As Jackie Chan is to Bruce Lee, so Super Corporate Heroes is to Alan Moore’s Watchmen. Bare Bones Summary The corruption of ideals. Synopsis After powerful companies (and lobbyists) decimate the golden age of non-profit superheroes, new rules are designed and a new generation of superheroes use their extraordinary powers to earn a living. In this alternate reality, superheroes must be licensed by a mega insurance company called Superhero, Inc and people pay to be rescued. Saddle up for the absurdly modern misadventures of these working superheroes. The hardest working superhero is Ms. Titanium. She’s just as strong as American Icon, but when she found out she’s only paid half his salary, she walks out to plot her revenge. Then there’s the working stiff heroes, who are overworked and often punished for saving people without a license. Enter Blue Collar (a.k.a. Hero in a Hatchback), a divorced father of three with more bills than cash, and Spinlar, a half fly, half spider Brazilian heartthrob who’s trying to live the American dream. His one problem? Super-Human Dan Membiela,2002-05-01 Super-Human: an Anthology is a collection of stories, which are loosely connected, pertaining to a world where a certain few men and women don aliases, masks, and civic responsibilities. These stories explore a sampling of lives filled with secrets, super-powers, and heroism. Generally the stories have science fiction elements as well as adventure qualities. The stories in this anthology skirt the questions that super-heroes pose in realistic fiction, but rather than giving any specific answers, we see how things might be in a world with super-heroes, rather than anything as absolute as how things must be. The first and last stories especially deal with the human side of the super-human, and how a life begins down the path of the super-hero and how a life of super-heroics comes to an end.

Super Shorts Martin Von Cannon,2017-06-09 What does a henchman do to change jobs? How does a universal translator deal with hand-to hand-combat? Where do the super powered get their uniforms cleaned? There's a short story for each of these and more. This collection of stories is full of quick to read stories and cover the other aspects of super-powered life. Who cleans up after super fights? What if a team-mate is fed up and wants to change sides? Tired of the clichéd heroes? Peel the pages of this book and get lost in different lives. Try the sample and see if Super Shorts fit you.
