Serbia Laurence Mitchell, 2013 One of the most misunderstood corners of Europe, Serbia is a spirited and fascinating country. Belgrade and second city Novi Sad are lively, cosmopolitan and welcoming, while rural Serbia, with its hidden monasteries and breathtaking countryside, is an undiscovered gem. This edition of the guide features the burgeoning music festival scene, bird-watching, wine-tasting and Serbia's growing litany of sporting stars such as Novak Djokovic. This edition includes a new section on the Danube cycling route with details on where to stop, where to shop and sights to see on the way. Updated throughout, the listings include boutique hotels, eco-lodges and backpacker hostels to cater for all budgets. The guide goes into greater depth than its competitors with more detail on the history, politics, culture and sights and more detailed reviews of hotels and restaurants.

Lives in Transition Slobodan Randjelovic, 2018-10-30 Part of the ongoing series of photobooks published with the Arcus Foundation and Emerson, Wajdowicz Studios on queer communities around the world, a stunning portrait of a community battling homophobia in Serbia In June 2001, Serbia witnessed its first gay pride parade in history in Belgrade's central square. It was a short-lived march, as an ultranationalist mob quickly descended on the participants, chanting homophobic slurs and injuring dozens. For years afterward, fear of violence prevented further marches, and when, in October 2010, the next pride march finally went ahead, it again devolved into violence as anti-gay rioters, firing shots and hurling petrol bombs, fought the police. It was only in 2014 that a pride march was held uninterrupted, albeit under heavy police protection. In *Lives in Transition*, photographer Slobodan Randjelovic captures the struggles and successes of twenty LGBTQ people living throughout Serbia—a conservative, religious country where, despite semi-progressive LGBTQ protection laws, homophobia fueled by religious authorities and right-wing political parties remains deeply entrenched. In a country where lack of employment opportunity and hostile families frequently drive queer people into poverty and isolation, these individuals have struggled to build a community that will offer solace, protection, and even joy. *Lives in Transition* portrays remarkable and inspiring resilience in the human struggle against a repressive social environment and demonstrates how friendship and community can help people shape their own futures. *Lives in Transition* was designed by Emerson, Wajdowicz Studios (EWS).

Catch the Rabbit Lana Bastašić, 2021-05-27 'Two young women plunging into post-war Bosnia like two Alices into Wonderland . . . smart, energetic, passionate, announcing a major talent.' - Aleksandar Hemon Sara hasn't seen or heard from her childhood best friend, Lejla, in years. She's comfortable with her life in Dublin, with her partner, their avocado plant, and their naturist neighbour. But when Lejla calls her and demands she come home to Bosnia, Sara finds that she can't say no. What begins as a road trip becomes a journey through the past, as the two women set off to find Armin, Lejla's brother who disappeared towards the end of the Bosnian War. Presumed dead by

everyone else, only Lejla and Sara believed Armin was still alive. Confronted with the limits of memory, Sara is forced to reconsider the things she thought she understood as a girl: the best friend she loved, the first experiences they shared, but also the social and religious lines that separated them, that brought them such different lives. Translated into English by author Lana Bastašić, *Catch the Rabbit* tells the story of how we place the ones we love on pedestals, and then wait for them to fall off, how loss marks us indelibly, and how the traumas of war echo down the years.

Beautiful Bad Annie Ward, 2019-03-05 A perfect marriage reveals its dark secrets in this psychological thriller of a devoted wife, her veteran husband, and a shocking murder. Now almost two decades later, married with a beautiful son, Charlie, they are living the perfect suburban life in Middle America. But when a camping accident leaves Maddie badly scarred, she begins attending writing therapy, where she gradually reveals her fears about Ian's PTSD; her concerns for the safety of their young son; and the couple's tangled and tumultuous past with Jo. From the Balkans to England, Iraq to Manhattan, and finally to an ordinary family home in Kansas, sixteen years of love and fear, adventure and suspicion culminate in *The Day of the Killing*, when a frantic 911 call summons the police to the scene of a shocking crime.

The Oxford Handbook of Mobile Communication and Society Rich

Ling, Leopoldina Fortunati, Gerard Goggin, Yuling Li, Sun Sun Lim, 2020-04-22 Mobile communication has dramatically changed over the past decade with the diffusion of smartphones. Unlike the basic 2G mobile phones, which merely facilitated communication between individuals on the move, smartphones allow individuals to communicate, to entertain and inform themselves, to transact, to navigate, to take photos, and countless other things. Mobile communication has thus transformed society by allowing new forms of coordination, communication, consumption, social interaction, and access to news/entertainment. All of this is regardless of the space in which users are immersed. Set in the context of the developed and the developing world, *The Oxford Handbook of Mobile Communication and Society* updates current scholarship surrounding mobile media and communication. The 43 chapters in this handbook examine mobile communication and its evolving impact on individuals, institutions, groups, societies, and businesses. Contributors examine the communal benefits, social consequences, theoretical perspectives, organizational potential, and future consequences of mobile communication. Topics covered include, among many other things, trends in the Global South, location-based services, and the appification of mobile communication and society.
