On Being Raped Raymond M. Douglas,2018-01-23 A personal and moral inquiry into the crime we do our best to ignore: the rape of adult men When Raymond M. Douglas was an eighteen-year-old living in Europe, he was brutally raped by a Catholic priest. He eventually moved to the United States and became a highly regarded historian, writing with great care about the violent expulsion of Germans from Eastern Europe after the Second World War, and parsing the complicated moral questions of these actions. But until now, Douglas has been silent about his own experience of trauma. In *On Being Raped*, Douglas recounts this painful event and his later attempts to seek help to lay bare the physical and psychological trauma of a crime we still don't openly discuss: the rape of adult men by men. With eloquence and passion, he examines the requirements society implicitly places upon men who are victims of rape, examines the reasons for our resounding silence around this issue, and reveals how alarmingly prevalent this kind of sexual violence truly is. An insightful and sensitive analysis of a type of bodily violation that we either joke about or ignore, *On Being Raped* promises to open an important dialogue about male rape and what needs to be done to provide adequate services and support for victims. "But before that can happen," writes Douglas, "men who have been raped will have to come out of the shadows...A start has to be made somewhere. This is my attempt at one."

I Have Been Raped. Now What? Susan Henneberg,2015-07-15 The CDC estimates that nearly one in five women and one in seventy-one men have been raped in their lifetime. Almost half of them experienced their first rape before age eighteen. But what exactly constitutes rape and why does it happen? Using sensitive narrative and inspiring case studies, this book guides teens--whether they are survivors, friends of survivors, or confused or concerned citizens--through the process of what to do if they are raped, how to begin the process of recovery, and how to stay safe in an attempt to prevent a rape from occurring.

Rape Me Again! Emily Ford,2016-10-11 WARNING! This book tells my TRUE STORY, so there are passages you might find disturbing! DON'T BUY THIS BOOK if you don't want to READ a true story of SEX, RAPING, INCEST, VIOLENCE and CHILD ABUSE! This book is my own biography, which I want to share with the world. I prefer you don't read it than judging me. Why am I ADDICTED TO BEING RAPED? Why do I feel loved when forced into INCEST? Why being ABUSED as a child changed my life completely? Why being the target of SEXUAL VIOLENCE has become my FANTASY? These are questions I am still trying to answer. SEX has become an unhealthy ADDICTION to me, that is why I would like to share my experience with YOU. In order to preserve my identity, I chose the surname Ford as my fictional surname. My name is indeed Emily, though. In this book I tell you how I have become ADDICTED TO BEING RAPED. TO BE RAPED is something I just can't live without anymore, so this material is my call for help, a way to try to understand myself and help you to understand women around the world that, just like me, have suffered CHILD ABUSE, been RAPED, been forced into INCEST as well as being the subject of many other kinds of VIOLENCE and SEXUAL FANTASIES. Again, DON'T BUY THIS BOOK if you don't want to read a TRUE STORY. I prefer you DON'T READ IT than judging me!

I'm the Girl Who Was Raped Michelle Hattingh,2017-09-29 That morning, Michelle presented her Psychology honours thesis on rape. It began: A woman born in South Africa has a greater chance of being raped than learning how to read... That evening, celebrating her degree, she and a friend go to the beach, where they are both robbed, assaulted and raped. Within minutes of getting help, Michelle realizes she'll never be herself again. She is now the girl who was raped. This book is Michelle's fight to be herself again. Of the taint she feels, despite the support and resources at her disposal as the child of a successful middle-class family. Of the fall-out to friendships, job, identity. It's Michelle's brave way of standing up for the many women in South Africa, and around the world, who are raped every day.

Rape Culture Hysteria Wendy McElroy,2016-06-08 *Rape Culture Hysteria: Fixing the Damage Done to Men and Women* offers a comprehensive overview and debunking of the rape culture myth that has devastated campuses and is spilling into Main Street America. An ideological madness is grotesquely distorting North America's view of sexuality. The book applies sanity to the claims that men are natural rapists and our culture encourages sexual violence. Written by a libertarian feminist and rape survivor, *Rape Culture Hysteria* opens with a highly personal appeal to depoliticize rape and treat it instead as a crime. Victims need to heal. Politicizing their pain and rage is a callous political maneuver that harms victims, women and men. Chapter One: The Fiction of the Rape Culture defines the rape culture and explains why it does not exist in North America. It glances back at how the fiction became embedded into society, especially in academia. Then it looks forward to an emerging rape culture trend that will deeply impact daily life: microaggressions. Chapter Two: Intellectual Framework and Myth History of Rape Culture. The myth did not arise in an intellectual vacuum. In a straight-forward manner, Chapter Two explains the theories upon which the rape culture is based, including social construction, gender, patriarchy, post-Marxism, and social justice. It rejects three of the rape culture's founding beliefs: rape is facilitated by society; men have created a mass psychology of rape; and, rape is a part of normal life. Chapter Three: Dynamics of the Hysteria and Psychology of Rape Culture True Believers. The dynamics of rape culture politics are exposed through the behavior of its social justice warriors. A recent travesty is used to showcase those dynamics. On November 19, 2014, Rolling Stone accused members of a University of Virginia fraternity of gang-raping a female student. The accusation was quickly revealed as untrue. The unraveling at U-Va. is a perfect vehicle to illustrate how rape culture dogma is maintained even when it is revealed to be untrue. The chapter discusses effective tactics with which to handle social justice warriors. Chapter Four: Data, False and True. The rape culture myth is based on untrue and unfounded facts, which have been repeatedly refuted. Yet they lumber on as zombie stats, kept alive by those to whom the lies are useful and so are repeated like a mantra that drowns out contradicting evidence. This chapter examines some of the more prevalent zombie stats such as one in every 4 or 5 women will be raped in their lifetimes. Where did the faux facts originate? What evidence, if any, supports them? Which stats better reflect reality? Chapter Five: Comparative Studies and Surveys. This chapter compares and contrasts four of the most important, frequently cited studies and surveys on rape: National Crime Victimization Survey; National Intimate Partner and Sexual Violence Survey; Campus Sexual Assault Study; and, Uniform Crime Reporting Program. They are analyzed independently but also compared to each other, including major strengths and weaknesses. Lesser studies are also analyzed in passing. Chapter Six: Harms of the Rape Culture. The gender war must end. Chapter Six offers in-depth analysis of the extreme damage it inflicts on innocent people, with emphasis on the damage done to victims of rape. Victims are a focus because rape culture adherents claim to be their greatest champions; the opposite is true. Chapter Seven: Solutions to Rape Culture Hysteria. Moving Toward Sanity. We can fix this. This is the ultimate message of the book. Undoing the damage is not only possible but also within reach. The solutions offered range from radical suggestions, such as abolishing the Department of Education, to more modest ones, such as recognizing rape as a criminal matter to be handled by police. Defend yourself and your children against rape culture zealots. Demand sanity.

Twice Raped Audrey Savage,1990

The Rapist File Les Sussman; Sally Bordwell,2000-05-29 Authors Les Sussman and Sally Bordwell went into prisons throughout the United States to learn what makes men rape. Date Rape Alexandra Bandon,1994 Discusses the phenomenon known as acquaintance, or date, rape, describing situations in which it occurs, how to avoid this crime, and where to get help if you have been a victim.

Untamed Identity Linda E. Reece,2012-01-04 Christopher, Kevin and Tony are resentful and wildly insubordinate young men, who wrestle psychologically and emotionally with their sexual identities after having been physically raped repetitively on separate occasions. Their uninhibited, searing revolt on society as the countrys sweetest criminals attracts high-profile notoriety in this unusual soul-gripping drama.

South of Forgiveness Elva Thordis,Stranger Tom,2017-05-09 One ordinary spring morning in Reykjavik, Iceland, Thordis Elva kisses her son and partner goodbye before boarding a plane to do a remarkable thing: fly seven thousand miles to South Africa to confront the man who raped her when she was just sixteen. Meanwhile, in Sydney, Australia, Tom Stranger nervously embarks on an equally life-changing journey to meet Thordis, wondering whether he is worthy of this milestone. After exchanging hundreds of searingly honest emails over eight years, Thordis and Tom decided it was time to speak face to face. Coming from opposite sides of the globe, they meet in the middle, in Cape Town, South Africa, a country that is no stranger to violence and the healing power of forgiveness. South of Forgiveness is an unprecedented collaboration between a survivor and a perpetrator, each equally committed to exploring the darkest moment of their lives. It is a true story about being bent but not broken, facing fear with courage, and finding hope even in the most wounded of places. Personable, accessible, and compelling, South of Forgiveness is an intense and refreshing look at a gendered violence, rape culture, personal responsibility, and the effect that patriarchal cultures have on both men and women.

Hunting Evil Carlton Smith,2011-04-01 What did a high-priced hooker and a low-class sex-offender have in common? It was-according to police-their lust for stalking, raping, and terrorizing young women and girls, in once case as young as thirteen-years-old. Michelle Michaud and her husky-voiced boyfriend James A. Froggy Daveggio used to hang around the local high school in search of their prey-and are suspected of brutally raping numerous women in the gutted van that was rigged to strap down their victims. But they may have gone farther than that... When the body of 22-year-old Vanessa Lei Sampson was found by the side of a California highway, police zeroed in on Michaud and Daveggio, who may be responsible for the young woman's murder, as well as numerous rapes. In a case as strange and gruesome as fiction-one of the few in which a woman has taken part in sexual assault-author Carlton Smith explores the twisted motives and shocking exploits of this dark and deadly duo.

Raping Innocence The Poet Divinity,2008-12-04 Compilation of poems depicting the experiences and observation of a young black female through her many and varied encounters with men and battles with life.

I Will Find You Joanna Connors,2017-04-20 A hard-hitting memoir about a woman's search to understand the man who raped her Joanna Connors was thirty years old when she was raped at knifepoint by a stranger. Many years later she realised she had to confront the fear that had ruled her life ever since that day. She needed, finally, to understand. So she went in search of her rapist's story, determined to find out who he was, where he came from, what his life was like - and what leads a person to do something as destructive as what he did to her. 'More chilling than a horror film and more thought-provoking than an HBO doc' Cosmopolitan 'Brutally affecting' Guardian 'Riveting' Mail on Sunday

How Serial Rapists Target Their Victims Linda Fairstein,2012-08-14 DIVDIVCrime expert Linda Fairstein reveals the sinister ways that rapists select and attack their victims, and what you need to know to protect yourself /divDIV /divDIVFrom the man who haunted midtown Manhattan's high-rise office buildings, to the stalker in the wooded suburbs near Nashville, serial rapists often have one chilling trait in common: They operate in "comfort zones." Sometimes they find their own comfort zones, such as the stairwell of a familiar office building. Other times they may pinpoint their victims' comfort zones, such as the bedroom of an unlocked house. In both cases, experienced sexual predators exploit their potential victims' most unguarded moments. In How Serial Rapists Target Their Victims, Linda Fairstein breaks down the patterns of these violent criminals and describes the day-to-day ways that women can best safeguard against them./divDIV /divDIVOriginally published in Cosmopolitan, this essay is now available in digital format for the first time and features a new introduction by the author./div/div

Public Rape Tanya Horeck,2013-04-15 Second-wave feminism fought to end the blanket silence shrouding rape and bring it to public attention. Now feminist critics must confront a different issue. In Public Rape Tanya Horeck considers the public investment in images of rape and the figure of the raped woman. Introducing the idea of 'public rape', Horeck looks at how images of rape serve as cultural fantasies of sexual, racial and class difference. Looking at rape in real life as well as in literature and films such as The Accused and Boys Don't Cry, Horek reveals how representations of rape raise vital questions about the relationship between reality and fantasy, and between violence and spectacle
