They Came to Bowl Doug Schmidt,2007 In this authoritative and lively book, Doug Schmidt traces bowling's roots from a German religious rite centuries ago to the sport that made Milwaukee famous. From the taverns and saloons that housed recreational games to the sell-out crowds and million-dollar beer sponsorships of televised tournaments, this well-illustrated book covers both sport and city, charting the changing face of bowling over the century. Packed with memorable showdowns and improbable heroes, *They Came to Bowl* will take you back to the changing lanes of bowling in Milwaukee -- and the sport as a whole.

Cyberpl@y Brenda Danet,2020-05-28 The Internet is changing the way we communicate. As a cross between letter-writing and conversation, email has altered traditional letter-writing conventions. Websites and chat rooms have made visual aspects of written communication of greater

importance, arguably, than ever before. New communication codes continue to evolve with unprecedented speed. This book explores playfulness and artfulness in digital writing and communication and answers penetrating questions about this new medium. Under what conditions do old letter-writing norms continue to be important, even in email? Digital greetings are changing the way we celebrate special occasions and public holidays, but will they take the place of paper postcards and greeting cards? The author also looks at how new art forms, such as virtual theatre, ASCII art, and digital folk art on IRC, are flourishing, and how many people collect and display digital fonts on handsome Websites, or even design their own. Intended as a time capsule documenting developments online in the mid- to late 1990s, when the Internet became a mass medium, this book treats the computer as an expressive instrument fostering new forms of creativity and popular culture.

The Oh She Glows Cookbook Angela Liddon, 2014-03-04 The New York Times bestseller from the founder of Oh She Glows Angela Liddon knows that great cooks depend on fresh ingredients. You'll crave every recipe in this awesome cookbook! —Isa Chandra Moskowitz, author of *Isa Does It So Many Things I Want to Make!* This is a book you'll want on the shelf. —Sara Forte, author of *The Sprouted Kitchen* A self-trained chef and food photographer, Angela Liddon has spent years perfecting the art of plant-based cooking, creating inventive and delicious recipes that have brought her devoted fans from all over the world. After struggling with an eating disorder for a decade, Angela vowed to change her diet — and her life — once and for all. She traded the low-calorie, processed food she'd been living on for whole, nutrient-packed vegetables, fruits, nuts, whole grains, and more. The result? Her energy soared, she healed her relationship with food, and she got her glow back, both inside and out. Eager to share her realization that the food we put into our bodies has a huge impact on how we look and feel each day, Angela started a blog, ohsheglows.com, which is now an Internet sensation and one of the most popular vegan recipe blogs on the web. This is Angela's long-awaited debut cookbook, with a treasure trove of more than 100 mouthwatering, wholesome recipes — from revamped classics that even meat-eaters will love, to fresh and inventive dishes — all packed with flavor. The *Oh She Glows Cookbook* also includes many allergy-friendly recipes — with more than 90 gluten-free recipes — and many recipes free of soy, nuts, sugar, and grains, too! Whether you are a vegan, vegan-curious, or you simply want to eat delicious food that just happens to be healthy, too, this cookbook is a must-have for anyone who longs to eat well, feel great, and simply glow!

The Pack Nikki O'Neill, 2006-11 Fifteen-year-old Erin Angelica Delessandri is a typical high school cheerleader except for one thing: in addition to the normal pressures of being a teenager, she is a child living in an alcoholic family. At home, she's the target of her father's alcoholic rage and is always on edge, never knowing when the yelling will start. Her father's harsh treatment also leads Erin to harbor the vague notion that she's irresponsible and worthless. At school Erin gets caught up in the party scene with a crew called The Pack. She becomes romantically involved with an older Pack member named Dwane. After Dwane is accused of a gang-related murder, Erin's brother Joey, who is also a member of The Pack, forbids Erin from seeing Dwane. But the evidence suggests that it's Joey, not Dwane, who pulled the trigger. While the drama unfolds at school, Erin's family disintegrates before her eyes. Her mom, upset at the prospect of a failed marriage, becomes depressed and withdrawn. And Erin's little sisters share a secret—a killer secret that must be exposed and dealt with before someone dies.

"I could not be more excited about this book."—Jenna Fischer, actor and cohost of the *Office Ladies* podcast The chorus of "shoulds" is loud. You should enjoy the moment, dream big, have it all, get up before the sun, track your water consumption, go on date nights, and be the best. It's so easy to feel overwhelmed by the mixed messages of what it means to live well. Kendra Adachi, the creator of the Lazy Genius movement, invites you to live well by your own definition and equips you to be a genius about what matters and lazy about what

doesn't. Everything from your morning routine to napping without guilt falls into place with Kendra's thirteen Lazy Genius principles, including: • Decide once • Start small • Ask the Magic Question • Go in the right order • Schedule rest Discover a better way to approach your relationships, work, and piles of mail. Catching Shrimp with Bare Hands Michelle Robin La,2015-01-31 Catching Shrimp with Bare Hands is the true story of Luong La, a boy growing up in the Mekong Delta in the midst of the Vietnam War. When the 1968 Tet Offensive forces Luong's family to flee the countryside, his mother continues to travel back and forth to their island farm despite threats from the Viet Cong and nearby firefights. Out on their farm in the middle of the Mekong River, Luong wants to catch fish and slingshot birds, but Viet Cong, called mysterious misters by the villagers, stop by his family's hut and stay. The frog dies because of its big mouth, his mother warns. The mysterious misters behead a neighbor, and Luong's aunt goes missing. Luong plans to join the Army as soon as he's old enough to fight, but the war ends before he has a chance. Communism descends, pulling him back in time to a land without electricity or fuel where his family has to hide the books that haven't already been burned. Propaganda that kneads their skulls, neighbors spying on each other, and the threat of starvation drive Luong to escalating acts of defiance. About to get caught by the authorities, he drops out of school to help his family build a boat to escape.
