Practical Indonesian in a Week Restiany Achmad,Satwika C.H.,2015-02-06 Welcome to Indonesia! Indonesia is the home to approximately 240 million people, spread across more than 17,500 islands with at least 500 tribes, and more than 700 languages. With such diversity and a vast sea territory including many smaller islands, the Indonesian archipelago provides a rich and unique experience for you to explore. "Ladies and gentlemen, good morning... This is your opportunity," said President Joko Widodo (Jokowi) in his speech during his first international diplomatic mission (APEC 2014). That pretty much reflects how we Indonesians want to open-up our country to you. In the past there have only been a limited number of resources available that provide a comprehensive, easy to use introduction to Indonesian language, and many of those efforts by foreign authors and publishers lack native insights and local cultural knowledge. Practical Indonesian in a Week was designed primarily to achieve these goals. First, the book was written by two smart and experienced Indonesian native expatriate tutors. Second, the book was designed using a structure that will help you to quickly understand the basics of Indonesian language and culture with plenty of practical examples. It has the same structure as the best-selling foreign language learning books published by Kesaint Blanc: The Praktis 1 Minggu series. The culture and language learning method that Practical Indonesian in a Week provides will be very helpful for you, say as an expatriate, a traveler, or even for short time visitors. It provides applicable information, useful vocabulary, practical conversation examples, daily grammar sections, and some exercises you can do to better understand the language. Nevertheless, its traveling & visiting themes will be a good companion for you while visiting the rich culture and Indonesia's hospitable people. Practical Indonesian in a Week also provides an audio CD narrated by native speakers, so you can easily understand how to pronounce Indonesian words and expression provided by the book, not to mention getting yourself more acquainted to the new language sounds. Enjoy your stay in our beautiful country!

Saya Orang Indonesia Satish Pai,2019-02-11 Saya Orang Indonesia provides snippets about the Indonesian consumers and the market from an expatriate's viewpoint. This includes insightful observations peppered with anecdotes, about different facets of Indonesians, and provides learnings' that will greatly help both expatriates as well as marketers understand the Indonesian consumer a better. It discusses my observations, viewpoints and some of my experiences in Indonesia. I write about what Indonesians value most, about food, retail, society trends, advertising and also opportunities for marketers and advertisers to capitalise onThis will take a leap from the popular The Emergence of I in Indonesia that I co-authored with Monica Cravenetya about socio-cultural changes witnessed in Indonesia resulting in it moving slowly from a collectivist, conformist society to an individualist, assertive society (this was awarded best paper at the ESOMAR Asia-Pacific conference 2015 at Singapore)Indonesia has gained the world's attention being the fourth largest democracy and the biggest South East Asian market. A lot more regional and international companies are focusing on the market, and establishing a presence and a local office (unlike earlier where a Singapore or HK office or the international HQ handled Indonesia). There are a lot more expatriates - managers from across their globe, and their families and social support circles (education, lifestyle, community related support/ traders etc.) who are in Indonesia and would like to know more in an easy-to-read non-academic manner.A lot of international companies who have tried to launch their global leading brands and products have struggled in Indonesia meeting limited or no success. This book helps understand some of the reasons why, as well as talks of some of the trends changing which might help the business manager while highlighting opportunities and some best practices that other successful brands and advertisements have used and achieved in Indonesia.This book will best help business managers, marketers, advertisers and expatriates connect to Indonesians and understand what makes them tick, and what drives them. And being non-academic, and written in an easy to read style makes it not just a good read but entertaining as well. Marketeers and managers would benefit by mining insights from this andutilize this in their HR as well as marketing campaigns. If you are new

to Indonesia this would be a great primer, and if you are experienced this would serve as a refresher, provoking new angles of looking at the market and the consumers. A key aspect of this book is its easy-to-read style - somewhere between a coffee table book, a magazine as well as a compendium of learning's. While there are sections, it will not be one continuous long essay and instead will contain snippets on the topic (max 3 pages each) compiled in an interesting sequence. The reader can start anywhere, read a piece within a couple of minutes, as well as move to another different piece elsewhere in the book. The entire book should be readable within a flight or overnight at most. Overall the author fervently hopes that the one thing he would like to leave in the minds of the readers is a love for this wonderful country and its lovely people.

ENSCHEDÉ VAN INDONESIA Persatuan Pelajar Indonesia (PPI) Enschede, Pertama kalinya mendengar usulan tentang akan disusunnya Buku Enschede van Indonesia yang ada di benak ialah seberapa luas dan variatif kisah yang ada di Enschede ini? Terlebih di awal saat lomba menulis diluncurkan sempat muncul rasa pesimis mengenai seberapa banyak kontributor yang akan mengikuti lomba ini? Ternyata setelah dikumpulkan dan dikemas banyak juga kontributor dengan berbagai cara pandangnya terhadap Enschede. Bagiku membaca buku dengan tema yang mengupas Kamu, Enschede, Belanda, dan Eropa semakin membuka mata dan hatiku tentang betapa banyaknya kisah tiap individu - para pejuang - di negeri orang(e). Buku ini ringan untuk dibaca dan disusun dengan apik dari mulai kisah mimpi untuk ke Enschede, kehidupan di Enschede yang tidak hanya dari sudut pandang mahasiswa tapi lengkap dari kehidupan keluarga yang mendampinginya, perjuangan di tengah berbagai keterbatasan, hingga transformasi kehidupan yang dialami oleh beberapa teman yang menjadi inspirasi buat kita semua. Hal yang menarik dari buku ini ialah rasa syukur tiap penulis yang diwujudkan dalam rangkaian kalimat, dikompilasi bak cerita pendek dan kumpulan puisi. Layak dibaca bagi teman-teman yang ingin melanjutkan studi ke Eropa (khususnya di Belanda, lebih utamanya di Enschede) dan cocok bagi teman-teman yang tertantang untuk belajar dari tiap dimensi ruang dan waktu dalam mengeksplorasi cakrawala kehidupan. Salam Kece dan Sukses untuk semua warga PPI Enschede khususnya dan seluruh teman-teman di seantero dunia pembaca buku ini. (Aji Putra Perdana - Ketua Perhimpunan Pelajar Indonesia di Enschede 2016-2017) Cerita dalam buku Enschede van Indonesia benar-benar memberikan gambaran kehidupan warga Indonesia di Belanda, khususnya di Enschede. Tulisannya menarik dan ditulis dengan gaya bahasa yg santai tapi informatif. Wajib baca untuk yang mau studi atau tinggal di Belanda! (Fariz Isnaini, Sekretaris Jenderal Perhimpunan Pelajar Indonesia di Belanda 2016-2017) Tantangan utama para perantau adalah adaptasi dengan lingkungan baru. Apalagi dengan sebuah negeri yang jauh berbeda dengan kampung halaman baik secara budaya, kontur alam, cuaca, dan sistem pendidikannya. Buku ini, meskipun bercerita tentang pengalaman pelajar Indonesia dan keluarganya di salah satu kota di ujung timur Belanda yang bernama Enschede, namun sangat relevan untuk studi dan kehidupan di Belanda secara umum. Berisi mozaik dari cerita sehari-hari, membentuk corak, warna, sekaligus pigura hidup di perantauan. Buku yang layak dibaca bagi siapa saja yang hendak berkelana ke Belanda! (Yance Arizona - Sekretaris Jenderal Perhimpunan Pelajar Indonesia di Belanda 2017-2018) Tak semua yang kita ingat akan kita kenang, tetapi semua yang kita kenang tersimpan baik dalam ingatan. Buku ini merekam sejumlah kenangan manis maupun pahit sekelompok mahasiswa Indonesia yang belajar di Belanda, tentang bagaimana mereka melihat diri sendiri, keluarga, lingkungan, masyarakat, bangsa, dari tempat yang jauh dari sesuatu yang mereka sebut sebagai 'rumah' atau 'kampung halaman'. Saya selalu mengagumi kerja kolektif semacam ini, di dalamnya ada romantisme, kerinduan, semangat yang menggebu, gagasan-gagasan yang ingin ditunaikan. Menuliskan semua itu, apalagi hingga menerbitkannya, adalah kemewahan yang tak semua orang bisa memilikinya. (Fahd Pahdepie, penulis, entrepreneur)

Local Jakarta: The Insider Guide to Jakarta, Indonesia Selina Wijaya, 2023-12-09 Jakarta: Hectic, crowded, multicultural, multilingual, historic, futuristic, and a jumbled pile of everything that makes megacities great. But nobody knows Jakarta. Foreigners have never heard of Indonesia, or they think it's just Bali. This book brings you the joy of Jakarta, from a locals' perspective. Twenty million of us live in this city; there must be something good here. We'll eat tons of street food, go high-end and low-end shopping, ride a bullet train, roam the waterfront, see rock shows, visit mosques and cathedrals, and, of course, drink a lot of coffee. This is local Jakarta: what we Jakartans love about our city, and what we'd show to our visiting best friend. That's what I show you in this book. We'll dive into the Jakartan experiences the foreigner-centered and ChatGPT-written guidebooks have no idea about, and we'll come out alive. I promise. You don't need to speak Indonesian. You don't need to know anything about Indonesia. And this book has QR code links to map points of our destinations, so Jakarta will be navigable for even the most directionally challenged. Ayo! (Come on, let's go!) Jakarta hebat! (Jakarta is awesome!)
