

Sniper Books

Jerry Melvin Mitchem

To Be a Military Sniper Gregory Mast, Hans Halberstadt, 2007-12-15 The training and character that make for success in one of the most challenging and mysterious jobs the military has to offer, clearly described and illustrated.

Long Shot Jack Coughlin, Donald A. Davis, 2016-08-16 A Russian defector baits the U.S. in an attempt to regain its empire in this enthralling new novel in the bestselling Kyle Swanson sniper series.

Vietnam, the Making of a Sniper Jerry Melvin Mitchem, 2010 No other single force in Vietnam put as much fear into the hearts of the enemy nor gained his respect more than the American snipers. This is a story about one such Marine sniper team, in 1964/65 Delta-Two- Foxtrot who helped blaze the trail, gave their best, who hunted the enemy in its own back yard, took out assigned targets without the Viet Cong knowing they were present. Who was feared, hated and yet respected by the Viet Cong. The sniper team was hunted and chased for days and used every trick they knew to get back to base alive. Some teams made it back and still some brave heroes didn't. Semper Fi

The Sniper at War Michael E. Haskew, 2005-11 The Sniper at War looks at the impact and role of the sniper from the American Revolutionary War to the present day ... Haskew looks at how the art of sniping in war has become more professional and specialized, with dedicated training courses and equipment. Famous snipers throughout history are profiled, such as Vasili Zaitsev, a hero of the battle of Stalingrad, with testimonies from

individual snipers who took part in modern conflicts from Vietnam to Afghanistan and the Gulf.--from publisher description.

Kill Zone Jack Coughlin, Donald A.

Davis, 2007-11-13 From the authors of the New York Times bestseller *Shooter: The Autobiography of the Top Ranked Sniper* comes a story with all the same action and drama.

In the Crosshairs Jack Coughlin, 2017-08 A former top-level Russian sniper who worked for the CIA goes rogue, and Kyle Swanson must stop him before undercover operations are exposed in an action-packed novel in this bestselling series.

Modern Snipers Leigh Neville, 2016-08-25 The years since 9/11 have seen major changes in the way snipers are employed on the modern battlefield, alongside an incredibly rapid evolution in their weapons, equipment and training. This book covers the 14 years of near-constant warfare since the dawn of the 21st century, documenting where, when and how snipers have been deployed; their rifles, optics and their ancillary equipment such as laser range finders; their training and tactics and accounts of real-life operations involving sniper teams. The wars in Iraq and Afghanistan have reaffirmed the importance of snipers in both conventional and unconventional warfare, and this new study covers these developments in depth, as well as looking at the role of the sniper in police and counterterrorism environments.

The 21st Century Sniper Brandon Webb, Glen Doherty, 2010-09-15 Twenty-first-century sniping tactics by Navy SEAL military sniper Brandon Webb.

Shooter Sgt. Jack Coughlin, Casey Kuhlman, Donald A. Davis, 2007-04-01 The phenomenal New York Times bestseller *Shooter* captures a professional sniper's life, both on the battlefield--where he has racked up more than 60 confirmed kills--and off. Jack Coughlin is the Marine Corps' top-ranked sniper, the man who personally brings America's military muscle to the enemy's front door. In twenty years of active service, he has accumulated one of the most impressive records in the Corps, ranging through many of the world's hot spots. During Operation Iraqi Freedom alone, he recorded at least thirty-six kills, thirteen of them in a single twenty-four-hour period. In *Shooter*, Coughlin has written a highly personal story about his deadly craft, taking readers deep inside an invisible society that is off-limits to outsiders. This is not a heroic battlefield memoir, but the careful study of an exceptional man as he carries forward one of the deadliest legacies in the U.S. military.

Sniper Elite: One-Way Trip Scott McEwen, Thomas Koloniar, 2013-06-04 From the coauthor of the #1 New York Times bestseller *American Sniper*--the critically acclaimed memoir of SEAL sniper Chris Kyle--this "inspired by true events" thriller follows one of America's most lethal marksmen as he leads the rescue of a downed female Special Ops pilot. ONE TEAM. ONE SHOT. ONE WAY. In direct defiance of the president's orders, Navy Master Chief Gil Shannon, one of America's most lethal SEAL snipers, launches his own bold mission comprised of SEAL Team Six and Delta Force fighters to free a female helicopter pilot being

held and brutally mistreated by Taliban insurgents in Afghanistan. The president fears a botched rescue would be a foreign policy disaster—and the end of his term. But once the special ops community learns that one of their own has been taken hostage, there is no executive order strong enough to stop them from going in—whatever the risks.

The Sniper Encyclopaedia John Walter, 2019-08-23
A complete guide to snipers, rifles, techniques, battles, and campaigns throughout history and around the world, by the author of *The Hand Gun Story*. The work features hundreds of snipers, including not only the best-known—world renowned gurus such as Vasiliy Zaytsev and Chris Kyle—but also many crack shots overlooked by history. Among them are some of more than a thousand Red Army snipers—men and women, who amassed sufficient kills to be awarded the Medal for Courage and the Order of Glory. Also included are some of the best-known sniper victims, and the veracity of the most popular myths. The book thoroughly examines the history and development of the many specialist sniper rifles—some more successful than others—that have served the world's armies from the nineteenth-century American Wars to today's technology-based conflicts. Attention, too, is paid to the progress made with ammunition—without which, of course, precision shooting would be impossible. The development of aids and accessories, from camouflage clothing to laser rangefinders, is also considered. Finally, *The Sniper Encyclopedia* examines significant locations and specific campaigns—the way marksman have

influenced the course of the individual battles and places which have played a crucial part in the history of sniping, from individual sites to sniper schools and training grounds. The book contains authors' biographies, a critical assessment of the many books and memoirs on the world of the sniper, and a guide to research techniques. "A remarkable work of research and an endless treasure trove of information for anyone with an interest in the subject." –Martin Pegler, author of *Out Of Nowhere: A History of the Military Sniper*

American Sniper Chris Kyle, Scott McEwen, Jim DeFelice, 2012-01-03 The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. "An amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable." – PATRICIA CORNWELL, New York Times Book Review Jaw-dropping...Undeniably riveting. –RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about

the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

The Kyle Swanson Sniper Series, Books 1-3 Sgt. Jack Coughlin, 2016-12-20 Jack Coughlin, the Marine Corps' top-ranked sniper and author of New York Times bestseller Shooter, follows Gunnery Sgt. Kyle Swanson's action-packed top secret missions in the Middle East in the Kyle Swanson Sniper Series, Books 1-3. In Kill Zone, Kyle Swanson receives orders to mount a top secret mission to rescue an American general captured in the Middle East by terrorists who threaten to behead him. In Dead Shot, Swanson faces his most deadly enemy yet, a legendary enemy sniper working with a fringe Islamic organization that has created a terrifying new weapon of mass destruction. In Clean Kill, an attempt at a new peace in the Middle East is shattered by an unknown attacker, and only Swanson can find out who's responsible.

An Act of Treason Sgt. Jack Coughlin, Jack Coughlin, Donald A. Davis, 2012-01-31 In the fourth novel in the New York Times-bestselling series, Marine sniper Kyle Swanson finds himself in the sights of a man he once idolized--a true American hero turned traitor. Available in a tall Premium Edition. Martin's Press.

Way of the Reaper Nicholas Irving, Gary Brozek, 2016-08-09 From the New York Times bestselling author and co-star of Fox's American Grit comes a rare and powerful book on the art of being a sniper. Way of the Reaper is a step-by-

step accounting of how a sniper works, through the lens of Irving's most significant kills - none of which have been told before. Each mission is an in-depth look at a new element of eliminating the enemy, from intel to luck, recon to weaponry. Told in a thrilling narrative, this is also a heart-pounding true story of some of The Reaper's boldest missions including the longest shot of his military career on a human target of over half a mile. In Iraq and Afghanistan, Nicholas Irving earned his nickname in blood, destroying the enemy with his sniper rifle and in deadly firefights behind a .50 caliber machine gun. He engaged a Taliban suicide bomber during a vicious firefight, used nearly silent sub-sonic ammo, and was the target of snipers himself. Way of the Reaper attempts to place the reader in the heat of battle, experiencing the same dangers, horrors and acts of courage Irving faced as an elite member of the 3rd Ranger Battalion, 75th Ranger Regiment, while also examining the personal ramifications of taking another life. Readers will experience the rush of the hunt and the dangers that all snipers must face, while learning what it takes to become an elite manhunter. Like the Reaper himself, this explosive book blazes new territory and takes no prisoners.

I, Sniper Stephen Hunter, 2009-12-29 The explosive New York Times bestseller by Stephen Hunter that sends ex-Marine sniper Bob Lee Swagger into the thick of an FBI investigation and features some of the greatest gunfights ever to grace the page. It takes a seasoned killer... Four famed '60s radicals are gunned down at long range

by a sniper. All the evidence—timeline, ballistics, forensics, motive, means, and opportunity—points to Marine war hero Carl Hitchcock. Even his suicide. The case is almost too perfect. ...to hunt one. Recruited by the FBI to examine the data, retired Marine sharpshooter Bob Lee Swagger penetrates the new technology of the secretive sniper world to unravel a sophisticated conspiracy run by his most ruthless adversary yet—a marksman whose keen intellect and pinpoint accuracy rival his own. But when the enemy and his deadly henchmen mistake Bob for the hunted, it's clear that some situations call for a good man with a gun...and the guts to use it.

The Reaper: Autobiography of One of the Deadliest Special Ops Snipers Nicholas Irving, Gary Brozek, 2015-01-27 A memoir by a Special Operations Direct Action Sniper traces his extraordinary career during the War on Terror, which was marked by his record-setting deployment to Afghanistan and his face-off against an enemy sniper known only as The Chechnian.

Running the Maze Sgt. Jack Coughlin, Donald A. Davis, 2012-03-13 In the latest high-intensity thriller in the New York Times bestselling sniper series, Marine Gunnery Sergeant Kyle Swanson is sent into Pakistan, where an international team of medical workers has been executed in order to cover up a deadly terrorist secret. In the aftermath of great floods, a doctor on a relief mission in northeastern Pakistan discovers the remains of a collapsed bridge that reminds him of a bridge near his childhood home in Ohio. He snaps a cellphone picture and sends it to his sister,

just before his entire team is slaughtered. His sister is Beth Ledford, a Coast Guard sniper, who suspects that the answer to the mystery of her brother's death is in that cellphone picture. No one believes her until she finds Swanson and the secret special operations team known as Task Force Trident. When Kyle takes Beth into Pakistan to investigate, they find the true secret behind the mass murder—what may be the last, best hope of victory by al-Qaeda and the Taliban over allied forces. Now the two snipers have their sights set on one man, an American diplomat who has become the biggest obstacle to victory in the war on terror. The only question is: which of them gets to pull the trigger?

Clean Kill Sgt. Jack Coughlin, Donald A. Davis, 2010-04-01 On the heels of the New York Times bestselling *Dead Shot* comes the most thrilling installment of the Kyle Swanson series yet, in which an attempt at a new peace in the Middle East is shattered by an unknown attacker, and only Swanson can find out who's responsible. At a 15th Century castle outside Edinburgh, Scotland, Sir Geoffrey Cornwell is brokering an unprecedented agreement. Prince Abdullah of Saudi Arabia and the Israeli Foreign Minister are scheduled to sign an historic peace treaty—that is, until their meeting is violently interrupted by a missile strike that leaves the Foreign Minister of Israel dead and Cornwell and the Prince injured. Gunnery Sergeant Kyle Swanson is running covert missions in the mountains of Pakistan when he's called away from duty. He leaves for the U.K., where he thwarts another

attempt on the prince of Saudi Arabia's life. The attackers are Middle Eastern, but they aren't working for Al Qaeda—they're employed by foreign operatives opposed to the peace agreement and determined to claim Saudi oil reserves for themselves by whatever means necessary. Meanwhile, out of hiding and back from the dead comes Juba, one of the deadliest terrorists in the world and Kyle Swanson's nemesis, who is determined to exact revenge on the man who nearly took his life. With scenes of tremendous suspense that span the globe, Clean Kill puts Swanson in the sights of a group whose greed and vengeance know no limits. But their deadly ambitions also bring them into his sights, which is the wrong place to be.

Time to Kill Jack Coughlin, Donald A.

Davis, 2013-05-07 When the Sphinx is blown up by terrorists who also launch attacks on an Iranian soccer team and a vessel in the Red Sea, Kyle Swanson and his Trident team uncover an extremist plot to provoke war between Egypt and Iran to upset the balance of international power.

This is likewise one of the factors by obtaining the soft documents of this **Sniper Books** by online. Sniper Books Introduction Free PDF Books and Manuals for Download:			

history, and much more. One notable platform where you can explore and download free Sniper Books PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and

access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of

downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files

are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of

free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields.

It is worth noting that while accessing free Sniper Books PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to

knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sniper Books free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners,

contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Sniper Books Books

How do I know which eBook platform is the best for me? Finding the best eBook platform

depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely!

Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia

elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sniper Books is one of the best book in our library for free trial. We provide copy of Sniper Books in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sniper Books. Where to download Sniper Books online for free? Are you looking for Sniper Books PDF? This is definitely

going to save you time and cash in something you should think about.
