

Reciprocity

Michelle C. Johnson,() (Ned) Searles

Reciprocity in Ancient Greece Christopher Gill, Norman Postlethwaite, Richard Seaford, 1998 Reciprocity has been seen as an important notion for anthropologists studying economic and social relations, and this volume examines it in connection with Greek culture from Homer to the Hellenistic period.

Reciprocity Serge-Christophe Kolm, 2008-05-22 Reciprocity is the basis of social relations. It permits a peaceful and free society in which people and rights are respected. The essence of families and communities, it also enables the working of markets and organisations, while correcting their main failures. Reciprocity is also a basis of politics, and it justifies social policies. Although the importance of reciprocity has been widely recognised in other social sciences, it has, until recently, been somewhat ignored in economic analysis. Over the past three decades, economic theorist and moral philosopher Serge-Christophe Kolm has been at the forefront of research into the economics of the deepest aspects of societies. In *Reciprocity*, he provides a unique in-depth analysis of the motives, conducts, and effects of reciprocal relationships. In doing this, he explains crucial functionings of society and its economy, and the ways in which they can be improved. This book should be read by economists, sociologists, philosophers, and anyone concerned with understanding the economy of social relationships and its far-reaching consequences.

Reciprocity (Routledge Revivals) Lawrence C. Becker, 2014-06-17 The tendency to reciprocate – to return good for good and evil for evil – is a potent force in human life, and the concept of reciprocity is closely connected to fundamental notions of ‘justice’, ‘obligation’ or ‘duty’, ‘gratitude’ and ‘equality’. In *Reciprocity*, first published in 1986, Lawrence Becker presents a sustained argument about reciprocity, beginning with the strategy for developing a moral theory of the virtues. He considers the concept of reciprocity in detail, contending that it is a basic virtue that provides the basis for parental authority, obligations to future generations, and obedience to law. Throughout the first two parts of the book, Becker intersperses short pieces of his own narrative fiction to enrich reflection on the philosophical arguments. The final part is devoted to extensive bibliographical essays, ranging over anthropology, psychology, political theory and law, as well as the relevant ethics and political philosophy.

Reciprocity James Laurence Laughlin, Henry Parker Willis, 1903

Reciprocity in English Florian Haas, 2009-12-16 Although the grammatical expression of reciprocal (or ‘mutual’) situations in the languages of the world has received a surprising amount of attention in recent years, so far no comprehensive study specifically dealing with the historical development and synchronic structure of English reciprocal constructions has been published. This book takes into consideration insights from the three major research projects on reciprocity in the languages of the world as well as the rich literature on more specific aspects of reciprocity. Assuming a usage-based model of grammar, the development of the reciprocal strategies used in present-day English is described, with special attention paid to the periods following Middle English, where today’s system began to take shape. The means of expressing reciprocity in today’s English (e.g. the expressions each other and one another) are then analyzed as a system of competing constructions, the make-up and distribution of which can be related both to their history

and subtle distinctions in meaning and use associated with the different constructions. Quantitative data from corpora of natural language provides evidence for the analyses put forward. Wherever possible, claims on the expression of reciprocity in present-day English are checked against what is known about the grammar of reciprocity in other languages.

Selected Articles on Reciprocity ,1913

Sacred Reciprocity Jamie K. Reaser,2012-08 The essence of ayni is sacred reciprocity. Ayni emerges out of a universal perspective in which importance is placed on the relational flow of energy as a process of establishing and maintaining balance. Ayni can be seen as a code of conduct - a sacred agreement to engage in a balanced exchange between self and other. What is given may not be anywhere near as important as how it is given. In ayni, it is the heart that counts. Ayni can be established among people, between humans and all other beings, and between all beings and the animate Cosmos.

Reciprocity in Human Societies Antti Kujala,Mirkka Danielsbacka,2018-08-03 Presenting new insights into reciprocity, this book combines Marcel Mauss's well-known gift theory with Barrington Moore's idea of mutual obligations linking rulers and the ruled. Teasing out the interrelatedness of these approaches, *Reciprocity in Human Societies* suggests that evolutionary psychology reveals a human tendency for reciprocity and collaboration, not only in a mutually cooperative way but also through increasing retributive moral emotions. The book discusses various historical societies and the different models of the current welfare state—Nordic (social democratic), conservative, and liberal— and the repercussions of the neoliberal policies of tax havens, tax cuts, and austerity with a cross-disciplinary approach that bridges evolutionary psychology, sociology, and social anthropology with history.

Reciprocity, Altruism and the Civil Society Luigino Bruni,2008-05-13 The main emphasis of this new book from Luigino Bruni is a praise of heterogeneity, arguing that society works when different people are able to cooperate in many different ways. The author engages in a novel approach to reciprocity looking at its different forms in society, from cautious or contractual interactions, to the reciprocity of friendship

Objections to Reciprocity on Constitutional and Practical Grounds William Whitman,1904

Reciprocity Rules Michelle C. Johnson,() (Ned) Searles,2020-12-16 *Reciprocity Rules* explores the rich and complicated relationships that develop between anthropologists and research participants over time. Focusing on compensation and the creation of friendship and "family" relationships, contributors discuss what, when, and how researchers and the people with whom they work give to each other in and beyond fieldwork. Through reflexivity and narrative, the contributors to this edited collection, who are in various stages in their professional careers and whose research spans three continents and eight countries, reflect on the ways in which they have compensated their research participants and given back to host communities, as well as the varied responses to their efforts. The contributors consider both material and non-material forms of reciprocity, stories of successes and failures, and the taken-for-granted notions of compensation, friendship, and "helping." In so doing, they address the interpersonal dynamics of power and

agency in the field, examine cultural misunderstandings, and highlight the challenges that anthropologists face as they strive to maintain good relations with their hosts even when separated by time and space. The contributors argue that while learning, following, openly discussing, and writing about the local rules of reciprocity are always challenging, they are essential to responsible research practice and ongoing efforts to decolonize anthropology.

Reciprocity, U.S. Trade Policy, and the GATT Regime Carolyn Rhodes,1993

Reciprocity Asenath Carver Coolidge,2016-05-21 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Reciprocity (social and Economic) in the Thirtieth Century Thomas Kirwan,William Wonder,1909

Reciprocity Laws Franz Lemmermeyer,2013-03-14 This book covers the development of reciprocity laws, starting from conjectures of Euler and discussing the contributions of Legendre, Gauss, Dirichlet, Jacobi, and Eisenstein. Readers knowledgeable in basic algebraic number theory and Galois theory will find detailed discussions of the reciprocity laws for quadratic, cubic, quartic, sextic and octic residues, rational reciprocity laws, and Eisensteins reciprocity law. An extensive bibliography will be of interest to readers interested in the history of reciprocity laws or in the current research in this area.

From Exclusion to Reciprocity Jona M. Rosenfeld,2016-11-07 Prof. Jona Rosenfeld is one of Israel's pioneering social workers. This, his autobiography, is a vivid testimony to his long life dedicated to social work, sociology, psychotherapy and social action. Born in Germany, in 1933 he immigrated with his family to Palestine. In the nascent state of Israel, Rosenfeld very quickly made his mark on the field of social work that was still in its infancy. Then, through his drive, determination and creativity saw it develop and mature. Significantly, he clarified the task of social work: serving the excluded in our midst, and showed how they can be enabled by social workers to improve their lives. After aligning himself with ATD The Fourth World Movement, he worked internationally with families living in extreme poverty and exclusion. The book ends with a call to address two man-made evils, genocide and poverty, as a world-wide challenge for the future.

Reciprocity in International Law Shahrad Nasrolahi Fard,2015-12-22 In international relations, reciprocity describes an environment in which States support one another for short- or long-term advantage through the balancing

of rights, duties and interests. This book examines reciprocity in the context of international law. It considers the role reciprocity plays in the creation and development of international law as well as in the interpretation and application of international law. The book illuminates the reciprocal framework of international law and international relations by examining the role reciprocity plays in different types of States' obligations, including bilateral, bilateralisable multilateral, non-bilateralisable multilateral and obligations erga omnes. The book examines how reciprocity is intertwined with the principle of equality, as the rights and obligations of States are equal irrespective of size and economic or military strength, and the beneficial effects of reciprocity in creating stability and cooperation amongst States.

Handbook of the Economics of Giving, Altruism and Reciprocity Serge-Christophe Kolm, Jean Mercier Ythier, 2006-09-08 Provides a comprehensive set of reviews of literature on the economics of nonmarket voluntary transfers.

"Reciprocity" William R. Cline, 1982 Analyzes the US push for equal access to foreign markets.

Reciprocity Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reciprocity has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reciprocity has opened up a world of possibilities. Downloading Reciprocity provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reciprocity has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reciprocity. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent

platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reciprocity. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reciprocity, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reciprocity has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reciprocity Books

1. Where can I buy Reciprocity books? Bookstores: Physical

bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Reciprocity book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Reciprocity books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You

can create your own spreadsheet to track books read, ratings, and other details.

7. What are Reciprocity audiobooks, and where can I find them?

Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Reciprocity books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
