Microsoft Surface Pro 4 for Seniors: An Easy Guide to the Best Features Bill Stonehem,2016-06-01 Microsoft Inc. has done it again with the release of its latest creation. The new Surface Pro 4 is the result of the combined design of the traditional computer and the laptop. The new device, according to the reviews, epitomizes convenience while maintaining the quality and efficiency for which Microsoft devices have become known. The Surface Pro 4, released to the public in October of 2015, boasts improvements from its earlier model the Surface Pro 3. These enhancements include a thinner frame, larger and sharper display and a more sensitive Surface pen.

   Microsoft Surface Pro 4 for Seniors Gack Davidson,2017-10-07 This device has combined the design of a traditional computer and a laptop. This device gives great convenience, quality and efficiency for what Microsoft devices have been known for. The device was released in October 2015 and it comes with many of the features that were seen in the Surface Pro 3. Some of the newer improvements that you will find are thinner frames, larger and sharper displays with a very sensitive Surface pen. The device also boasts greater storage capacity than before and faster processors. It also comes with a Surface Pen that has a sensitive tip and magnetic strips that allows it to be attached to the device. There is also a full-size USB port with a MicroSD card reader and a Mini Display port. The Surface Pro 4 was made to meet the needs of users in a very simple way. It aims to attract any user regardless of gender, age or social status. This book aims to show the user the features of the device to give enough information so they can fully understand the capabilities of the device.
