Jacob is whisked away to a different world called Erom, full of royalty, mythical creatures, and magic. He suddenly finds himself brought into a journey to free the world from the control of a tyrant. Along the way, Jacob makes both friends and foes, battling for his life. But will his quest succeed? Truths are revealed, friends are lost, and Jacob’s life is changed forever in the first installment of The Prince Trilogy: Jacob’s Quest.

Yogi Jon Pessah,2020-04-14 Discover the definitive biography of Yogi Berra, the New York Yankees icon, winner of 10 World Series championships, and the most-quoted player in baseball history. Lawrence Yogi Berra was never supposed to become a major league ballplayer. That's what his immigrant father told him. That's what Branch Rickey told him, too—right to Berra's face, in fact. Even the lowly St. Louis Browns of his youth said he'd never make it in the big leagues. Yet baseball was his lifeblood. It was the only thing he ever cared about. Heck, it was the only thing he ever thought about. Berra couldn't allow a constant stream of ridicule about his appearance, taunts about his speech, and scorn about his perceived lack of intelligence to keep him from becoming one of the best to ever play the game—at a position requiring the very skills he was told he did not have. Drawing on more than one hundred interviews and four years of reporting, Jon Pessah delivers a transformational portrait of how Berra handled his hard-earned success—on and off the playing field—as well as his failures; how the man who insisted I really didn't say everything I said! nonetheless shaped decades of America's culture; and how Berra's humility and grace redefined what it truly means to be a star. Overshadowed on the field by Joe DiMaggio early in his career and later by a youthful Mickey Mantle, Berra emerges as not only the best loved Yankee but one of the most appealingly simple, innately complex, and universally admired men in all of America.

**The Men In My Life** Lynette Grayson,2020-10-08 This is a story about the men in my life, drugs, sex, and rape ... and how I have overcome it all. God kept me through it all!

**The Game** Jon Pessah,2015-05-05 The incredible inside story of power, money, and baseball's last twenty years In the fall of 1992, America's National Pastime is in crisis and already on the path to the unthinkable: cancelling a World Series for the first time in history. The owners are at war with each other, their decades-long battle with the players has turned America against both sides, and the players' growing addiction to steroids will threaten the game's very foundation. It is a tipping point for baseball, a crucial moment in the game's history that catalyzes a struggle for power by three strong-willed men: Commissioner Bud Selig, Yankees owner George Steinbrenner, and union leader Don Fehr. It's their uneasy alliance at the end of decades of struggle that pulls the game back from the brink and turns it into a money-making powerhouse that enriches them all. This is the real story of baseball, played out against a tableau of stunning athletic feats, high-stakes public battles, and backroom political deals--with a supporting cast that includes Barry Bonds and Mark McGwire, Joe Torre and Derek Jeter, George Bush and George Mitchell, and many more. Drawing from hundreds of extensive, exclusive interviews throughout baseball, The Game is a stunning achievement: a rigorously reported book and the must-read, fly-on-the-wall, definitive account of how an enormous struggle for power turns disaster into baseball's Golden Age.

**הגדה של פסח** Arthur M. Silver,1980

**In Every Generation** Sidney Greenberg,Pamela Roth,1998 A treasury of Inspiration for Passover and the Seder.

*Pessach-Haggadah* Ulf Haxen,1989

All About Passover Judyth Groner,Madeline Wikler,2014-01-01 Features the history and customs of Passover, including the story of the Exodus, all about chametz and matzah, the tradition of tzedakah at Passover, and an introduction to the seder. Includes favorite recipes.

**The Book of Passover** Benjamin Blech,2005 There is no more important holiday for the Jewish family than Passover. During this celebration families mark the glorious freedom and exodus of Israelites through traditional meals and storytelling. In this elegant and unique gift book, followers and friends can capture their recollections and pass them down to future generations. The Book of Passover offers traditions, songs and recipes to help create a keepsake to be cherished year after year.

**The Passover Plot** Hugh J. Schonfield,2021-12-16 This is the new official Schonfield Trust edition of the Passover Plot which is probably one of the most controversial books on the role of Jesus the Messiah. Yet to say that, might detract from its scholarly attention to detail and its furnishing of new insights into the character of the Man who changed the world so radically. Thus it is a ‘must read’ for who are seeking a better understanding. Schonfield’s aim in life was to build a bridge between peoples and he hoped that by digging into the facts behind the origins of Christianity, he would be able to uncover the real Messiah, misrepresented

since time immemorial. His sincere desire was that this understanding would bring together those who had so long been divided. Whilst his thesis that Jesus plotted his own crucifixion may seem far-fetched or even offensive at first, seen in the light of John’s Gospel and the thinking of the times it provides food for thought to those with an open mind.

**הגדה** Marc-Alain Ouaknin,Gérard Garouste,2001 The Haggadah's rhythm of songs and questions is a meditation on freedom. It is of central importance to the Jewish faith and is one of the Hebraic texts that has been discussed and recreated the most often. But Haggadah is more than a book, it is also a practical guide that follows the order of the Seder ceremony. This edition includes all the instructions and English and Hebrew text necessary to carry out a successful celebration in the traditional atmosphere of the event and invites celebrants to challenge their intelligence, taste and spirituality.

**Raquela's Seder** Joel Edward Stein,2022-02-01 Raquela yearns to celebrate a Passover seder, but Inquisition-era Spain is a time when Jews must hide their religion. Under the rising moon, her clever papa, the best fisherman in town, creates a unique celebration for his family. In his fishing boat on the sea, far from prying eyes, they celebrate Raquela’s first seder with matzah and the Passover story.
