After the Prophet Lesley Hazleton, 2010-09-07 In this gripping narrative history, Lesley Hazleton tells the tragic story at the heart of the ongoing rivalry between the Sunni and Shia branches of Islam, a rift that dominates the news now more than ever. Even as Muhammad lay dying, the battle over who would take control of the new Islamic nation had begun, beginning a succession crisis marked by power grabs, assassination, political intrigue, and passionate faith. Soon Islam was embroiled in civil war, pitting its founder's controversial wife Aisha against his son-in-law Ali, and shattering Muhammad's ideal of unity. Combining meticulous research with compelling storytelling, *After the Prophet* explores the volatile intersection of religion and politics, psychology and culture, and history and current events. It is an indispensable guide to the depth and power of the Shia-Sunni split.

Stories of the Prophets Sayyed Abul Hasan Ali Nadwi, 2017-06-03 The prophets were chosen by Allah to guide mankind to the Divine Path. They faced many difficulties and suffered severe hardships in their efforts to call their straying people to obey and worship Allah. This edition of *Stories of the Prophets* presents the lives of Allah's prophets (peace and blessing be upon them). The stories were written by the renowned Islamic scholars Maulana Sayyed Abul Hasan Ali Nadwi. He is one of the greatest living authorities on Islam and his works are used as textbooks through the Arab and Muslim world. This translation from a major Arabic work provides English speaking Muslims

with the benefits of Maulana Sayyed Abul Hasan's scholarship. The stories which have been drawn from the Holy Quran constantly reflect the authors depth of knowledge. They are written in a lively style with subtleties explained and descriptions vividly portrayed to provide the reader with a clear picture of each Prophet's mission. Each story is a delight to read and should provide both adults and children with a fresh insight into the life of the men Allah chose to guide their communities. The story of the last Prophet has not been included in this edition as it deserves a book to itself. To ensure that young people receive all the guidance, knowledge and inspiration that Stories of the Prophets offers, a workbook is included.

Swallowed Alive Cyd Eisner, 2013-03-27 To all the Muslim children and non-Muslim children who read this story about Yunus (AS) or any of the stories about the Prophets, may you be inspired to follow their righteous and well-mannered example. May you also be inspired to make a difference in uniting the Muslim Ummah (nation) and to encourage peace throughout the world InshaAllah (God Willing). In the Islamic religion, Allah (SWT) is the Arabic and Islamic name for God, and Muslims believe that Allah (SWT) does exist. He sees and hears all that we do. Yunus (AS) story is an excellent example. In Islam, all Allahs (SWT) creations: plants, animals, trees, etc. pray to Allah (SWT) in their own way and bow to Him in prayer. On the Day of Judgment, all His creation will be witnesses regarding what we have done in this life and how we did it. Muslims believe that actions in this life determine if we will be accepted into paradise. Our tongues are going to tell Allah (SWT) how and what we spoke of in this life was it done truthfully, respectfully, and kindly? Or did we use our voices to lie, hurt, gossip, and complain? Our eyes will reflect everything they witnessed, good or bad. Our hands will be a testament as to what they have touched or how we used them, good or evil. The ground will witness on our behalf, every area where we pray whether it is the corner of a room or out in

some meadow will be a witness to the bowing down to Him in praise. And on the last day, the earth will report all that happened, and then everyone will be shown their Book of Deeds. Every creation submits to Allah (SWT) and even though we might not see them praying, that is considered the unseen and we must believe in the unseen. We cant see the air, but we know that it is there because we breathe it. We dont need to see an artist next to his painting to know he painted it. It is the same with Allah (SWT). You see His sky, stars, vast landscapes, bodies of water, insects, and animals. We cant physically see Allah (SWT), but we see Him through His creation and we believe this is proof of His existence. To become familiar with the Arabic terminology and acronyms used throughout this book, please refer to the glossary at the end of the story. And lastly, thank you to my editor, W.E. Kinne and to my designer, Lamya El-Shacke; without you, this book would not be possible.

Stories of the Prophets Ismā’īl ibn ‘Umar Ibn Kathīr,2011

Story of Ishmael and Isaac Ibn Kathir, 2015-11-06 Allah the Most Exalted says in the Quran: We are relating unto you the most beautiful stories in that which we have revealed to you from the Quran, though before it you were from among those who were not aware of them. Prophet Abraham (pbuh) was endowed with many spiritual understanding from an early age. Prophet Ishmael or Ismail (pbuh) was Abraham's first son. This is according to the Torah, the Bible, and the Quran. Ishmael was born to Abraham and his wife Sarah's servant Hajar. This is according to the Quran and (Genesis 16:3). And according to the Bible account, he died at the age of 137 (Genesis 25:17) Later Allah, gave Sarah glad tidings of Isaac (pbuh).

In the Footsteps of the Prophet Tariq Ramadan, 2007-02-05 Named by Time magazine as one of the 100 most important innovators of the century, Tariq Ramadan is a leading Muslim scholar, with a large following especially among young European and American Muslims. Now, in his first book written for a wide audience, he offers a marvelous biography of the Prophet Muhammad, one that highlights the spiritual and ethical teachings of one of the most influential figures in human history. *In the Footsteps of the Prophet* is a fresh and perceptive look at Muhammad, capturing a life that was often eventful, gripping, and highly charged. Ramadan provides both an intimate portrait of a man who was shy, kind, but determined, as well as a dramatic chronicle of a leader who launched a great religion and inspired a vast empire. More important, Ramadan presents the main events of the Prophet's life in a way that highlights his spiritual and ethical teachings. The book underscores the significance of the Prophet's example for some of today's most controversial issues, such as the treatment of the poor, the role of women, Islamic criminal punishments, war, racism, and relations with other religions. Selecting those facts and stories from which we can draw a profound and vivid spiritual picture, the author asks how can the Prophet's life remain -- or become again -- an

example, a model, and an inspiration? And how can Muslims move from formalism -- a fixation on ritual -- toward a committed spiritual and social presence? In this thoughtful and engaging biography, Ramadan offers Muslims a new understanding of Muhammad's life and he introduces non-Muslims not just to the story of the Prophet, but to the spiritual and ethical riches of Islam.

Stories of the Prophets Ibn Kathir, 2019-04 You will definitely find this book highly interesting and thought-provoking. In this book, the stories of the prophets have been compiled from 'Al-Bidayah wan-Nihayah' (The Beginning and the End) which is a great work of the famous Muslim exegete and historian Ibn Kathir and has a prominent place in the Islamic literature. The stories of the prophets and all the events in their lives have been supported by the Qur'anic Verses and the Sunnah (traditions) of the Prophet (S). Wherever it was necessary, other sources have also been reported for the sake of historical accounts, but on such places a comparative study has been made to prove the authenticity of the sources. Ibn Kathir has reproduced the views and interpretations of all the great exegetes of the Qur'an of his time. The systemic narratives of the Stories of the Prophets have been written in chronological order which renders a historical style to the book. Allah the Most Exalted says in the Qur'an: We are relating unto you the most beautiful of stories in that what We have revealed to you from the Qur'an, though before it you were from among those who were not aware of them. (12:3) We have indeed sent aforetime Messengers before you, of them there are some whose stories We have related to you, and whose stories We have not related to you... (40:78) We relate to you the important news of their story in truth... (18:13) And all that We relate to you of these stories of the Messengers, We strengthen with them your heart. Through them there come to you the truth as well as admonition and reminder to all those who believe. (11:120) There is, indeed, in their stories lessons for people endowed with understanding. It

is not any invented tale, but a confirmation of what went before it, and a detailed exposition of all things, and a guide and a mercy to the people who believe. (12:111) ...so relate the stories, perhaps they may reflect. (7:176)

The Complete Biography of Prophet Adam (Pbuh) and Eve (Hawa) Muhammad Vandestra, 2018-01-10 Prophet Adam is believed to have been the first human being and prophet on Earth, in Islam. Adam's role as the father of the human race is looked upon by Muslims with reverence. Muslims also refer to his wife, Hawa or Eve, as the mother of mankind. Muslims see Adam as the first Muslim, as the Qur'an states that all the Prophets preached the same faith of Islam (Submission To One God). The Qur'an and hadith give the same account of the creation of Adam and Eve. Synthesizing the Qur'an with Sunni hadith can produce the following account. According to the Qur'an, when God informed the angels that he was going to put a successor on Earth, they questioned whether the human would cause bloodshed and damage, but he told them that he knew what they did not. He created Adam from clay and breathed life into him. Hadith add that he was named Adam after the clay he was made out of, or the skin (adim) of the earth. Returning to the Qur'an, when Allah SWT (God) asked all the angels to prostrate before Adam, they all obeyed, except Iblis (Lucifer) from Jinn race (demon). He said, I am made from fire, when Adam is from clay. I am better than him. I am not going to prostrate before him. Sunni hadith say that while Adam was sleeping, God took a rib from him and from it he created Eve; however, while the creation of Adam and Eve is referred to in the Qur'an, the exact method of creation is not specified. The Qur'an then says that God commanded that Adam and Eve not eat from one tree in the garden of Eden, but Iblis was able to convince them to taste it. They then began to cover themselves because they now knew that they were naked. For this, God banished Adam and Eve to earth; non-canonical Sunni hadith say that fruits were turned to thorns and pregnancy

became dangerous. Non-canonical Sunni hadith also say that Adam and Eve were cast down far apart, so that they had to search for each other and eventually met each other at Mount Arafat. In Islamic theology, it is not believed that Adam's sin is carried by all of his children. Hadith say that once Adam was on earth, God taught him how to plant seeds and bake bread. This was to become the way of all of Adam's children. Adam proceeded to live for about 1000 years, though this has been a topic of debate. According to the story of Adam, humankind has learnt everything from Adam. He was the first to learn to plant, harvest, and bake as well as the first to be told how to repent and how to properly bury someone. God also revealed the various food restrictions and the alphabet to Adam. He was made the first prophet and he was taught 21 scrolls and was able to write them himself. Adam was also created from earth. It is well known that earth produces crops, supports animals, and provides shelter, among many other things. Earth is very important to humankind, so being created from it makes them very distinct. According to some Hadith, the various races of people are even due to the different colors of soil used in creating Adam. The soil also contributed to the idea that there are good people and bad people and everything in between in the world. Adam is an important figure in many other religions besides Islam. The story of Adam varies slightly across religions, but manages to maintain a general theme and structure.
