Pegging the President Michael Moorcock, 2018-03 In the 1960s Jerry Cornelius was the coolest assassin on the Ladbroke Grove block. By the 1970s The Condition of Muzak had won the Guardian Fiction Prize and The Final Programme was a feature film starring Jon Finch, Jenny Runacre, Hugh Griffith and Sterling Hayden. In the 1980s the world's first cyberpunk continued to inspire a generation of writers including William Gibson, Alan Moore, Neil Gaiman, and bands like the Human League. By the 1990s he was up and running towards the guns again in stories like The Spencer Inheritance, The Camus Referendum and Cheering for the Rockets, which dealt with the icons and key events of the day. At turn of the millennium, in Firing the Cathedral, he responded to the attacks on America of September 2001 and their consequences, to the realities of global warming and global terrorism. Now, in Pegging the President, Jerry Cornelius is back; the ambiguous, amoral, androgynous English Assassin, cooler, sharper, his fingers still firmly on the pulse of the twenty-first century, counting names and taking heads, showing once again that colonialism and despotism the roots of empire gone sour do not change. The apocalypse has never seemed more terrifying, never been more fun, and modern life will never feel the same to you again -- Provided by the publisher.

Down in the Garden Anne Geddes, 2006-09 Babies as beatific butterflies. Babies as snoozing hedgehogs. Babies as tiny fairies dwelling in a magical garden. It's been ten amazing years since Anne Geddes brought these unmistakable inhabitants to life in Down In The Garden, her extraordinary ode to tiny babies and the enchantment they bring. Down In The Garden became an international bestseller and was the perfect showcase for this now world-famous photographer's artistic vision. The book captures newborns in a variety of mythical poses: brightly coloured flowers with babies peeking out from behind them, sleeping babies snuggled inside bright green peapods, sprightly gnomes with darling baby faces. All come together to make Geddes' Down In The Garden an artistic masterpiece unlike any other. This special 10th anniversary edition features all the striking images from the full-size volume in a more intimate package. Complemented by gently humorous text, the images reflect Geddes' appreciation for the beauty and innocence of babies. Her masterful imagery immediately communicates her deep and abiding love of children in a universal language understood by people everywhere.

Law School Shane Patrick Irvine J D, 2020-07-10 LAW SCHOOL, Learn to Think Like a Lawyer - Hello, my name is Shane Irvine! And I want to be your law professor. I am both the author and the narrator of this audiobook titled, Law School. Now, let me give you a hypothetical. On one hand you have a statement made in a criminal law class at Yale University. The statement is that, First degree murder is the killing of one human being by another with malice aforethought. On the other hand, you have a statement made by a drunken beachcomber on the beach who also proclaims that, First degree murder is the killing of one human being by another with malice aforethought. The statement is that, First degree murder is the killing of one human being by another with malice aforethought. Okay, which of these claims has more truth and justice in it. The statement made in Yale School of Law or the statement made by the drunken beachcomber? Obviously, the statement is the same. The information coming from Yale University can be the same as the bellowings of a drunken beachcomber. That's because the information is generic. Yes, the legal information at Yale University Law School is basically just generic information. This series of classes that I provide, cover the breadth requirement courses necessary in law school to earn a Juris Doctor degree. Nothing is watered down except maybe the latin. The information is just as difficult to comprehend in this audiobook as it is at Yale University. Upon completion of this series of coursework, you will probably have more questions than answers. Don't worry... That's common. It's the nature of the study of law to spark thought. Each person is going to have a different mind set. I present the basic information necessary for you to form the questions. It's therefore, up to you to find your own answers. After all, that's what lawyers, traditional or otherwise, do, they provide differing schools of thought, they question everything, and they resolve to explain the unexplainable. That's the basic objective of being able to think like a lawyer - To be able to create a framework for thinking and ultimately an order for applying that framework. The curriculum for Law School includes Contracts, Tort Law, and Criminal Law, Criminal Procedure, Evidence, Civil Procedure, Family Law, Property law, Constitutional Law, Corporate Law, Wills, Trusts and Probate. These are the basic courses necessary to earn a juris doctor degree. I suggest you repeatedly listen to the material over and over. I also suggest that you purchase the four-volume text of the audiobook, found on Amazon, and follow along. The combination of listening and reading along will further help hold your attention as it all sort of sinks in and you will eventually find yourself thinking like a lawyer. However, unlike having that prestigious Yale University law school diploma on the wall, hypothetically, you will have that equivilent education plus the \$150,000 you would have paid in tuition at good ole Boola, Boola.

Blade Runner 2029 #8 Mike Johnson, 2021-09-29 Learning of her investigation, Yotun had Ash abducted before launching an all-out terrorist attack upon Los Angeles. His Replicant army destroyed the newly constructed seawall, killing the political and corporate elite of the city who had gathered to witness the

opening ceremony. Rescued from Yuton's clutches by members of Freysa's Underground, Ash awakens from her time in his rejuvenation tanks seemingly reborn, her back free of its cybernetic brace and her vision restored too. Learning that her lover is Yotun's prisoner, Ash races to save her. Meanwhile, Yotun's army have taken control of the LAPD building...

Blade Runner 2029 #11 Mike Johnson, 2022-01-05 Early in the 21 Century, the Tyrell Corporation advanced Robot evolution into the Nexus phase – a being virtually identical to a human – known as a Replicant. Replicants were used Off-world as slave labor. Those who escaped to Earth were hunted by Blade Runner units, ordered to kill any trespassing Replicant upon detection. In 2022, a Replicant attack on the Tyrell Corporation forced the company into bankruptcy and erased all records of existing Replicants. The surviving Nexus 8 models disappeared with the help of the Replicant Underground. Many Replicants remained in servitude. In 2027, Aahna "Ash" Ashina, rejoined the Blade Runner department, although her superiors are unaware that her lover Freysa, is a leader in the Replicant Underground. While investigating a report of a rogue Replicant, Ash discovered that a Nexus 6 Replicant, Yotun, whom she had failed to retire 12 years previously, had somehow become the leader of a Replicant guerrilla army. Yotun ordered his army to launch an all-out terrorist attack upon Los Angeles and compelled all Replicants in the city to revolt against their masters. Freysa seemingly joined Yotun's crusade in an effort to stop him, however, he blinded her in one eye when he discovered her subterfuge. Ash rescued her lover and set out to bring Yotun down, once and for all. However her superiors have become suspicious of Ash's motives. Meanwhile, Yotun has started to succumb to the ravages of time, and even the regular blood transfusions from his loyal supporters that he was using to rejuvenate himself have started to fail. Convinced that an old diary of Eldon Tyrell holds the key to his survival, Yotun sent Pekka and another Replicant off to retrieve the journal from a maximum security vault. There Pekka was killed by Blade Runner Marlowe
