Inescapable Catherine Lievens,1901 Sed might be a god, but that doesn't mean he wants to live as one. That's why he left his family years ago, and why he's not looking forward to going back. The only reason he agrees is that as the protector of kingship, he's needed to help the new king go through his coronation ceremony. Once that's over, Sed has every intention of going home. Mery never wanted or expected to be king. But he's a descendant of the old pharaohs, and agreeing to sit on the throne means helping his family, so he doesn't hesitate. Being king isn't quite what he expected, though, and he suspects something is happening he doesn't know about. Once Sed gets to know Mery, he knows he can't just leave as soon as the crown is on his head. Someone is plotting and trying to manipulate Mery, and Sed can't abandon him when he needs him most. The fact that he's falling in love with Mery complicates everything. Mery is the new king, while Sed is a god, albeit a minor one. Will Sed be able to keep him safe, or will they both lose everything they'd never thought they'd have?

Guitar World Presents Nu-metal Jeff Kitts,Brad Tolinski,2002 Once again proving its indestructible, eternal appeal, metal is in yet another renaissance, be it the aggressive marriage of rap and metal or the expansive soundscapes of stoner rock. From the nightmarish theatrics and irresistible hooks of the 9-member band Slipknot to the buzz saw aggression of Korn to the anarchic party vibe of Limp Bizkit, metal continues to change with the times, picking up seemingly disparate styles and making them new again. Guitar World has never failed to offer the best coverage of this enduring and explosive scene, and the collected pieces here are a must for every metal fan.

The Dead Don't Dance John Enright,2023-08-29 A haunted island brings American Samoan culture to life—and interlopers to their deaths—in this mystery from the author of Fire Knife Dancing. After the devastating loss of a loved one, Det. Sgt. Apelu Soifua retreats to the island of Ofu. The isolation of his father's land—and drinking—bring a temporary peace to his shattered soul. His only friends are two national park workers and the local outcast who has lived in the bush for nearly twenty years—and who has to scared some palangi (Caucasian) surveyors away. But not for long . . . Attempting to heal at least part of his family—and himself—Apelu brings his oldest son, Sanele, to live with him. But their reunion is marred by the news that a company intends to build a resort hotel on the pristine To'aga beach. The locals know the island spirits have driven people away before—and they will again. When one of the developers is decapitated and his head goes missing, Apelu has a feeling that something has been awakened. And either human or supernatural, it won't stop until it gets what it wants . . . “A skillful, suspenseful novel.” —The Providence Journal “The author's lyrical and factual evocation of Samoa enriches every part of the book it touches. Story, writing style, character, and culture all combine in John Enright's Jungle Beat mysteries to form a series that I just can't recommend highly enough.” —Kittling: Books

Hearts in Harmony Trish Milburn,2020-05-22 Hearts in Harmony (Book 6) They're talented, good-looking and falling in love. Kang Hanuel is living the kind of life as a K-pop idol that most people can only dream of—one filled with wealth, fame and being able to do what he loves for a living. But there is one thing missing. Nu has watched his fellow members of K-pop group SBG find love and can't help but want that for himself. The road to true love hasn't been easy for his friends, but for him it's impossible. The hardest part of his yearning is that he's already in love with his best friend, but it's a love neither of them can acknowledge. Lee Yeong was born with a golden spoon in his mouth, the son of one of the richest families in Korea. But all that money couldn't buy LeYe any happiness. Only leaving it and his cold parents behind to become a K-pop trainee allowed him to finally have people in his life who truly cared about him. For the first time he had brothers and a best friend in Nu. Gradually that friendship turned into something more for both him and Nu. Perhaps the cruelest punishment fate was capable of doling out was to have the person you love right next to you all the time but not be able to indulge that love. But they both know that if they do, it's the end of their careers and perhaps of SBG as a whole, not to mention their parents' reactions. When LeYe is forced by his parents to leave SBG, work in the family's company and accept an engagement to a woman he knows he can never love in order to protect Nu and his family, his heart breaks. But Nu isn't letting him go that easily, even if it means letting the entire world know how much he loves LeYe.
