Hell's Best Kept Secret Ray Comfort,2004-07-01 How many souls have you won to Christ? How many are still walking with the Lord? All, some, a few? The facts are: Evangelical success is at an all-time low. We're producing more backsliders than true converts. The fall-away rate—from large crusades to local churches—is between 80 to 90 percent. Why are so many unbelievers turning away from the message of the gospel? Doesn't the Bible tell us how to bring sinners to true repentance? If so, where have we missed it? The answer may surprise you. One hundred years ago, Satan buried the crucial key needed to unlock the unbeliever's heart. Now Ray Comfort boldly breaks away from modern tradition and calls for a return to biblical evangelism. If you're experiencing evangelical frustration over lost souls, unrepentant sinners, and backslidden "believers," then look no further. This radical approach could be the missing dimension needed to win our generation to Christ.

God Has a Wonderful Plan for Your Life Ray Comfort,2010-05-17 Why do 9 out of 10 children raised in Christian homes leave the Church? Why do many professing Christians show little or no evidence for their faith? Why do 80-90% of those making decisions for Christ fall away from the faith? For decades, the world's most popular gospel message has been drawing the lost by promising God's wonderful plan for their life. But behind the facade of the wonderful plan message is the reality of the trials, temptation, and persecution that Jesus promised. How can we reconcile the two? In this life-changing book, best-selling author Ray Comfort explores whether this common gospel approach aligns with real life--and with Scripture. The vital biblical principles he reveals will force you to reexamine your ideas about the gospel--and will teach you how to reach unbelievers the way God intended. A must-read for all who

care about the lost. Over a quarter million copies in print!

How to Know God Exists Ray Comfort,2007 With the recent wave of books on atheism becoming New York Times best-sellers, the God debate is heating up. Because of the implications, it's the most significant question of all time: Is there a God, or isn't there? In this compelling book, Ray Comfort argues the case with simple logic and common sense. If there is a God, surely He has made His presence known so that anyone, young or old, scholar or school child, can find Him. By applying basic logic to three clear evidences for the existence of God, Comfort will help you to: * Examine the case for evolution and see what top scientists are really saying about the theory * Explore the facts that led the world's most notorious atheist to acknowledge a Creator * Investigate the evidence to discover who God is through 100% scientific proof, you can know God exists.
