BollySwar: 2001 - 2010 Param Arunachalam, BollySwar is a decade-wise compendium of information about the music of Hindi films. Volume 8 chronicles the Hindi film music of the decade between 2001 and 2010. This volume catalogues more than 1000 films and 8000 songs, involving more than 2000 music directors, lyricists and singers. An overview of the decade highlights the key artists of the decade - music directors, lyricists and singers - and discusses the emerging trends in Hindi film music. A yearly review provides listings of the year's top artists and songs and describes the key milestones of the year in Hindi film music. The bulk of the book provides the song listing of every Hindi film album released in the decade. Basic information about each film's cast and crew is provided and detailed music credits are provided. Where available, music credits go beyond information regarding music directors, lyricists and singers, and include the names of session musicians, assistants, programmers, arrangers, mixers, recordists, etc. Where applicable, music related awards are listed. Interesting trivia is listed for most films, more than 1500 in all. This includes information about artist debuts, plagiarised or sampled songs, controversies and stories behind the making of the film and its music. This book is primarily meant as a quick reference for people looking for information related to a Hindi film or a song, but readers can also browse through the book to get an overview of the events that shaped Bollywood music in the decade. Given that Hindi films are a reflection of the Indian society, the reader can also glean insights about the country's socio-political and cultural environment from the book.

Bollywood Tejaswini Ganti,2013 'Bollywood' is the dominant global term to refer to the prolific Hindi language film industry in Bombay (renamed Mumbai in 1995). Characterised by music, dance routines, melodrama, lavish production values and an emphasis on stars and spectacle, Bollywood films have met with box-office success and enthusiastic audiences from India to West Africa to Russia, and throughout the English-speaking world. In Bollywood, anthropologist and film scholar Tejaswini Ganti provides a guide to the cultural, social and political significance of Hindi cinema, outlining the history and structure of the Bombay film industry, and the development of popular Hindi filmmaking since the 1930s. Providing information and commentary on the key players in Bollywood, including directors and stars, as well as material from current filmmakers themselves, the areas covered in Bollywood include: history of Indian cinema narrative style, main themes, and key genres of Hindi cinema significant films, directors and stars production and distribution of Bollywood films interviews with actors, directors and screenwriters.

Bollywood's India Rachel Dwyer,2014-06-15 Bollywood movies have long been known for their colorful song-and-dance numbers and knack for combining drama, comedy, action-adventure, and music. But these exciting and often amusing films rarely reflect the reality of life on the Indian subcontinent. Exploring the nature of mainstream Hindi cinema, the strikingly illustrated *Bollywood's India* examines its nonrealistic depictions of everyday life in India and what it reveals about Indian society. Showing how escapism and entertainment function in Bollywood cinema, Rachel Dwyer argues that Hindi cinema's interpretations of India over the last two decades are a reliable guide to understanding the nation's changing hopes and dreams. She looks at the ways Bollywood has imagined and portrayed the unity and diversity of the country—what it believes and feels, as well as life at home and in public. Using Dwyer's two decades spent working with filmmakers and discussing movies with critics and moviegoers,*Bollywood's India* is an illuminating look at Hindi cinema.

The Handbook of Religion and Communication Yoel Cohen,Paul Soukup,2023-03-01 Provides a contemporary view of the intertwined relationship of communication and religion The Handbook on Religion and Communication presents a detailed investigation of the complex interaction between media and religion, offering diverse perspectives on how both traditional and new media sources continue to impact religious belief and practice across multiple faiths around the globe. Contributions from leading international scholars address key themes such as the changing role of religious authority in the digital age, the role of media in cultural shifts away from religious institutions, and the ways modern technologies have transformed how religion is communicated and portrayed. Divided into five parts, the Handbook opens with a state-of-the-art overview of the subject's intellectual landscape, introducing the historical background, theoretical foundations, and major academic approaches to communication, media, and religion. Subsequent sections focus on institutional and functional perspectives, theological and cultural approaches, and new approaches in digital technologies. The essays provide insight into a wide range of topics, including religious use of media, religious identity, audience gratification, religious broadcasting, religious content in entertainment, films and religion, news reporting about religion, race and gender, the sex-religion matrix, religious crisis communication, public relations and advertising, televangelism, pastoral ministry, death and the media, online religion, future directions in religious communication, and more. Explores the increasing role of media in creating religious identity and communicating religious experience Discusses the development and evolution of the communication practices of various religious bodies Covers all major media sources including radio, television, film, press, digital online content, and social media platforms Presents key empirical research, real-world case studies, and illustrative examples throughout Encompasses a variety of perspectives, including individual and institutional actors, academic and theoretical areas, and different forms of communication media Explores media and religion in Judeo-Christian traditions, Islam, Buddhism, Hinduism, religions of Africa, Atheism, and others The Handbook on Religion and Communication is an essential resource for scholars, academic researchers, practical theologians, seminarians, and undergraduate and graduate students taking courses on media and religion.

Rajesh Khanna Yasser Usman, 2014-12-05 The untold story of Hindi cinema's first superstar Obsessed female fans routinely sent him love letters written in blood. Hysterical crowds camped outside his house to catch a glimpse of the superstar. And the frenzy unleashed by his public appearances was enough to give law-enforcers a nightmare. In the 1970s, Rajesh Khanna achieved the kind of fame that no film star had ever experienced before—or has since. But having climbed to the pinnacle of success, he then saw it all vanish. And through it all, he remained a fighter till the very end. In this riveting biography, journalist Yasser Usman examines Rajesh Khanna's dramatic, colourful life in its entirety: from little-known facts about his childhood to the low-down on his relationships and rivalries, from his ambitious hopes to his deep-seated insecurities. What emerges is a tantalizingly written, meticulously researched chronicle of a fascinating and mercurial man—one who was both loved and feared by those closest to him. It is a story that encapsulates the glittering, seductive, cut-throat world of Bollywood at its best and its worst.

Figurations in Indian Film Meheli Sen, Anustup Basu, 2013-10-21 This volume brings together a series of essays that interrogate the notion of figuration in Indian cinemas. The essays collectively argue that the figures which exhibit maximum tenacity in Indian cinema often emerge in the interface of recognizable binaries: self/other, Indian/foreign, good/bad, virtue/vice, myth/reality and urban/rural.

Bollywood and Postmodernism Neelam Sidhar Wright, 2015-06-24 Applying postmodern concepts and locating postmodern motifs in key commercial Hindi films, this innovative study reveals how Indian cinema has changed in the 21st century.

Literature, Integration and Harmony in Northern Nigeria Abdulraheem, Hamzat I., Aliyu, Saeedat, 2018-03-19 This book explores from various perspectives how the literature of the northern region of Nigeria has promoted the ideology of integration and societal resurgence. Through the diverse cultural productions from this very heterogenous socio-political region, researchers have dissected the portrayals and characterisations of ideologies which foster harmony among the people who speak a multitude of languages and have an array of cultural practices. These contributions bring to the fore the multiple roles that both indigenous literary productions and those adapted from foreign elements have played in realising social and cultural integration and advancing collective values of the people of Northern Nigeria. This collection of essays is the result of a selection of scholarly contributions to two national conferences on Literature on Northern Nigeria held at the Kwara State University, Malete in 2015 and 2016.

Once Upon a Time in India Bhawana Somaaya, 2016-12-08 If you are a Hindi-movie buff, karva chauth immediately brings to mind DDLJ, and Easter probably reminds you of Anthony Gonsalves. Take a trip down the memory lane with this beautifully conceived celebration of Indian cinema, which contains its century-long history in a fun capsule, and includes fascinating facts and milestones. Once Upon a Time in India will be your constant companion through the weeks of the coming year, with its attractive diary pages featuring iconic dialogues and fun trivia. Like the timelessness of Indian cinema, the fifty-three full-page original illustrations in Bollywood poster art style—depicting some of the most memorable scenes from your favourite films—make this a volume to treasure even when the year is over.

Eighteen and Wiser Vibha Batra, 2014-04-15 Join Rinki and the wolf pack in the most exciting year of their lives She has dreamed of it, longed for it, cried for it. And now Rinki Tripathi is finally eighteen! But, as she realizes, being eighteen comes with its own set of troubles: parental expectations (they seem to be obsessed with the 'F' word: Future), romantic complications (in the form of the so-gorgeousit-isn't-fair Tejas), professional tribulations (don't even ask). Rinki can't understand why her male friends prefer her female friends to her. Her college teachers can't understand why her attendance is so poor. And her parents, poor folks, don't understand her at all! Rinki has hit the magic number, but her life is far from magical. Will the eighteenth year of her life make her feel any wiser? Read the last instalment in the Rinki series and find out.

Bollywood Horrors Ellen Goldberg, Aditi Sen, Brian Collins, 2020-11-12 Bollywood Horrors is a wide-ranging collection that examines the religious aspects of horror imagery, representations of real-life horror in the movies, and the ways in which Hindi films have projected cinematic fears onto the screen. Part one, "Material Cultures and Prehistories of Horror in South Asia" looks at horror movie posters and song booklets and the surprising role of religion in the importation of Gothic tropes into Indian films, told through the little-known story of Sir Devendra Prasad Varma. Part two, "Cinematic Horror, Iconography and Aesthetics" examines the stereotype of the tantric magician found in Indian literature beginning in the medieval period, cinematic representations of the myth of the fearsome goddess Durga's slaying of the Buffalo Demon, and the influence of epic mythology and Hollywood thrillers on the 2002 film Raaz. The final part, "Cultural Horror," analyzes elements of horror in Indian cinema's depiction of human trafficking, shifting gender roles, the rape-revenge cycle, and communal violence. This book also features images (colour in the hardback, black and white in the paperback).

Dark Fear, Eerie Cities Šarūnas Paunksnis, 2019-06-18 What haunts the city? Why is there so much pessimism in our urban lives? And how does this physical and psychological insecurity of relentless competition and a desire to succeed against all odds proliferate into cinema? Dark Fear, Eerie Cities analyses a wide array of films made in the early 21st century to offer a philosophical and psychoanalytical critique of the transforming cinematic imaginary—from the pre-1990s feudal family ideal to the contemporary construction of the new middle class's subjectivities in the postcolonial context. Keeping in mind the effects of globalization, market liberalization, and the emergence of new forms of media and its consumption, the book proposes a theoretical engagement with cinematic transformations. Paunksnis presents an interdisciplinary study of a genre of cinema in which crime thrillers and horror films are aimed at answering some of the fundamental questions of our contemporary times.
