THE SPOKEN WORD Zuriel Ann Murphy, 2013-12 Many struggle to live a victorious life as a result of their ignorance of the potency, which the Spoken Word carries. Challenges are made to be faced, but it is only revelation and incessant confession of God's Word that is capable of making any man triumphant. The Spoken Word is 365 days devotional, exploring all areas of life, and revealing the power of God to heal, transform, enrich and bless. This devotional is released by God in this season to satisfy the hunger of men, heal the broken hearted, liberate the captives, and empower the weak. Who would ever believe that the wisest man - Solomon, was born out of the erroneous affair of David and Bathsheba? In this case, the author recounts, From the shells of total shame, and from the marrows of the utmost disgrace, God can still birth fame When you think all is over, and when you

have given up to an ill fate; God will start something fabulously new in your life.

Rhema Or Logos John Woolston, 2015-02-20 Can we base our beliefs upon the written Word of God? Can we actually go to the Word, find the promise of God and by faith receive what He said is ours in Christ, or must He speak a word to us before we can enjoy the blessings of God? In this book, “Rhema or Logos?” I deal with these and other issues related to a teaching that has become quite popular in the body of Christ. This book is not a complete, systematic study of the use of the two Greek words, “rhema and logos” in the New Testament. It is simply a practical, common sense series of teachings that will help to bring clarity where there has been mysticism and uncertainty.

Rhema Reposts J. Arthur Poulson Sr., 2021-09-17 This book utilizes short, concise paragraphs headlined by scriptural references to help with life’s struggles, encourage in times of despair, and lift the reader, in faith, despite depressive situations. The use of alliteration and acrostic conveys in a contemporary style sound biblical truth. For example, the word LOVE, “Lifting Others Victoriously Everyday, is used in the confines of the Christian’s daily walk. Notwithstanding, this composition was born out of the precious interaction of Dr. J. Arthur Poulson Sr. and his long-time friend Dr. Joseph J. Thompson, the one who initiated these acrostic teaching and preaching techniques. The audience for the project is both the traditional and contemporary believer as well as the non-believer.

Rhema Powered by Faith Julius Kola Oloke, 2012-11-01 In this book you will learn the secret of how to limit your limitation through Rhema Powered by Faith. From this work, it has been made clear that faith starts from hope. Hope is what we can see. Our desire, ambition and different kinds of day dreaming are hope, but we need to process hope to become faith. It is also stressed from this work that the length of time that is needed to turn hope to faith - which can be influenced by man - is a period of probing for what to command. It can be influenced by how fast one allows the carnality in one's life to be reduced. In Isaiah 45:11, God the father encourages His children ...concerning the

work of my hands command ye me. But we all know that several commands that men make are futile. Why? Hope, which is our desire, ambition and different kinds of daydreaming are the different possible events in a life that have been encrypted in the individuals DNA with various imposed limitations. As individuals allows more light to accumulate in his heart and allows more carnality to drop off, the imposed limitations on some of the possible events become expired. As one identifies those events with expired imposed limitations by probing and aligning them with corresponding logos, it becomes a Rhema Powered by Faith. Any command made by any mortal for a possible event whose imposed limitation is yet to expire is futile and of no effect. So, the main essence of life is to probe out (search out) those possible events with expired imposed limitations and generate Rhema Powered by Faith. Welcome on board for learning on how to limit your Limitations. J Kola Oloke is a Professor of Microbiology and Biotechnology at Ladoke Akintola University of Technology (LAUTECH), Ogbomoso Nigeria. He is a member of The Governing Concil, Ogbomoso Baptist Theological Seminary, Nigeria and member of the National Executive of Nigerian Baptist Convention. He is currently the Chairman, LAUTECH Chapel Council and the President; Trinity Partners, President; Trinity Immunoinefficient Laboratories, and President; Alpha Biotechnologies. He is married to Olufunso Olanike and they are blessed with two children: Olakorede and Ireoluwatomi.
