Digital Culture & Society (DCS) Ramón Reichert,Annika Richterich,Pablo Abend,Mathias Fuchs,Karin Wenz,2016-12-31 »Digital Culture & Society« is a refereed, international journal, fostering discussion about the ways in which digital technologies, platforms and applications reconfigure daily lives and practices. It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches, contemporary theory developments and methodological innovation. The third issue »Politics of Big Data« edited by Mark Coté, Paolo Gerbaudo, and Jennifer Pybus, critically examines the political and economic dimensions of Big Data and thus details its contestation. The contributions focus on the materialities and processes which manifest Big Data and explore forms of value beyond the state and capital. These range from open data initiatives, social media metrics, machine learning algorithms, data visualisation to data dashboards, critical data analysis, and new modes of data action research and practice.

In an age of distraction and overwhelm, finding the words to meaningfully pray for our children--and for our journey as parents--can feel impossible. Written with warmth and welcome, *To Light Their Way* gives voice to your prayers when words won't come. Filled with more than 100 modern liturgies, this book guides you into an intentional conversation with God for your children and the world they live in. At the core of *To Light Their Way* is the deepest of prayers: that our children will experience the love of God so deeply that their lives will be an outpouring of love that lights up the world.

The Vicar's Secret Wallpaper: Moments, Meanderings and Meaning in Christian Ministry Malcolm Nicholas,2016-03-03 Drawing on almost 30 years ministry in varied settings, these pastoral tales reveal the humour, emotions, deep spiritual encounters & sudden surprises, that make up the 'secret wallpaper' of a minister's life. Each story is accompanied by a theological reflection designed both to inform & to stimulate, the reader's own thoughts. It is particularly recommended for: * those seeking encouragement & inspiration in their own Christian pilgrimage * ministers & would-be ministers, of any Christian tradition * churchwardens and similar officers * any who would like to understand their clergy/ministers a little better. Called away from a white-coated scientific career, the author describes happy, sad, surreal & divine encounters in parish life, largely outside the confines of the church. It reflects on experience in hospital, housing estate, commuter belt and rural settings, and tackles current issues, including aggressive atheism, same-sex marriage, and some worrying trends in today's church.

The Bloomsbury Handbook to Studying Christians George D. Chryssides,Stephen E. Gregg,2019-11-14 Drawing on a range of methodologies, editors George D. Chryssides and Stephen E. Gregg shift attention from normative textual and doctrinal matters to issues of materiality and everyday life in Christianity. Clearly organised to help users quickly locate key information and analysis, the book includes an A to Z of key terms, extensive guides to further resources, a comprehensive bibliography and a chronology of landmark events, making it a unique resource to upper-level students and researchers.

Journey through Jerusalem with No Hands Janet Penney,2013-11 Through a traumatizing event, both of my wrists were completely shattered-with just three weeks left before I was to board a jumbo jet and fly across the world to Israel. Would I still go? The invitation had been given, with all expenses divinely paid. Surely I could not go the distance alone in this broken condition. Destiny called my name, and I had to answer. Despite every obstacle that stood in my way, I embarked on a remarkable journey through Jerusalem with no hands. This story chronicles a concentrated snapshot of two consecutive years of my life. It encompasses the time just before I went to Israel, all that transpired while I was there, and more life-changing events that occurred after my return. The holistic healing of my spirit, soul, and body is nothing short of a miracle.

I Was Born This Way, How about You? Doug Green,2010 In this book, Doug Green shares his seventy year search for identity, acceptance and legitimacy. Since before he took his first steps, inner commands compelled him to follow his nature, often not in synch with parental and societal expectations. Guidelines available in 1939 didn't cover people who were different. Exceptions were viewed as aberrations, as queer. Life, for an effeminate child, then a gay adolescent and young adult, was filled with rejection, disapproval, hostility and derision. Posing as straight was a transparent lie and increased stress. There was no escape.

A Wing and a Prayer Lyn Andrews,2010-06-24 She's seen enough of selfish and violent men to doubt she'll ever marry - but one man might change her mind... Lyn Andrews' A Wing and a Prayer is a compelling saga of Liverpool life in the early twentieth century for one troubled family. Perfect for fans of Anne Baker, Dilly Court and Annie Murray. For Mary Callaghan marriage has brought heartaches and disappointment. But with it have come joys, the greatest of which are her daughters, Daisy and Nell. Mary longs for them to have the one thing denied to her - a husband who will offer them kindness, security and love. But when Daisy confesses she's pregnant, the future looks grim, for the father's a rough, pleasure-loving man. As Nell watches her sister sink into bitter poverty, and as the world around her grows more uncertain, with war more likely by the day, risking all for love seems to Nell a foolish game... What readers are saying about A Wing and a Prayer: 'Just couldn't put this down, a brilliant story by a wonderful author... her imagination is certainly a gift' 'Lyn Andrews writes from the heart'

And the Clouds Took It Along... Taman Itza,2000 Rudi Vernoff is a young refugee, fleeing Poland with his mother as the Second World War ends and the Russian Army sweeps across Eastern Europe. They find temporary refuge in Austria, where Rudi's beautiful and narcissistic mother finds lonely officers, and a means of survival. Her legacy to Rudi, her classically handsome son, is loneliness and longing, and a desperate need for love, and stability. At seventeen, he finds both in a deeply loving and sensual affair with a young American captain -- and learns that much of the world conspires against such a love. Intrigue forces them apart. Rudi is once more abandoned. But he is wiser now, and aware of the power of his physical beauty. He knows that seduction can bring what he desires most in life: love, beauty, and wealth. But Rudi is also tormented by visions and by voices. Perhaps of lives he has lived. Perhaps of lives of others who must speak to him. The message of his visions, of a life with purpose and true love, vie with his desperate need for any love, any stability-and the life of deceit that need forces upon him. Fate brings to Rudi both poverty and riches, loneliness and love, and the understanding that his beautiful body is only a shell that will one day be empty of dreams and of longing; his soul, and a deep and final love, will outlive worlds.

FAITH Not Fear: When It's God's Plan, You Win Christine Keller,2021-02-08 Throughout her motherhood journey, Christine Keller experienced numerous tragedies that could have understandably triggered an abandoning of her faith. But that is not what happened. Quite the opposite in fact. Working through the tragedies fueled her faith and propelled her toward a deeply personal relationship with Jesus. Christine was reminded time and again that when God is in control there is no need to fear but all the reasons for faith. FAITH Not Fear is a tale of overcoming great fear and learning to walk in abiding faith and peace. Christine reveals the horrors of her plunges into the dark pits of terror, rage, and desperation, but she also describes mountaintops marked by joyful singing and dancing. The struggle is real but so is the hope. This is not a book about blind faith or quick fixes-it is a book about God's faithfulness. Written to reassure Christians living in this scary time, FAITH, Not Fear encourages reaching out to Jesus through both the good times and the hard times. Readers will laugh and cry as they see how God is truly working all things together for good, and they will learn that he is worthy of their faith and trust.

Radiant Shimmering Light Sarah Selecky,2018-12-04 A nuanced satire--both hilarious and disconcerting--that probes the blurred lines between empowerment, spirituality, and consumerism in our online lives. Lilian Quick is 40, single, and childless, working as a pet portrait artist. She paints the colored light only she can see, but animal aura portraits are a niche market at best. She's working hard to build her brand on social media and struggling to pay the rent. Her estranged cousin has become internet-famous as Eleven Novak, the face of a massive feminine lifestyle empowerment brand, and when Eleven comes to town on tour, the two women reconnect. Despite twenty years of unexplained silence, Eleven offers Lilian a place at The Temple, her Manhattan office. Lilian accepts, moves to New York, and quickly enrolls in The Ascendency, Eleven's signature program: an expensive, three-month training seminar on leadership, spiritual awakening, and marketing. Eleven is going to help her cousin become her best self: confident, affluent, and self-actualized. In just three months, Lilian's life changes drastically: She learns how to break her negative thought patterns, achieves financial solvency, grows an active and engaged online following, and builds authentic friendships. She finally feels seen for who she really is. Success! . . . But can Lilian trust everything Eleven says? This compelling, heartfelt satire asks us: How do we recognize authenticity when storytelling and magic have been co-opted by marketing?
