Kremos Jerry Carr,Niso Ramponi,2015-12-21 (PREMIUM EDITION) He worked under numerous names-- Kremos, Niso, Nys O'Ramp--but he occupies a singular space as Italy's cartooning Casanova, and he finally gets his due in this new two-volume set from Lost Art Books. From the mid-1940s through the early 1960s, Niso Ramponi's work was everywhere, from collaborating with friend Federico Fellini in Italy's animation industry to drawing newspaper strips to creating movie posters for Walt Disney. Ramponi made his name, however, in Italy's weekly satire magazines, for which he drew some of the world's prettiest good girl gag cartoons and covers for over a decade. Volume 1 collects over 200 of Kremos' bodacious black & white cartoons and illustrations, while Volume 2 adds 250 of his curvaceous color comics and covers to the set. Combined, these volumes offer a comprehensive overview of the maverick artist when he was at the height of his powers.

The Perfume Thief Timothy Schaffert,2021-08-03 A stylish, sexy page-turner set in Paris on the eve of World War II, where Clementine, a queer American ex-pat and notorious thief, is drawn out of retirement and into one last scam when the Nazis invade. A hint of Moulin Rouge, a whiff of Kristin Hannah's The Nightingale, a little spritz of Hitchcock's To Catch a Thief... The Perfume Thief is a pulse-pounding thriller and a sensuous

experience you'll want to savor.—Oprah Daily [A] superb novel ... This is historical fiction at its finest, vivid and beautifully rendered. —Emily St. John Mandel, author of The Sea of Tranquility Clementine is a seventy-two year-old reformed con artist with a penchant for impeccably tailored suits. Her life of crime has led her from the uber-wealthy perfume junkies of belle epoque Manhattan, to the scented butterflies of Costa Rica, to the spice markets of Marrakech, and finally the bordellos of Paris, where she settles down in 1930 and opens a shop bottling her favorite extracts for the ladies of the cabarets. Now it's 1941 and Clem's favorite haunt, Madame Boulette's, is crawling with Nazis, while Clem's people--the outsiders, the artists, and the hustlers who used to call it home--are disappearing. Clem's first instinct is to go to ground--it's a frigid Paris winter and she's too old to put up a fight. But when the cabaret's prize songbird, Zoe St. Angel, recruits Clem to steal the recipe book of a now-missing famous Parisian perfumer, she can't say no. Her mark is Oskar Voss, a Francophile Nazi bureaucrat, who wants the book and Clem's expertise to himself. Hoping to buy the time and trust she needs to pull off her scheme, Clem settles on a novel strategy: Telling Voss the truth about the life and loves she came to Paris to escape. Complete with romance, espionage, champagne towers, and haute couture, this full-tilt sensory experience is a dazzling portrait of the underground resistance of twentieth-century Paris and a passionate love letter to the power of beauty and community in the face of insidious hate.

  Dark Passage David Goodis,1999 After successful plastic surgery on his face, a man wrongly convicted of murder hides out in an apartment in San Francisco. Tension builds in this tale of a fugitive hiding from the law as he feverishly

Can I Go Now? Brian Kellow,2015-09-08 "To call Sue Mengers a 'character' is an understatement, unless the word is written in all-caps, followed by an exclamation point and modified by an expletive. And based on Brian Kellow's assessment in his thoroughly researched Can I Go Now? even that description may be playing down her personality a bit." —Jen Chaney, The Washington Post • A NY Times Culture Bestseller • An Entertainment Weekly Best Pop Culture Book of 2015 • A Booklist Top Ten Arts Book of 2015 • A lively and colorful biography of Hollywood's first superagent—one of the most outrageous showbiz characters of the 1960s and 1970s whose clients included Barbra Streisand, Ryan O'Neal, Faye Dunaway, Michael Caine, and Candice Bergen Before Sue Mengers hit the scene in the mid-1960s, talent agents remained quietly in the background. But staying in the background was not possible for Mengers. Irrepressible and loaded with chutzpah, she became a driving force of Creative Management Associates (which later became ICM) handling the era's preeminent stars. A true original with a gift for making the biggest stars in Hollywood listen to hard truths about their careers and personal lives, Mengers became a force to be reckoned with. Her salesmanship never stopped. In 1979, she was on a plane that was commandeered by a hijacker, who wanted Charlton Heston to deliver

a message on television. Mengers was incensed, wondering why the hijacker wanted Heston, when she could get him Barbra Streisand. Acclaimed biographer Brian Kellow spins an irresistible tale, exhaustively researched and filled with anecdotes about and interviews more than two hundred show-business luminaries. A riveting biography of a powerful woman that charts show business as it evolved from New York City in the 1950s through Hollywood in the early 1980s, Can I Go Now? will mesmerize anyone who loves cinema's most fruitful period.
