Jericho's Razor Casey Doran,2014-04-10 A riveting and original debut thriller from a crime writer you won't want to miss, featuring a protagonist you won't be able to forget. Horror writer Jericho Sands has had a hell of a month. He's endured a bitter break up with his punk rocker girlfriend, learned that his lungs are blacker than a coal mine, and served time in county jail for throwing a United States Congressman in a dumpster. He's heartbroken, sleep deprived and suffering from a debilitating case of writer's block Life is about to get much worse. Somebody from Jericho's past has left a decapitated body on his doorstep. The similarity to methods used in his books, his lack of an alibi and his proximity to the victim all lead the detectives handling the case to quickly identify Jericho as the primary suspect. But being framed for murder is the least of Jericho's problems, because this killer is only getting started. The mysterious executioner known as 'The River City Slasher' has made it clear that more innocent people will be killed before Jericho himself is the final victim. Unable to trust the cops, Jericho is forced to examine the darkest parts of his own psyche to catch a killer, save innocent lives, and free himself from his own guilt. When Jericho finally learns the identity of the killer terrorizing the city, it shocks him in ways he was unprepared for, causing him to doubt all he holds to be true, including his own judgment and motivations. The first book in the Jericho Sands series, Jericho's Razor heralds the debut of a phenomenal new thriller writer in Casey Doran.

We want to advocate for causes we care about—but which ones? We want to work for change—but will the emotional toll lead to burn out? But when your activism grows out of your joy—and vice versa—you begin to see light everywhere. In *The Lightmaker's Manifesto*, Walrond helps us name the skills, values, and actions that bring us joy; identify the causes that spark our empathy and concern; and then put it all together to change the world. Creative and practical exercises, including journaling, daily intention-setting, and mindful self-compassion, are complemented by lively conversations with activists and thought leaders such as Valarie Kaur, Brené Brown, Tarana Burke, and Zuri Adele. With stories from around the world and wisdom from those leading movements for change, Walrond beckons readers toward lives of integrity, advocacy, conviction, and joy.
