Rock Slope Engineering Evert Hoek,Jonathan D. Bray,1981-06-30 This classic handbook deals with the geotechnical problems of rock slope design. It has been written for the non-specialist mining or

civil engineer, with worked examples, design charts, coverage of more detailed analytical methods, and of the collection and interpretation of geological and groundwater information and tests for the mechanical properties of rock.

McGraw-Hill's Dictionary of American Slang and Colloquial Expressions Richard A. Spears, 2005-10-14 More bling for the buck! The #1 guide to American slang is now bigger, more up-to-date, and easier to use This new edition of McGraw-Hill's Dictionary of American Slang and Colloquial Expressions offers complete definitions of more than 12,000 slang and informal expressions from various sources, ranging from golden oldies such as . . . golden oldie, to recent coinages like shizzle (gangsta), jonx (Wall Street), and ping (the Internet). Each entry is followed by examples illustrating how an expression is used in everyday conversation and, where necessary, International Phonetic Alphabet pronunciations are given, as well as cautionary notes for crude, inflammatory, or taboo expressions. This edition also features a fascinating introduction on "What is Slang?," a Thematic Index that cross-references expressions by standard terms--such as Angry, Drunk, Food, Good-bye, Mess-up, Money, and Stupidity--and a Hidden Word Index that lets you identify and locate even partially remembered expressions and phrases.

Primitive Love and Love-stories Henry T. Finck, 1899

Billboard , 2011-01-08 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Nomad Emma Reddington, 2019-10-25 A reclusive designer living in a custom tiny house in the middle of the Montana wilderness. A couple who traded their expensive Bay Area apartment for a slip

at a nearby marina, where they live on a docked sailboat. A family of five who decided to simplify their lives by moving into a school bus, selling most of their possessions in the process. Nomad features their stories, and many more. From vanlifers to boondockers, liveaboards to tiny-house dwellers, these freedom seekers have forged a new way of life for themselves—one that values experiences over things, is environmentally conscious, and is often more budget-friendly than their “rooted” lives ever were. The ubiquity of the internet has ushered in a new era of connectivity that makes working from an Airstream beside a roaring river or running a photography business from a mountaintop a reality. It’s now possible to do whatever you want from wherever you want and still have a foothold in the world. This book shows you how, with tours of 26 unconventional homes and the people who live in them, plus all the information you need to make your own off-the-grid dream a reality. There are chapters on bathroom and storage—two of the most challenging aspects of this lifestyle—plus a comprehensive guide to finding the right home, assessing the cost of renovation, handy products for small spaces, and indispensable resources (including sources for replacement RV parts, portable power solutions, tiny wood stoves, and much more).

Moldavite Robert Simmons, Kathy Warner, 1988

I Got Something to Say Matthew Oware, 2018-07-11 What do millennial rappers in the United States say in their music? This timely and compelling book answers this question by decoding the lyrics of over 700 songs from contemporary rap artists. Using innovative research techniques, Matthew Oware reveals how emcees perpetuate and challenge gendered and racialized constructions of masculinity, femininity, and sexuality. Male and female artists litter their rhymes with misogynistic and violent imagery. However, men also express a full range of emotions, from arrogance to vulnerability, conveying a more complex manhood than previously acknowledged. Women

emphatically state their desires while embracing a more feminist approach. Even LGBTQ artists stake their claim and express their sexuality without fear. Finally, in the age of Black Lives Matter and the presidency of Donald J. Trump, emcees forcefully politicize their music. Although complicated and contradictory in many ways, rap remains a powerful medium for social commentary.

Historical Dictionary of American Slang Jonathan E. Lighter, 2007-07-01

Explorations Into Urban Structure Melvin M. Webber, 1971 Six students of metropolitan development present a reappraisal and fresh approaches to the analysis of urban systems. Drawing on economics, sociology, political science, geography, and city planning, they reconceptualize urban structure and function, refocusing attention from the forms of population density to the processes of human interaction.

ROCKO GOIN STEADY FT. PLIES Book Review: Unveiling the Magic of Language
