77 Ways to Get the Edge at Casino Poker Fred Renzey,1998-07 Fred Renzey is a high-stakes, expert poker player. On a daily basis he faces -- and beats -- some of the best players in the States in fierce poker room competition. Now for the first time, Renzey offers his perceptive insights on how to play winning poker. If you are a serious poker player who is determined to improve your game, this is the book for you! Renzey covers the four most popular casino poker games: Seven Card Stud, Texas Hold'em, Omaha Hi-Lo Split (8 or better) and Seven Stud Hi-Lo Split (8 or better) from two perspectives -- the theoretical best play of the hand and its practical application. His wealth of personal and practical experience will show you exactly what a winning poker player needs to know to conquer real-world opponents whose weaknesses and strengths must be reckoned with. This book deals with universal poker concepts, effective strategies for each game and 77 fully illustrated 'situations' that, when understood and played correctly, can make you one of the toughest players in the game.

What No One Else Is Saying about Online-Poker Carl Varrone,2007-02 With the renewed interest in the WSOP and Texas Hold-Em poker, online poker rooms have become the easiest way for the average player to get in the game. Online poker generates billions of dollars a year. Millions are playing and millions are lost every day. When playing poker live, an experienced player coupled with a little luck is a winning hand. But when playing online, rampant cheating and endless numbers of bad players make the luck factor the deciding factor. This book will let you understand the two different games being played, comparing live play to online play. What No One Else Is Saying About Online Poker highlights how the internet has changed the game into a free for all that could bring even the most experienced professional poker player to his knees, begging for mercy. What No One Else Is Saying About Online Poker is the tell all book about online poker. Topics: . Research the ins and outs of the industry and how the internet has changed the game forever. . Understand why online poker rooms are spending millions to detect cheating. . Learn the different types of cheating taking place in today's online poker rooms and how to

recognize it. . Uncover the truths and rumored myths of online poker. . Learn exactly where online poker rooms and the players stand concerning the new bill passed into law on October 13,2006: The Unlawful Internet Gambling Enforcement Act of 2006. . Arm yourself with the knowledge to compete and discover if you can even afford trying. Author Carl Varrone, a successful business owner and poker enthusiast began his research for What No One Else Is Saying About Online Poker in 1998. His curriculum included reading numerous books and firsthand experiences in casino poker rooms learning to master the game. When poker rooms started popping up on the internet, Varrone found himself playing online every chance he could. Through his years of playing and research he was compelled to write this book. Every person playing online poker or considering it should learn from his experiences before getting in on the action.

The Art Of Winning Poker Tournaments Peter Zhang,2016-01-31 Visit SafeGlobalPoker.com To Play honest fair poker online with low rake. This is a one of a kind book that will imbibe in you the secrets and the art of winning poker tournaments with ease, finesse, brilliance and skill. There is so much that goes in winning poker tournaments, if you can become a great tournament professional, then you have conquered the world. Tournaments have so many advantages versus cash games that great players today are mostly focusing on tournaments and they will play 4 or 5 tournament series and will relax the entire other part of the year. Even winning 2 or 3 tournament trophies and finishing in the money in several tournaments will pay for the entire years of expenses and provide buy-ins for the next year tournament series. I have come out with this book so that average tournament professionals can rise and become world's best tournament professionals. I have taught students around the world and my material has been read by some of the world's best pros for a lot of money. My other books also deal with PLO and NLHE in which I show in examples how I am able to crush online poker with ease and finesse and lift thousands of dollars in a very short period of time. You may also like to check them out. I have been a feared player in the online world known as 'bts=u=' and I believe it is time to share my secrets with the world on tournaments. I also have made vast study and learnt a lot from the world's best pros on the Global Poker Index and this summation of knowledge I am sharing with you so that you too can become a millionaire like me and lead a baller life. I know it is easier said than done but if you do read this book cover to cover 10 times I believe you will become 100 times better as a tournament player than where you are currently and this means finishing in the top 3 positions in a tournament a lot more times. I believe this is the time to start and start taking down poker

tournaments around the world for fame, glory and fortune. Let's get started on the learning process. The topics I will cover in this book are • Tempo and why it matters • Importance of Reads on Players and how to take them • Getting and maintain a big stack in a tournament • How You can Trap your way to a bracelet • Art of Winning Poker Tournaments • Developing Intuition and the fine line between hunches and intuition • Final Table Tactics for winning tournament crowns • Hundreds of examples from the top 100 Global Poker Index players to develop skill and hand reading skills There is a lot of information condense in this book, just imagine if you are able to convert a tournament to finishing in the top 3 positions the rewards are immense. The first position of any tournament pays out so much in contrast to other positions that learning the art of winning tournaments and this book becomes an essential read for any player participating in the World Series Of Poker Tournament events and similar tournaments. If you play 100 tournaments and you are able to convert 10 tournaments into big wins it is so much better and rewarding and it is what this book promises. Visit KaizenPoker.com for more!

Caro's Book of Poker Tells Mike Caro, One of the ten greatest books written on poker, this must-have book should be in every player's library. If you're serious about winning, you'll realize that most of the profit comes from being able to read your opponents. Caro reveals the the secrets of interpreting tells-physical reactions that reveal information about a player's cards-such as shrugs, sighs, shaky hands, eye contact, and many more. Learn when opponents are bluffing, when they aren't and why-based solely on their mannerisms. Over 170 photos of players in action and play-by-play examples show the actual tells. These powerful ideas will give you the decisive edge.

Poker Games Guide - Texas Hold 'em Poker Nicolae Sfetcu, 2016-11-07 This book is an introduction to the poker game, emphasizing on the Texas Hold 'em Poker, the betting structure, poker variants, poker strategy and specific poker tournaments. The popularity of poker (mainly the no-limit Texas hold'em) reached an unprecedented peak in the 2000s. This poker boom is attributed to several factors: the invention of online poker, the television broadcast tournaments (with miniature cameras revealing the cards), the presentation of the online poker sites in television commercials, and victory in 2003 of Chris Moneymaker at the World Series of Poker. Not only the public can now follow the actions of the tournaments on television, turning this game in the sporting spectacle, but it can also be played directly from home. The spread of tournaments such as the World Series of Poker and the World Poker Tour created a strong following among television program providers by cable or satellite. Because of the hype, professional players have become celebrities, with many fans around the world participating in tournaments in the hope of being confronted with these celebrities. Poker is played in many variations but there are three large families. They differ firstly by the way of distribution of playing cards. Cards can be shared by all players or private for each player. They can also be closed (visible only by the owner of cards) or open (visible to all). There are also differences in the game base on stakes. The winning hands can be high, low or both (high/low). In some embodiments where poker is played high and low hands, certain conditions are imposed on low hands. For example, a player's hand can not contain card over eight (eight or better), or aces can count only as high card (deuce to seven). Poker is a microcosm of all we admire and disdain about capitalism and democracy. It can be rough-hewn or polished, warm or cold, charitable and caring or hard and impersonal. It is fickle and elusive, but ultimately it is fair, and right, and just. -- Lou Krieger

The Complete Book of Hold 'Em Poker Gary Carson, 2001 For anyone from raw beginner to the advanced player, this book shows how to develop a dynamic poker playing style that can be adapted to varying table conditions. Photos.

Killer Poker Online 2 John Vorhaus, 2006 The modern internet poker game has changed dramatically in just a couple of years. Killer Poker Online 2 teaches players how to take advantage of these changes, exploiting patterns, tendencies and weaknesses of online players; playing winning strategies that are not possible in real games; beat the unique sit-and-go tournament; and navigate and dominate full-field online tournaments. Vorhaus dispenses exceptional insider knowledge to maximise cash return for every reader.

Poker Tournament Formula 2: Advanced Strategies Arnold Snyder, 2013-09-01 Snyder adapts the loose aggressive fast tournament strategies of his groundbreaking first book to the big buy-in events where the real money is made. Players learn never-before-revealed concepts and secrets that shows players why cards don't matter as much as the dynamics of a tournament. Readers learn how to alter their strategy for any tournament structure and opponent, why hands must be played differently from cash games, and why players can't figure out what winners are doing just from watching them play. The book also covers optimal satellite strategy, sit'n'go strategy, methods for estimating tournament win rate and edge

Raising the Stakes Sean Chaffin, 2012-06-01 Poker has been on a boom for almost a decade now, and writer Sean Chaffin's new book *Raising the Stakes: True Tales of Gambling, Wagering and Poker Faces* offers up stories of gambling and poker's unique history and lore. From underground games in Dallas to tales of the World Series of Poker to crazy stories like wagering at a Puerto Rican cockfight, *Raising the Stakes* features something for everyone interested in gambling, poker, or history in general. "There is just such a unique history and lore to gambling and poker," he says. "Some of these stories are really out of the mainstream and not too well-known. I just know there is an audience out there like me, who love that unique poker culture." Some of the book's features include:

- The Top O' the Hill casino, an underground casino in Arlington, Texas, that was a forerunner to today's modern casinos. The story of how it was raided by law enforcement and eventually turned into a seminary is one of a kind.
- Jack Strauss – his comeback story at the World Series of Poker spawned the phrase: "All you need is a chip and chair." Many know the phrase, but not the larger than life story of this amazing poker player, gambler, and big game hunter.
- The Amvets Club in Dallas – an underground poker room where many of the World Series of Poker's greatest players got their start. That history includes a gripping robbery and raid by law enforcement.
- And many more.

In recent years, Sean's work and coverage of the industry have appeared in many publications including *Poker Pro*, *World Poker Tour* magazine, *American Cowboy*, *Hooters* magazine, *Fort Worth* magazine, *H* magazine in Houston, *Poker Europa*, *Poker Player Newspaper*, and more. He has interviewed and covered some of the biggest names and events in the poker world. For the last year, he has been a contributor to *Casino Player*, *Strictly Slots*, and *Canadian Poker Player* magazines. For several years, Sean has served as monthly crime writer for *Advocate* magazines in Dallas. He also owned a weekly newspaper in Rockwall, Texas, for five years. Chaffin grew up in Crandall, Texas, playing poker in his father's regular poker games. He is a native Texan who attended Texas A&M University, majoring in journalism and English. He now lives in Rockwall, Texas, with his wife Kathy and daughters Marie and Chloe. Beyond his magazine writing, Sean is editor of www.PokerTraditions.com, a site all about poker history, lore, and people. The site is re-launching with the book's release.

"*Raising the Stakes* takes readers from the saloons and back rooms of poker's early days to the high-stakes tables and televised tournaments of today. Its entertaining anecdotes and insider's perspective will leave even casual players itching to play a few hands." – Tom Wilmes, Deputy Editor, *American Cowboy* magazine

"Sean's writing offers a unique insight into poker's past, present, and future." – Antonio Esfandiari, poker pro and ESPN World Series of Poker commentator

"Sean Chaffin has a unique insight into casinos and gambling and is one of the go-to writers in the poker world." – John "Johnny Quads" Wenzel, Editor-in-Chief, *Poker Pro* magazine

"Sean Chaffin is a lot more than a journalist. He's an incredible writer who understands the casino and gaming industry on a very deep level. When I need to assign a big story, I contact Sean." – Rob Wiser, Editor, *Casino Player* magazine

"Sean Chaffin is one of my favorite writers for many reasons but mostly because he's a great story-teller. Lots of people can write but only the best can tell stories as if you were sitting around the campfire." – Paul K. Harral, Executive Editor, *Fort Worth*, Texas magazine

"Sean has a unique voice that captures the seriousness of stories while also injecting bits of humor and

irony. He does a good job of collecting oodles of information and condensing it into easily digestible short articles.”– Christina Hughes Babb, Managing Editor, Advocate magazines-Dallas
