Sugar Crush Dr. Richard Jacoby, Raquel Baldelomar, 2015-04-14 A shocking look at the link between sugar, inflammation, and a host of preventable chronic diseases—perfect for fans of bestselling author Gary Taubes' *The Case Against Sugar*—from leading nerve surgeon Dr. Richard Jacoby. What *Grain Brain* did for wheat, this book by a leading peripheral nerve surgeon now does for sugar, revealing how it causes crippling nerve damage throughout the body—in our feet, organs, and brain—why sugar and carbohydrates are harmful to the body's nerves, and how eliminating them can mitigate and even reverse the damage. If you suffer from ailments your doctors can't seem to diagnose or help—mysterious rashes, unpredictable digestive problems, debilitating headaches, mood and energy swings, constant tiredness—nerve compression is the likely cause. *Sugar Crush* exposes the shocking truth about how a diet high in sugar, processed carbohydrates, and wheat compresses and damages the peripheral nerves of the body, leading to pain, numbness, and tingling in the hands and feet, along with a host of related conditions, including migraines, gall bladder disease, and diabetes. Over the years, Dr. Richard Jacoby has treated thousands of patients with peripheral neuropathy. Now, he shares his insights as well as the story of how he connected the dots to determine how sugar is the common denominator of many chronic diseases. In *Sugar Crush*, he offers a unique holistic approach to understanding the exacting toll sugar and carbs take on the body. Based on his clinical work, he breaks down his highly effective methods, showing how dietary changes reducing sugar and wheat, coinciding with an increase of good fats, can dramatically help regenerate nerves and rehabilitate their normal function. *Sugar*

Crush includes a quiz to assess your nerve damage, practical dietary advice, and the latest thinking on ways to prevent and reverse neuropathy. If you have diabetes, this essential guide will help you understand the dangers and give you the tools you need to make a difference beyond your doctor's prescriptions. If you have the metabolic syndrome or prediabetes, or are just concerned about your health, it will help you reverse and prevent nerve damage.

Sugar Crush Susan Scott Shelley, 2019-12-17 When horror novelist Jack Kramer is guilted into joining his best friend's softball team, he's not expecting to come face to face with the inspiration for his next novel. But one look at Gabriel Spencer, and his muse is off and running. Good thing, too, as his deadline is looming. Bakery assistant Gabriel abhors anything with blood and gore, but he's intrigued by Jack and agrees to help the sexy author. He's not expecting the white hot attraction that builds every moment they are together, or how to handle dating someone who pushes him so far outside his comfort zone. Happiness versus horror, sunlight versus shadows, early riser versus night owl, the men couldn't be more different. Opposites attract, but are they too dissimilar to write their own happy ever after?

The Fannie Farmer Cookbook Marion Cunningham, Fannie Farmer Cookbook Corporation, Archibald Candy Corporation, 1996-09-09 Essential for home chefs, here is the great basic American cookbook—with more than 1,990 recipes, plain and fancy—that belongs in every household. Originally published in 1896 as *The Boston Cooking-School Cook Book* by Fannie Merritt Farmer, it became the cookbook that taught generations of Americans how to cook. Completely updating it for the first time since 1979, with this edition, Marion Cunningham made Fannie Farmer once again a household word for a new generation of cooks. What makes this basic cookbook so distinctive is that Marion Cunningham is always at your side with forthright tips and comments, encouraging the beginning cook and inspiring the more adventurous. In giving the book new life, Mrs. Cunningham has been careful always to preserve the best of the old. She has retained all

the particularly good, tried-and-true recipes from preceding editions, retesting and rewriting when necessary. She has rediscovered lost treasures, including delicious recipes that were eliminated when practically no one baked bread at home. This is now the place to find the finest possible recipes for Pumpkin Soup, Boston Baked Beans, Carpetbag Steak, Roast Stuffed Turkey, Anadama Bread, Indian Pudding, Apple Pie, and all of the other traditional favorites. The new recipes reflect the ethnic influences—Mediterranean, Moroccan, Asian—of contemporary American cooking. Tucked in among all your favorites like Old-Fashioned Beef Stew, New England Clam Chowder, you'll find cool Cucumber Sushi, Enchiladas with Chicken and Green Sauce, and Polenta and Fish. Throughout, cooking terms and procedures are explained, essential ingredients are spelled out, basic equipment is assessed. Mrs. Cunningham even tells you how to make a good cup of coffee and how to brew tea properly. The emphasis here is on good flavor, fresh ingredients, and lots of variety in one's daily fare, which Marion Cunningham believes is the secret to a healthy diet. Dedicated to the home cooks of America, young and old, this thirteenth edition of the book that won the hearts of Americans more than a century ago invites us all—as did the original Fannie Farmer—to cherish the delights of the family table.

Mad Scramble Susan Scott Shelley, 2018-09-04 Everson Montgomery's entire life is devoted to ensuring the success of his pro football career. Strict rules about his diet, sleep habits, and training schedule keep him running like a well-oiled linebacker machine. There's zero room for distractions... until he meets his teammate's brother and is instantly smitten with the friendly, gorgeous, generous man. Ryan Brennan has had a crush on the

gridiron giant for years. When the opportunity to work together on a charity drive arises, he's all in. Spending time with Everson, he sees the sweetness and vulnerability beneath the stoic exterior, and opens up his heart and his home. He's learned the hard way that getting too close, too fast isn't smart, but something keeps drawing him to Everson. Everson doesn't do relationships and Ryan doesn't do hook ups, but they can't stay away from each other. When chaos on the field and in the locker room spills over into everyday life, and past ghosts return to haunt them both, will they chase after their hearts or will their relationship be tackled before they have a chance to score? Mad Scramble was originally featured in Love is All: An Anthology, and has since been expanded.
