-01

Aunty Uncle Poems Gboyega Odubanjo, 2021-06 This is a documentation of all the aunts, uncles, cousins (by blood or by choice) for whom London has become home. Here we have arrived, or found ourselves - here we try to belong. 'With Aunty Uncle Poems, Gboyega Odubanjo cements himself as one of the most exciting poetry talents writing right now. These are poems filled with wit and vulnerability, and movement and musicality, that take us to church before we've even realised they've turned us into believers. Dancing around familial bonds, the streets of the inner city, and the music and conversation that soundtracks both, the poems are less a mediation and more a meditation on the connections that make us - if you're one of 'us' - who we are' - Bridget Minamore, author of Titanic (Out-Spoken Press) and co-founder of Critics of Colour.
