The words ghost and spirit are used interchangeably in American English but in other cultures the lingering souls of the departed are not to be confused with ancestral spirits, demonic spirits, numens or poltergeists. This encyclopedia lists hundreds of entities of the spirit realm--from aatxe to zuzeca--from world mythology and folklore.

Ghost Under Foot Kenneth W. Harmon,2012-03-08 Weeks after settling into their new home in Fort Collins, Colorado, retired police officer Kenneth W. Harmon and his family make a chilling discovery: they're living with a ghost. This true haunting story begins during a ghost tour at the famous Stanley Hotel, where the Harmons experienced headaches and paranormal phenomena. Once back at home, strange rapping noises, eerie whispers captured on film, and unidentified figures in his photographs compel Ken to research the land's history. What he learns shocks everyone: in the backyard sits the unmarked grave of Mary Bell Wilson, a young woman who died of typhoid fever in the late 1880s. As his fixation grows, Ken uses a dowsing rod to communicate with Mary Bell's spirit and investigate her brief life. The spirit's surprising answers shed light on the nature of the spirit world and the mysteries of crossing over.

Don't Call Them Ghosts Kathleen McConnell,2004 What's wrong, Mommy? Even a five-year-old could tell something was wrong. There she was-the same little girl I had seen years ago. She was standing at the front window of Duncan's nursery, holding the rag doll from the old toy box in the attic, silently saying, It's me, it's me... A true ghost story that will give you chills and warm your heart In 1971, Kathleen McConnell and her family moved into a historic home known as the Fontaine Manse. Two days after moving in, she and her husband had an extraordinary experience that left them with no doubt that unseen residents occupied the house, too. This is the true story of how Kathleen McConnell came to know and care for the spirit children who lived in the attic of the mansion-Angel Girl, Buddy, and The Baby. From playing ball with Kathleen, to saving her son Duncan from drowning, the spirit children became part of the McConnell family in ways big and small. Finally, a heart-wrenching decision triggered an unexpected and dramatic resolution to the spirit children's plight. *Don't Call Them Ghosts* is the inspiring story of the transcendent and lasting power of a mother's love.

Toward the Light Amy Major,2015-05-18 Stories of ghosts and hauntings have frightened us since the beginning of time. Until recently, few have dared to contact the deceased and discover the true nature of earthbound spirits and the phenomena they create. Our understanding of the afterlife has evolved, and with it the reality that ghosts are just like us, facing many of the same problems we face every day. Spirit rescue mediums are "psychologists for the deceased," helping them peacefully transition to the other side. *Toward the Light* is the first guide dedicated solely to spirit rescue and its role in saving earthbound spirits from their self-imposed exile on earth. It is a guide to rescue mediumship, a form of spirit communication used to counsel and aid the deceased in crossing over. It is the first book that will help you understand things from a ghost's perspective, and will cover such diverse topics as: Why spirits remain earthbound and the emotions associated with this decision Places of interest for earthbound spirits and the reasoning behind their residency Techniques and tools used by rescue mediums Psychic protection tools and techniques for all levels of spirit activity The different vibrational levels of spirit attachments Residual energy and the techniques used to clear it away

From recording strange voices during his dusk-to-dawn lockdowns at "haunted" places to a face-to-face encounter with a spirit at Linda Vista Hospital in Los Angeles, Nick reveals an inside perspective of some of the most mind-blowing incidents caught on-camera, a closer look at some of the gadgets and gear used in the show, and the friendly and competitive camaraderie between the *Ghost Adventures* crew—on the set and off. *Chasing Spirits* also invites you into Nick's haunted past, where a childhood near-death experience, an energetic passion for life, and a love of movies fueled his imagination and curiosity about the afterlife and started him off on his paranormal path. That path combined his interests in a documentary on ghosts that would eventually launch the *Ghost Adventures* television series and phenomenon. Everything Nick has witnessed and done has convinced him of the reality of the hereafter and inspired him to improve his personal and professional relationships and to continue to learn what it means to be a human being on a spiritual journey.

Confessions of a Reluctant Ghost Hunter Von Braschler,2014-08-16 A how-to primer on safe ghost removal with accounts of the author's most dangerous spirit confrontations • Includes lists of what to do and what to avoid and explains how to identify what kind of spirit you are dealing with and whether it is safe to attempt removal • Details the author's difficult attempts to remove spirits from haunted buildings • Reveals how haunting spirits may not simply be ghosts of deceased people but may be powerful entities manifested from rage, hatred, and frustration Despite early recognition of his own psychic sensitivities and ability to see spirits, Von Braschler did not seek to become a ghost hunter. He entered on this path through a chance encounter with a professional ghost hunter. After training with her, he returned to Oregon where he began exorcising ghosts for friends and acquaintances and, as he reveals in these pages, quickly stumbled upon forces far beyond his level of experience. Sharing his true story of what can go wrong when ghost hunting, Braschler describes his training sessions with the professional ghost hunter and details his most difficult and dangerous attempts to remove spirits from haunted buildings, including an old church in Portland and an herbalist's trailer on Mount Hood, where he encountered a spirit known to choke people in their sleep. He explains how not all spirits are simply ghosts of deceased people reluctant to move on from this plane of existence. They may be entities created from the rage, hatred, or frustrations of a building's current or former inhabitants, and disturbing them can lead to dark confrontations without easy resolution. Offering a primer on ghost removal, Braschler provides practical lists of what to do and what to avoid when removing ghosts from a haunted building. He outlines how to identify what kind of spirit you are dealing with, whether it is safe to attempt removal, and how to approach the ghost and convince it to leave. Detailing his own intense and sometimes hellish battles with unseen spirits, he also includes an impassioned plea of caution to those who try to contact ghosts and spirits purely for entertainment.

Investigating Ghosts and the Spirit World Susan Henneberg,2014-12-15 Whether or not you believe in them, the scientific investigation of ghosts is big business. This book examines evidence of the existence of ghosts and takes a critical look at what the scientific findings might actually mean. It also delves into the history of ghosts in cultures around the world and attempts to explain why the idea of being haunted by spirits of the dead continues to captivate us.

Ghosts and Spirits Are Real and What Is the Difference? Toni Maisey/Shinnick, 2019-03-08 2 Corinthians 11:14-15 (ESV) And no wonder, for even Satan disguises himself as an angel of light. So it is no surprise if his servants, also, disguise themselves as servants of righteousness. Their end will correspond to their deeds. GHOSTS AND SPIRITS ARE REAL and what is the difference? (The spiritual realm is more real than the natural world) And how when we leave a place of darkness our memory of sadness is imprinted on the wall to haunt all for ever more. By Toni Maisey/Shinnick This book was inspired by a vision, In the vision I walked to the back of Saint Mary's Cathedral Perth (at the intersection of Victoria Square and Goderich Street) where I saw many graves enclosed with a tall fence and gates to enter on either side, suddenly I felt great fear. And on the back of the St Marys Cathedral hanged an arm and hand (like a large birds claw) of death (representing evil). To explain what a ghost or a spirit is, simply means that a spirit is from a live human body, whose spirit is traveling to others and often you can hear them coming to you. A ghost apart from the Holy Ghost is a dead man's spirit. If a dead mans spirit comes into you then you will need exorcisms. In a Christian exorcism, we ask Jesus to perform the deliverance in prayer and ask the person to repent of sin, so the evil spirits and ghosts will not have any strongholds. Giving up the sin that causes the spirits and ghosts to stay can help the person recover powerfully. Are demons evil spirits? No demons are straight from hell and they are fallen angels, they are not evil spirits or ghosts travelling but creatures without bodies and have never had a human body these are called demons. There is much evil outside the churches but inside the churches is Holyness. If we could look through magical glasses that see to the spirit realm, we would see the demons lurking around waiting to get inside a human to cause havoc. (sugar, caffeine, medicine, are all stimulants that open the door to the spirit realm which lets them into our brains and then can cause seizures etc. Gargoyles are what the demons look like it why the churches put gargoyles on the churches outer walls to warn the people of the evil that lurks outside the church and the evil that is to come. This fear encourages the people to stay good knowing that the devil is lurking to take them to hell.
