Edward W. Said

Women in the Irish Credit Union Movement Donal G. McKillop, 2002 'Women in the Irish Credit Union Movement' concerns the gender profile of credit unions in Ireland. This book establishes and documents the role played by women in the Irish credit union movement, both in the Republic of Ireland and in Northern Ireland.

Sophie's World Jostein Gaarder, 2007-03-20 One day Sophie comes home from school to find two questions in her mail: Who are you? and Where does the world come from? Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

The Royal Irish Constabulary Jim Herlihy, 2016 This new, revised and expanded edition brings back into print an excellent resource for those interested in the history of the RIC and the revolutionary period generally. In the period 1816 to 1922 some 85,000 men served in the RIC and its predecessor forces. Information on all these policemen is available, constituting a quarry for their descendants in Ireland, the US and elsewhere. The

book consists of chapters on the history of policing in Ireland (to illustrate the type of men in the Force, their background and their lifestyle etc.), followed by a section on 'Tracing your ancestors in the RIC'. New appendices to this edition identify members of the RIC who were rewarded for their service during the Young Ireland Rising, 1848; the Fenian Rising, 1867; the Easter Rising, 1916; and the War of Independence, 1919-21. Also members of the RIC who volunteered for service in the Mounted Staff Corps and the Commissariat during the Crimean War; members who served as drivers and orderlies on secondment to the Irish Hospital in the South African War in 1900; and members who served in the British Army in the First World War are identified. RIC recipients of the King George V, Coronation (Police) Medal, 1911; the Constabulary Medal; and the Kings Police Medal are listed, as are ex-RIC men who transferred to the Royal Ulster Constabulary in 1922 and received additional bravery medals. Let the Great World Spin Colum McCann, 2009-11-30 NATIONAL BOOK AWARD WINNER

- Colum McCann's beloved novel inspired by Philippe Petit's daring high-wire stunt, which is also depicted in the film *The Walk* starring Joseph Gordon-Levitt In the dawning light of a late-summer morning, the people of lower Manhattan stand hushed, staring up in disbelief at the Twin Towers. It is August 1974, and a mysterious tightrope walker is running, dancing, leaping between the towers, suspended a quarter mile above the ground. In the streets below, a slew of ordinary lives become extraordinary in bestselling novelist Colum McCann's stunningly intricate portrait of a city and its people. *Let the Great World Spin* is the critically acclaimed author's most ambitious novel yet: a dazzlingly rich vision of the

pain, loveliness, mystery, and promise of New York City in the 1970s. Corrigan, a radical young Irish monk, struggles with his own demons as he lives among the prostitutes in the middle of the burning Bronx. A group of mothers gather in a Park Avenue apartment to mourn their sons who died in Vietnam, only to discover just how much divides them even in grief. A young artist finds herself at the scene of a hit-and-run that sends her own life careening sideways. Tillie, a thirty-eight-year-old grandmother, turns tricks alongside her teenage daughter, determined not only to take care of her family but to prove her own worth. Elegantly weaving together these and other seemingly disparate lives, McCann's powerful allegory comes alive in the unforgettable voices of the city's people, unexpectedly drawn together by hope, beauty, and the "artistic crime of the century." A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in a time of transition, extraordinary promise, and, in hindsight, heartbreaking innocence. Hailed as a "fiercely original talent" (San Francisco Chronicle), award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can achieve, confront, and even heal. Praise for *Let the Great World Spin* "This is a gorgeous book, multilayered and deeply felt, and it's a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest-ever novels about New York. There's so much passion and humor and pure life force on every page of *Let the Great World Spin* that you'll find yourself giddy, dizzy, overwhelmed."—Dave Eggers "Stunning . . . [an] elegiac glimpse of hope . . . It's a novel rooted firmly in time and place. It vividly captures New York at its worst and best. But it transcends all that. In the end, it's a novel about families—the ones we're born into and the ones we make for ourselves."—USA Today "The first great

9/11 novel . . . We are all dancing on the wire of history, and even on solid ground we breathe the thinnest of air.”—Esquire “Mesmerizing . . . a Joycean look at the lives of New Yorkers changed by a single act on a single day . . . Colum McCann’s marvelously rich novel . . . weaves a portrait of a city and a moment, dizzyingly satisfying to read and difficult to put down.”—The Seattle Times “Vibrantly whole . . . With a series of spare, gorgeously wrought vignettes, Colum McCann brings 1970s New York to life. . . . And as always, McCann’s heart-stoppingly simple descriptions wow.”—Entertainment Weekly “An act of pure bravado, dizzying proof that to keep your balance you need to know how to fall.”—O: The Oprah Magazine

The Ogham Stone Gerald Dawe, Michael Mulreany, 2001

The End and the Beginning Hermynia Zur Mühlen, 2010 First published in Germany in 1929, *The End and the Beginning* is a lively personal memoir of a vanished world and of a rebellious, high-spirited young woman's struggle to achieve independence. Born in 1883 into a distinguished and wealthy aristocratic family of the old Austro-Hungarian Empire, Hermynia Zur Mühlen spent much of her childhood travelling in Europe and North Africa with her diplomat father. After five years on her German husband's estate in czarist Russia she broke with both her family and her husband and set out on a precarious career as a professional writer committed to socialism. Besides translating many leading contemporary authors, notably Upton Sinclair, into German, she herself published an impressive number of politically engaged novels, detective stories, short stories, and children's fairy tales. Because of her outspoken opposition to National Socialism, she had to flee her native Austria in 1938 and seek refuge in England, where she died, virtually penniless, in 1951.

This revised and corrected translation of Zur Muhlen's memoir - with extensive notes and an essay on the author by Lionel Gossman - will appeal especially to readers interested in women's history, the Central European aristocratic world that came to an end with the First World War, and the culture and politics of the late nineteenth and early twentieth centuries.

Culture and Imperialism Edward W. Said, 2012-10-24 A landmark work from the author of *Orientalism* that explores the long-overlooked connections between the Western imperial endeavor and the culture that both reflected and reinforced it. In the nineteenth and early twentieth centuries, as the Western powers built empires that stretched from Australia to the West Indies, Western artists created masterpieces ranging from *Mansfield Park* to *Heart of Darkness* and *Aida*. Yet most cultural critics continue to see these phenomena as separate. Edward Said looks at these works alongside those of such writers as W. B. Yeats, Chinua Achebe, and Salman Rushdie to show how subject peoples produced their own vigorous cultures of opposition and resistance. Vast in scope and stunning in its erudition, *Culture and Imperialism* reopens the dialogue between literature and the life of its time.

Detective Tom Connolly, 2015-10-27 Tom Connolly joined An Garda Síochána in 1955, following in the footsteps of his father and grandfather. His early days on the force were spent in various villages and towns around Ireland, tracking petty thieves, raiding pubs and patrolling country roads on his bicycle. Back then, before the dawn of DNA profiling, policemen relied on local knowledge and intuition - as well as careful evidence-gathering and interrogation techniques - to make their cases. Over his forty-year career, Connolly rose to the rank of Detective Superintendent, working on high-profile thefts, assaults and

murders with the National Technical Bureau. This fascinating memoir offers an insight into the day-to-day work of the gardaí, and celebrates the courage and dedication of all those who risk their lives to keep us safe.

The Dublin Metropolitan Police Jim Herlihy, 2001 Some 12,566 men enlisted in the Dublin Metropolitan Police between the force's formation, in 1836, and its amalgamation with the Garda Siochána, in 1925. Herlihy is interested less in providing a formal history of the force, he writes, than in positioning the DMP in its historical context, showing t

Employment Law Jane Moffatt, 2011 'Employment Law' is the core text for trainee solicitors studying employment law on the professional practice course. It provides an overview of current Irish employment law including recent changes in legislation, making it an excellent starting point on the subject.

The Anatomy of Fascism Robert O. Paxton, 2007-12-18 What is fascism? By focusing on the concrete: what the fascists did, rather than what they said, the esteemed historian Robert O. Paxton answers this question. From the first violent uniformed bands beating up "enemies of the state," through Mussolini's rise to power, to Germany's fascist radicalization in World War II, Paxton shows clearly why fascists came to power in some countries and not others, and explores whether fascism could exist outside the early-twentieth-century European setting in which it emerged. A deeply intelligent and very readable book. . . . Historical analysis at its best. –The Economist *The Anatomy of Fascism* will have a lasting impact on our understanding of modern European history, just as Paxton's classic *Vichy France* redefined our vision of World War II. Based on a lifetime of research, this compelling and important book transforms our knowledge of fascism—"the

major political innovation of the twentieth century, and the source of much of its pain.”

Debating Austerity in Ireland Emma Heffernan, John McHale, Niamh Moore-Cherry, 2017 The austerity that followed the recent economic and financial crisis in has led to impassioned debates across the social sciences and the public at large. Although Ireland was not its only victim, the depth of the interacting economic, banking and budgetary crises has meant that the level of public interest has been especially intense. Among the hotly debated questions: what is austerity? Was it necessary? What have been its consequences? One of the defining features of the debate to date has been its tendency to polarise opinion and adopt a one-dimensional perspective. This book challenges us to adopt a more nuanced approach to understandings of austerity, and by extension the path to recovery. The book brings together leading national and international experts from across the social sciences to debate this traumatic period in Ireland's economic and social development. The papers were selected from a conference at the Royal Irish Academy, peer-reviewed and rewritten with the addition of a substantial introduction and conclusion by the editors.

Biography of an Industrial Town Alessandro Portelli, 2017-09-27 A pioneering work in oral history, this book tells the story of the rise and fall of the industrial revolution and the apogee and crisis of the labor movement through an oral history of Terni, a steel town in Central Italy and the seat of the first large industrial enterprise in Italy. This story is told through a combination of stories, songs, myths and memories from over 200 voices of five generations, woven with a wealth of archival material.
