Allie Hagan

Suri's Burn Book Allie Hagan,2012-09-04 Based on the blog, this clever book of snarky commentary is told from the imagined world of Suri Cruise.

The Death of Vishnu Manil Suri,2012-05-07 Vishnu, the odd-job man in a Bombay apartment block, lies dying on the staircase landing. Around him the lives of the apartment dwellers unfold - the warring housewives on the first floor, the lovesick teenagers on the second, and the widower, alone and quietly grieving at the top of the building. In a fevered state Vishnu looks back on his love affair with the seductive Padmini and comedy becomes tragedy as his life draws to a close.

The Impossible Presidency Jeremi Suri,2017-09-12 A bold new history of the American presidency, arguing that the successful presidents of the past created unrealistic expectations for every president since JFK, with enormously problematic implications for American politics In *The Impossible Presidency*, celebrated historian Jeremi Suri charts the rise and fall of the American presidency, from the limited role envisaged by the Founding Fathers to its current status as the most powerful job in the world. He argues that the presidency is a victim of its own success-the vastness of the job makes it almost impossible to fulfill the expectations placed upon it. As managers of the world's largest economy and military, contemporary presidents must react to a truly globalized world in a twenty-four-hour news cycle. There is little room left for bold vision. Suri traces America's disenchantment with our recent presidents to the inevitable mismatch between presidential promises and the structural limitations of the office. A masterful reassessment of presidential history, this book is essential reading for anyone trying to understand America's fraught political climate.

The Jasmine Throne Tasha Suri,2021-06-08 WINNER OF THE WORLD FANTASY AWARD FOR BEST NOVEL NAMED ONE OF THE BEST BOOKS OF 2021 BY PUBLISHERS WEEKLY, LIBRARY JOURNAL, BOOKLIST, AND THE NEW YORK PUBLIC LIBRARY A ruthless princess and a powerful priestess come together to rewrite the fate of an empire in this “fiercely and unapologetically feminist tale of endurance and revolution set against a gorgeous, unique magical world” (S. A. Chakraborty, author of the *The City of Brass*). Exiled by her despotic brother, princess Malini spends her days dreaming of vengeance while imprisoned in the Hirana: an ancient cliffside temple that was once the revered source of the magical deathless waters but is now little more than a decaying ruin. The secrets of the Hirana call to Priya. But in order to keep the truth of her past safely hidden, she works as a servant in the loathed regent’s household and cleaning Malini’s chambers. When Malini witnesses Priya’s true nature, their destinies become irrevocably tangled. One is a ruthless princess seeking to steal a throne. The other a powerful priestess desperate to save her family. Together, they will set an empire ablaze. Praise for *The Jasmine Throne*: Suri’s writing always brings me to another world; one full of wonders and terrors, where every detail feels intricately and carefully imagined. —R. F. Kuang, author of *Babel* Raises the bar for what epic fantasy should be. —Chloe Gong, author of *These Violent Delights* An intimate, complex, magical study of empire and the people caught in its bloody teeth. I loved it.” —Alix E. Harrow, author of *The Once and Future Witches* Suri’s incandescent feminist masterpiece hits like a steel fist inside a velvet glove. Simply magnificent. —Shelley Parker-Chan, author of *She Who Became the Sun* A fierce, heart-wrenching exploration of the value and danger of love in a world of politics and power. —Publishers Weekly (starred review) Lush and stunning....Inspired by Indian epics, this sapphic fantasy will rip your heart out. —BuzzFeed News

Suri's Sure Thing S. J. Pajonas,2022-02-07 All work and no play... Suri Kimura has decided not to go to the Hikoboshi Farewell Ball. She’d rather work in orbit and earn more cash, even though her overbearing father insists she should attend. When she meets up with her dog, Finn, and her best friend, Erik, for a short planet-side rest, they’re met with a surprise. Her ex-boyfriend is back and he insists on taking her to the ball. Suri doesn’t know what to do. Finn’s doggy instincts don’t trust the ex, and neither does Erik. Something strange is amiss, but Suri has to give it a fair shot. After a disastrous attempt to rekindle the romance, Suri realizes Erik means a whole lot more to her than just a friend — but, does he feel the same? Quiet and reliable project manager Erik has always taken care of Suri, but it's never felt romantic before. When he rushes to her side to help her handle her ex and her work troubles, Suri suspects that the dynamic between them has changed... or has it? Will Suri and Erik breach the boundaries between them? Or will Suri just return to space and leave her feelings for Erik far behind? *Suri's Sure Thing* is the first novella in *The Kimura Sisters* science fiction romance series. If you like juicy family sagas, handsome men with a heart of gold, and lovable dogs, then you’ll adore S. J. Pajonas’s thrilling best-friends-to-lovers romance. (Originally a part of *Pets in Space 6*.) Additional Keywords: Colonization, Interracial, Exploration, Japan, Science Fiction Series, Tales, Novel, Multicultural, Extinction, Mystery, Futuristic, Science Fiction Romance, Pets, Dogs.

What Souls Are Made Of: A Wuthering Heights Remix Tasha Suri,2022-07-05 In the *Remixed Classics* series, authors from marginalized backgrounds reinterpret classic works through their own cultural lens to subvert the overwhelming cishet, white, and male canon. Two British Indian teens cut off from their heritage find solace in each other in this gothic *Wuthering Heights* YA remix that subverts the default whiteness of the original text. Sometimes, lost things find their way home... Yorkshire, North of England, 1786. As the abandoned son of a lascar—a sailor from India—Heathcliff has spent most of his young life maligned as an outsider. Now he's been flung into an alien life in the Yorkshire moors, where he clings to his birth father's language even though it makes the children of the house call him an animal, and the maids claim he speaks gibberish. Catherine is the younger child of the estate's owner, a daughter with light skin and brown curls and a mother that nobody talks about. Her father is grooming her for a place in proper society, and that's all that matters. Catherine knows she must mold herself into someone pretty and good and marriageable, even though it might destroy her spirit. As they occasionally flee into the moors to escape judgment and share the half-remembered language of their unknown kin, Catherine and Heathcliff come to find solace in each other. Deep down in their souls, they can feel they are the same. But when Catherine's father dies and the household's treatment of Heathcliff only grows more cruel, their relationship becomes strained and threatens to unravel. For how can they ever be together, when loving each other—and indeed, loving themselves—is as good as throwing themselves into poverty and death? Praise for *What Souls Are Made Of: A gorgeously reclaimed Gothic*. ... I’m a Tasha Suri fan for life. —Chloe Gong, New York Times-bestselling author of *These Violent Delights* With its brooding characters, gorgeous setting, and a romance that sparkles with electricity, this retelling of *Wuthering Heights* breathes fresh air into an old classic. —Stacey Lee, New York Times-bestselling author of *The Downstairs Girl* and *Luck of the Titanic* The *Remixed Classics* Series *A Clash of Steel: A Treasure Island Remix* by C.B. Lee *So Many Beginnings: A Little Women Remix* by Bethany C. Morrow *Travelers Along the Way: A Robin Hood Remix* by Aminah Mae Safi *What Souls Are Made Of: A Wuthering Heights Remix* by Tasha Suri *Self-Made Boys: A Great Gatsby Remix* by Anna-Marie McLemore *My Dear Henry: A Jekyll & Hyde Remix* by Kalynn Bayron *Teach the Torches to Burn: A Romeo & Juliet Remix* by Caleb Roehrig *Into the Bright Open: A Secret Garden Remix* by Cherie Dimaline *Most Ardently: A Pride & Prejudice Remix* by Gabe Cole Nova

Henry Kissinger and the American Century Jeremi Suri,2009-05-01 What made Henry Kissinger the kind of diplomat he was? What experiences and influences shaped his worldview and provided the framework for his approach to international relations? Jeremi Suri offers a thought-provoking, interpretive study of one of the most influential and controversial political figures of the twentieth century. Drawing on research in more than six countries in addition to extensive interviews with Kissinger and others, Suri analyzes the sources of Kissinger's ideas and power and explains why he pursued the policies he did. Kissinger's German-Jewish background, fears of democratic weakness, belief in the primacy of the relationship between the United States and Europe, and faith in the indispensable role America plays in the world shaped his career and his foreign policy. Suri shows how Kissinger's early years in Weimar and Nazi

Germany, his experiences in the U.S. Army and at Harvard University, and his relationships with powerful patrons--including Nelson Rockefeller and Richard Nixon--shed new light on the policymaker. Kissinger's career was a product of the global changes that made the American Century. He remains influential because his ideas are rooted so deeply in dominant assumptions about the world. In treating Kissinger fairly and critically as a historical figure, without polemical judgments, Suri provides critical context for this important figure. He illuminates the legacies of Kissinger's policies for the United States in the twenty-first century.

Liberty's Surest Guardian Jeremi Suri, 2012-07-17 Jeremi Suri--Nobel Fellow and leading light in the next generation of policy makers--looks to America's history to see both what it has to offer failed states around the world and what it should avoid. Far from being cold imperialists, Americans have earnestly attempted to export their invention of representative government. We have had successes (Reconstruction after the American Civil War, the Philippines, Western Europe) and failures (Vietnam), and we can learn a good deal from both. The framers of the Constitution initiated a policy of cautious nation-building, hoping not to conquer other countries, but to build a world of stable, self-governed societies that would support America's way of life--yet no other country has created more problems for itself and for others by intervening in distant lands and pursuing impractical changes. Suri has mined more than two hundred years of American policy in order to explain the five Ps of nation-building: Partners, Process, Problem-solving, Purpose, and People.--From publisher description.

65 West 55th Street Gagan Suri, 2012-12 When two people are meant to be together, nothing can stop them. But when those two people come from two different worlds, there are plenty of people who will do all they can to keep them apart. When faith, culture, and tradition are challenged, it takes an extraordinary amount of courage and commitment for love—and everything else—to thrive. Karan, an Indian Hindu, is a handsome, talented, and self-motivated young man with high career aspirations. Zeina is a beautiful Pakistani Muslim fashion designer working in New York City. They meet one day by chance and discover love at first sight. Despite all the obstacles in their way, Karan and Zeina know that they are meant to be. They fight for their love, refusing to let the many differences and barriers in their way keep them apart. Love will find a way. *65 West 55th Street* captures the funny, sentimental, emotional, and traumatizing moments of a profound journey for love and acceptance against all odds. They know the truth: All forces against them will gradually wither away, leaving only true love. Nothing else matters.

Power and Protest Jeremi Suri, 2005-04-15 In a brilliantly-conceived book, Jeremi Suri puts the tumultuous 1960s into a truly international perspective in the first study to examine the connections between great power diplomacy and global social protest. Profoundly disturbed by increasing social and political discontent, Cold War powers united on the international front, in the policy of detente. Though reflecting traditional balance of power considerations, detente thus also developed from a common urge for stability among leaders who by the late 1960s were worried about increasingly threatening domestic social activism. In the early part of the decade, Cold War pressures simultaneously inspired activists and constrained leaders; within a few years activism turned revolutionary on a global scale. Suri examines the decade through leaders and protesters on three continents, including Mao Zedong, Charles de Gaulle, Martin Luther King Jr., Daniel Cohn-Bendit, and Aleksandr Solzhenitsyn. He describes connections between policy and protest from the Berkeley riots to the Prague Spring, from the Paris strikes to massive unrest in Wuhan, China. Designed to protect the existing political order and repress movements for change, detente gradually isolated politics from the public. The growth of distrust and disillusion in nearly every society left a lasting legacy of global unrest, fragmentation, and unprecedented public skepticism toward authority.

The Age of Shiva Manil Suri, 2009-08-17 India, 1955. As the scars of Partition are beginning to heal, seventeen-year-old Meera sits enraptured: in the spotlight is Dev, singing a song so infused with passion that it arouses in her the first flush of erotic longing. But when Meera's reverie comes true, it does not lead to the fairy-tale marriage she imagined. Meera has no choice but to obey her in-laws, tolerate Dev's drunken night-time fumbblings, even observe the most arduous of Hindu fasts for his longevity. A move to Bombay seems at first like a fresh start, but soon that dream turns to ashes. It is only when their son is born that things change and Meera is ready to unleash the passion she has suppressed for so long.

Empire of Sand Tasha Suri, 2018-11-13 *Named one of TIME's Top 100 Fantasy Books Of All Time A nobleman's daughter with magic in her blood. An empire built on the dreams of enslaved gods. *Empire of Sand* is Tasha Suri's lush, dazzling, Mughal India-inspired debut fantasy. The Amrithi are outcasts; nomads descended of desert spirits, they are coveted and persecuted throughout the Ambhan Empire for the power in their blood. Mehr is the illegitimate daughter of an imperial governor and an exiled Amrithi mother she can barely remember, but whose face and magic she has inherited. When Mehr's power comes to the attention of the Emperor's most feared mystics, she must use every ounce of will, subtlety, and power she possesses to resist their cruel agenda. And should she fail, the gods themselves may awaken seeking vengeance. . . An ode to the quiet, fierce strength of women. . . pure wonder. —Samantha Shannon, New York Times bestselling author of *The Priory of the Orange Tree* Stunning and enthralling. —S. A. Chakraborty, USA Today bestselling author of *The City of Brass* A darkly intricate, devastating, and utterly original story. —R. F. Kuang, award-winning author of *The Poppy War* By Tasha Suri: *The Books of Ambha* duology *Empire of Sand* *Realm of Ash* *The Burning Kingdoms* trilogy *The Jasmine Throne*

Suri & Co. Mahshid Amirshahi, 1995 These lively fictional tales offer an unusual perspective on Iranian life and society. Told by a high-spirited, intelligent, willful (if sometimes insecure) teenage girl, they recount incidents in her daily life in Iran in the 1970s before the Revolution. Without any ideological message, they present human interest and social comment. Their central characteristic is humor, from slapstick to subtlety, which can be easily appreciated across cultural boundaries. As we meet Suri's immediate family, distant relatives, and friends, we are discreetly introduced to upper-middle-class society in an Iran undergoing headlong westernization. The contradictions between this process and traditional Iranian mores are particularly well depicted. Much writing in recent years has been concerned with the 1979 Iranian Revolution and the rise of Islamic fundamentalism. This volume reminds us that there is always an ongoing human dimension largely unaffected by political and religious changes. Another feature is the homogeneity of this collection, created by one author and interpreted by the translator.

The Oleander Sword Tasha Suri, 2022-08-16 Winner of the World Fantasy Award, *The Jasmine Throne* has been hailed as a series opener that will 'undoubtedly reshape the landscape of epic fantasy for years to come' (Booklist, starred). Now, Tasha Suri's provocative and powerful *Burning Kingdoms* trilogy continues with *The Oleander Sword*. The prophecy of the nameless god - the words that declared Malini the rightful empress of Parijatdvipa - has proven a blessing and curse. She is determined to claim the throne that fate offered her. But even with the strength of the rage in her heart and the army of loyal men by her side, deposing her brother is going to be a brutal and bloody fight. The power of the deathless waters flows through Priya's blood. Thrice born priestess, Elder of Ahiranya, Priya's dream is to see her country rid of the rot that plagues it: both Parijatdvipa's poisonous rule, and the blooming sickness that is slowly spreading through all living things. But she doesn't yet understand the truth of the magic she carries. Their chosen paths once pulled them apart. But Malini and Priya's souls remain as entwined as their destinies. And they soon realize that coming together is the only way to save their kingdom from those who would rather see it burn - even if it will cost them. ***Shortlisted for the British Fantasy Awards*** Praise for the *Burning Kingdoms* trilogy: 'Will undoubtedly reshape the landscape of epic fantasy for years to come' Booklist (starred review) 'Lush and stunning...this sapphic fantasy will rip your heart out' BuzzFeed News 'Raises the bar for what epic fantasy should be' Chloe Gong, author of *These Violent Delights* 'This cutthroat and sapphic novel will grip you until the very end' Vulture (Best of the Year) 'It left me breathless' Andrea Stewart, author of *The Bone Shard Daughter* 'I loved it' Alix E. Harrow, Hugo

award-winning author of *The Once and Future Witches* 'Suri's incandescent feminist masterpiece hits like a steel fist inside a velvet glove' Shelley Parker-Chan, author of *She Who Became the Sun*

It's About Time Rajan Suri,2010-03-31 In the decade since the publication of Rajan Suri’s landmark book, Quick Response Manufacturing, the innovative principles of QRM have been proven with impressive results at many companies, big and small, in a variety of industries. While the key principles of QRM remain unchanged, after a decade of teaching QRM workshops to senior executives, Suri

Suri's Wall Lucy Estela,2018-01-02 Eva squeezed Suri's hand. What's there? What can you see? What can I see? Suri looked out over the wall. Oh, it's beautiful, let me tell you all about it. A moving tale of the power of the human spirit brought alive by Lucy Estela and award-winning illustrator Matt Ottley.-Publisher's description.

Power and Protest Jeremi Suri,2005-04-15 In a brilliantly conceived book, Jeremi Suri puts the tumultuous 1960s into a truly international perspective in the first study to examine the connections between great power diplomacy and global social protest. Profoundly disturbed by increasing social and political discontent, Cold War powers united on the international front, in the policy of detente. Though reflecting traditional balance of power considerations, detente thus also developed from a common urge for stability among leaders who by the late 1960s were worried about increasingly threatening domestic social activism. In the early part of the decade, Cold War pressures simultaneously inspired activists and constrained leaders; within a few years activism turned revolutionary on a global scale. Suri examines the decade through leaders and protesters on three continents, including Mao Zedong, Charles de Gaulle, Martin Luther King Jr., Daniel Cohn-Bendit, and Aleksandr Solzhenitsyn. Designed to protect the existing political order and repress movements for change, detente gradually isolated politics from the public. The growth of distrust and disillusion in nearly every society left a lasting legacy of global unrest, fragmentation, and unprecedented public skepticism toward authority.

Civil War by Other Means Jeremi Suri,2022-10-18 The Civil War may have ended on the battlefield, but the fight for equality never did In 1865, the Confederacy was comprehensively defeated, its economy shattered, its leaders in exile or in jail. Yet in the years that followed, Lincoln’s vision of a genuinely united country never took root. Apart from a few brief months, when the presence of the Union army in the South proved liberating for newly freed Black Americans, the military victory was squandered. Old white supremacist efforts returned, more ferocious than before. In *Civil War by Other Means*, Jeremi Suri shows how resistance to a more equal Union began immediately. From the first postwar riots to the return of Confederate exiles, to the impeachment of Andrew Johnson, to the highly contested and consequential election of 1876, Suri explores the conflicts and questions Americans wrestled with as competing visions of democracy, race, and freedom came to a vicious breaking point. What emerges is a vivid and at times unsettling portrait of a country striving to rebuild itself, but unable to compromise on or adhere to the most basic democratic tenets. What should have been a moment of national renewal was ultimately wasted, with reverberations still felt today. The recent shocks to American democracy are rooted in this forgotten, urgent history.

The City of Devi Manil Suri,2013-03-14 A dystopia like no other, Manil Suri paints a vibrant portrait of an India on the brink of collapse, two figures travelling across the unknown in a world scarily close to the modern day 'This vividly imagined book about personal and national destruction – and the possibilities of salvation – lingers long after the final page, showing how it is loss that teaches the value of what is most loved' Anita Sethi, Independent 'Consuming, passionate, and ultimately poignant' Guardian Armed only with a pomegranate, Sarita ventures into the empty streets of Mumbai, on the eve of its threatened nuclear annihilation. She is looking for her physicist husband Karun, who has been missing for over a fortnight. She is soon joined on her quest by Jaz - cocky, handsome, Muslim, gay, and in search of his own lover. Together they traverse the surreal landscape of a dystopia rife with absurdity, and are inexorably drawn to the patron goddess Devi ma, the supposed saviour of the city. Groundbreaking and multilayered, *The City of Devi* is a fearlessly provocative tale of three individuals balancing on the sharp edge of fate.

Seeds for Change Marly Cornell,2014 Documents how Suri and Edda Sehgal, refugees who each escaped dangerous and difficult circumstances as children, came to America as young adults (from India and Germany respectively), met and fell in love, and went on to have more astonishing experiences as talented and visionary business leaders, generous philanthropists, and proud Americans. As a crop scientist, seedsman, and agricultural visionary, Suri became a respected and pivotal figure in the development of the global hybrid-seed industry. He and Edda have shared their resulting good fortune with those in need around the world. Their personal history is a chronicle of remarkable events and people, but most importantly, an enduring lifelong commitment to helping others that is their family legacy.--Back cover.
