*Rick and Morty and Philosophy* Lester C. Abesamis, Wayne Yuen, 2019-02-05 The adult-oriented science-fiction cartoon series Rick and Morty, shown on Cartoon Network as part of its late-night Adult Swim feature, is famous for its nihilistic anti-hero Rick Sanchez. Rick is a character who rejects God, religion, and meaning, but who embraces science and technology. This leads to a popular show that often presents a world view favorable to science and dismissive of spirituality. It is existentialism mashed up with absurdism with a healthy (or unhealthy) dose of dick jokes thrown in. Rick and Morty and Philosophy focuses on the philosophical underpinnings of the show. The authors explain and develop ideas that are mentioned or illustrated in various episodes, so that fans can get really solid evidence for what they know already: this show is awesome and deep. Rick has access to technology that allows him to jump between dimensions or realities. He brings his grandson, Morty, along with him on these adventures, often putting Morty in mortal danger. However, Rick's attitude is that there are an infinite number of Mortys in the multiverse, so if his Morty dies, he can always replace his Morty with another Morty from a different dimension. One question that arises is, are these Mortys really identical to each other? And if one of them dies, can he really be replaced without loss? Another character in the show is Jerry, the husband of Rick's daughter. Jerry is a complete and total loser with no self-respect, desperate to get any kind of respect from others. Why is it so important that he has self-respect? How does his lack of self-respect affect those around him? In one adventure, Jerry finds himself in a position where he can save one of the greatest civil rights leaders in the universe whose heart is failing. Jerry can save his life by donating his penis, which is the perfect organ to match the alien's failing heart. Does Jerry have a moral obligation to do so? Recently, ethicists such as Peter Singer and Julian Savulescu have argued that people have a moral obligation to donate a kidney to people who need one. Why wouldn't the same apply to Jerry's penis? Is such a donation above and beyond a moral obligation, and consequently optional, or is it a basic moral obligation and therefore required, as noted ethicists like Singer and Savulescu suggest? This volume also includes chapters that examine the experience of watching Rick and Morty. One writer argues that many of the Rick and Morty episodes induce within viewers a state of "Socratic aporia," or confusion. Viewers are forced to reflect on their own moral beliefs about the world when characters do something that seems good but results in horrendous consequences.

**The Politics of Race, Gender and Sexuality in The Walking Dead** Dawn Keetley, 2018-08-22 From the beginning, both Robert Kirkman's comics and AMC's series of The Walking Dead have brought controversy in their presentations of race, gender and sexuality. Critics and fans have contended that the show's identity politics have veered toward the decidedly conservative, offering up traditional understandings of masculinity, femininity, heterosexuality, racial hierarchy and white supremacy. This collection of new essays explores the complicated nature of relationships among the story's survivors. In the end, characters demonstrate often-surprising shifts that consistently comment on identity politics. Whether agreeing or disagreeing with critics, these essays offer a rich view of how gender, race, class and sexuality intersect in complex new ways in the TV series and comics.

Filmography of American History Grant Tracey,2001-11-30 Containing over 200 films, this resource is ideal for students, teachers, and other viewers who are interested in using films to enhance their knowledge of American historical events and periods. Along with traditional historical categories, such as the two World Wars, the Civil War, and the Great Depression, the book emphasizes immigrant, multicultural, and women-centered films to portray the fullness of the American experience. It also analyzes representations of people and events across different films for a variety of viewpoints, and considers how films reconfigure a past era through the issues of the day in which they were produced. For ease of use, the book is organized into time periods. Each entry contains: •the setting •director •cast •credits •the year of production •distributor Ratings are supplied to identify audience-appropriateness. The detailed narrative supplies a brief plot summary along with a thesis supported by strong examples from the film, such as excerpts of dialogue and factual details from history. The entries encourage readers to view the film through the lens of history and to consider it within the larger nexus of films listed in that particular chapter. Frequently, the historical focus considers both the time period depicted in the film and the time period in which it was made. The running times provide readers with a quick access to key scenes for further study. Each entry also concludes with sources for further reading, and indexes identify those films with multicultural and women's themes.

Political Philosophy Comes to Rick's James F. Pontuso,2005 Political Philosophy Comes to Rick's focuses on reading one of the world's most watched films, Casablanca, politically. Contributors contend that the popularity of the film lies in its ability to present American civic culture, the American character, if you will, in a thoughtful, dramatic, and enduring way.

**Desert 1** A. Tebbs,2018-09-01 Questions can be dangerous. . . Seventeen-year-old Alysse's senior year was stressful enough with exams, a harpy teacher, and a long time crush falling for her best friend Tori. Then she starts questioning what she's taught about the enemy living right outside the city walls. Alysse soon finds herself dealing with guerillas, a seismic bomb, and a genocidal plot that could spark a war. Alysse must decide who to trust as she and her friend Pete ask questions everyone else avoids. Probably because everyone else is afraid of the answers. And they should be... Inside the Wall by A. Tebbs is a fun and action-filled dystopian YA novel that really packs a punch! If you enjoyed The Hunger Games or The Divergent Series, you will love this one! --Erica, Robyn Reads (Desert) is a futuristic picture of a society segregated by stations of wealth and privilege will make you think. In many ways (Alysse's) world is chillingly familiar. --Peter H.,

*Reality TV's Real Men of the Recession* Shannon O'Sullivan, 2022-10-11 In the 2000s, reality programs showcasing white, working-class men performing hazardous occupations in wilderness settings proliferated on U.S. cable networks. Shannon O'Sullivan argues that this genre represents a reactionary veneration of white, rural, working-class men as "real Americans" amid the Great Recession and current events.

**Plays 1** Ken Duncum, 2005 Each of these three plays takes as its kernel a news story from the past that captured the imagination of New Zealanders. In *Horseplay* novelist Ronald Hugh Morrieson and poet James K. Baxter meet and share the stage with the rear end of a horse, while in *Flipside* four sailors confront the elements for 119 days, adrift on the overturned boat *Rose-Noëlle*. **Night's Plutonian Shore** Garrett Boatman, 2023-04-30 Researching sustainable energy, Rick's best friend Wally has discovered a means to tap into the bioplasmic energy field that surrounds all living things. He envisions trains and office towers running off collective psi. But when he invites his friends to test his psychotronic generator, they unleash demons residing in the human old brain, the seat of aggression and primal drives. As the body count rises, it becomes clear, for these creatures of the id to survive, their creators must die. Pursued by police and hunted by their doubles, the choice is simple: kill or be killed. Even if the face of the enemy is your own. \*\*\* "The Dark Half meets *From Beyond* in this tale that will scratch your old-school horror itch the only way Boatman knows how—ferocious, fast-paced, and fun." — Asher Ellis, author of *Curse of the Pigman* and *The Remedy* "Bone-chilling, brimming with tension, raw emotion, and vivid imagery, Boatman's *Night's Plutonian Shore* is a haunting read from beginning to end. A coming-of-age tale like no other, one that I could not put down, and did not want to end." — Candace Nola, author of *Bishop*. "Grappling with mortality while

shivving your duplicate self—NIGHT'S PLUTONIAN SHORE is complex, riveting, and horror of a sort that brings the hard bite back to any discerning fan of the genre." – Eric J. Guignard, multiple award-winning author and editor, including *That Which Grows Wild* and *Doorways to the Deadeye* "A raw, mind-bending creepshow that reads, every now and then, like Jim Thompson's gone punk. Night's Plutonian Shore gets under your skin, makes it crawl—in the best possible way. A weird, wild ride." – Andy Davidson, author of *The Boatman's Daughter* and *The Hollow Kind* "...brutal and heartbreaking, this is dark horror with sci-fi elements that create a gloomy atmosphere with spine-tingling, evil doppelgängers causing devastation and fear. Edgy and tense!" – Karla's Literary Korner "Boatman's writing bruises with brutality and humanity. Gritty, breakneck, and terrifyingly dark." –Lee Murray, four-time Bram Stoker Award winner and author of *Grotesque: Monster Stories*

For those new to vehicle electrical systems the book provides a simple primer using mechanical analogies. Each system in the car has its own chapter, with simple and uncluttered circuit diagrams in which each wire can be seen in its real colours. **Rick's Cafe** Kathy Kriger, Del Cathy Gandel, 2012-11-06 For more than 60 years, tourists visiting Casablanca tried to visit Rick's Café Americain only to discover that Warner Brothers had built the entire set on a studio back lot. It was a Hollywood fantasy—until Kathy Kriger came along, that is, and decided after 9/11 to bring the imaginary gin joint to life. In RICK'S CAFE, she takes us through souk back alleys, the Marché Central's overflowing food stalls, and the shadowy Moroccan business world, all while producing, directing, casting, and playing lead actress in her own story. Instead of

letters of transit, she begged for letters of credit; the governor of Casablanca watched her back instead of Captain Renault; and at the piano, playing "As Time Goes By," sits not Sam but Issam. She encountered paper pushers, absent architects, dedicated craftsmen, mad chefs, and surprising allies. It took over two years, but now, as Captain Renault says to Major Strasser, "Everybody comes to Rick's." Here is the remarkable story of a woman who turned Hollywood fantasy into Moroccan reality and made her dream come true.
