**The Truth** Neil Strauss,2016-05 SOCIOLOGY: FAMILY & RELATIONSHIPS. NO MORE GAMES. IT'S TIME FOR THE TRUTH. Neil Strauss made a name for himself advocating freedom, sex and opportunity as the author of *The Game*. Then he met the woman who forced him to question everything. Neil's search for answers took him from Viagra-laden free-love orgies to sex addiction clinics, from cutting-edge science labs to modern-day harems, and, most terrifying of all, to his own mother. What he discovered changed everything he knew about love, sex, relationships and, ultimately, himself. The Truth may have the same effect on you.

**Stand by Your Truth** Rickey Smiley,2017-10-24 Part memoir, part testimonial, and part life guide, *Stand by Your Truth* mixes Rickey Smiley's down-home humor with the values he learned from being raised by three generations of elders, steeped in the Baptist church, and mentored by some of the most celebrated comics in the entertainment industry today. "I'm very passionate about everything that I do and I don't play any games. I just keep it honest. I don't put on airs. That's the only way you can be. If you tell one lie, you've got to tell another lie. I'm cool with who I am. What you see is what you get." Stand-up comic. Single dad. Radio personality. TV star. Prankster. Producer. Community activist. Man of faith. Visit a church, comedy club, college campus, or barber shop, and you'll find few people who aren't familiar with, or fans of, Rickey Smiley. At least four million listeners in more than seventy markets tune in every weekday morning to hear him banter with his radio show crew, hilariously prank call an unsuspecting listener, and perform skits featuring his one-man cast of characters, including "Lil Darryl," "Beauford," and "Joe Willie." But in between the rapid-fire jokes and celebrity dish are flashes of how Rickey views the world, from the challenges of raising children, to the importance of education, to the need to always stand by your own truth. After more than two decades in the spotlight, Rickey is finally ready to delve more deeply into the opinions he voices on the air, riffing on those issues that his listeners, viewers, and fans find most important. This collection of personal and powerful essays will speak to readers from all walks of life, and is sure to inspire you to Stand by Your Truth.

**The Ministry of Truth** Dorian Lynskey,2019-06-04 Rich and compelling. . .Lynskey's account of the reach of 1984 is revelatory." --George Packer, *The Atlantic* An authoritative, wide-ranging, and incredibly timely history of 1984--its literary sources, its composition by Orwell, its deep and lasting effect on the Cold War, and its vast influence throughout world culture at every level, from high to pop. 1984 isn't just a novel; it's a key to understanding the modern world. George Orwell's final work is a treasure chest of ideas and memes--Big Brother, the Thought Police, Doublethink, Newspeak, 2+2=5--that gain potency with every year. Particularly in 2016, when the election of Donald Trump made it a bestseller (*Ministry of Alternative Facts*, anyone?). Its influence has morphed endlessly into novels (*The Handmaid's Tale*), films (*Brazil*), television shows (*V for Vendetta*), rock albums (*Diamond Dogs*), commercials (Apple), even reality TV (*Big Brother*). The *Ministry of Truth* is the first book that fully examines the epochal and cultural event that is 1984 in all its aspects: its roots in the utopian and dystopian literature that preceded it; the personal experiences in wartime Great Britain that Orwell drew on as he struggled to finish his masterpiece in his dying days; and the political and cultural phenomena that the novel ignited at once upon publication and that far from subsiding, have only grown over the decades. It explains how fiction history informs fiction and how fiction explains history.

**Languages of Truth** Salman Rushdie,2021-05-25 Newly collected, revised, and expanded nonfiction from the first two decades of the twenty-first century—including many texts never previously in print—by the Booker Prize-winning, internationally bestselling author Longlisted for the PEN/Diamonstein-Spielvogel Award for the Art of the Essay Salman Rushdie is celebrated as “a master of perpetual storytelling” (*The New Yorker*), illuminating truths about our society and culture through his gorgeous, often searing prose. Now, in his latest collection of nonfiction, he brings together insightful and inspiring essays, criticism, and speeches that focus on his relationship with the written word and solidify his place as one of the most original thinkers of our time. Gathering pieces written between 2003 and 2020, *Languages of Truth* chronicles Rushdie's intellectual engagement with a period of momentous cultural shifts. Immersing the reader in a wide variety of subjects, he delves into the nature of storytelling as a human need, and what emerges is, in myriad ways, a love letter to literature itself. Rushdie explores what the work of authors from Shakespeare and Cervantes to Samuel Beckett, Eudora Welty, and Toni Morrison mean to him, whether on the page or in person. He delves deep into the nature of “truth,” revels in the vibrant malleability of language and the creative lines that can join art and life, and looks anew at migration, multiculturalism, and censorship. Enlivened on every page by Rushdie's signature wit and dazzling voice, *Languages of Truth* offers the author's most piercingly analytical views yet on the evolution of literature and culture even as he takes us on an exhilarating tour of his own exuberant and fearless imagination.

**Shapes of Truth** Neal Allen,2021-01-09 Hidden in your body is a set of thirty-five divine objects that represent aspects of God; think of them as a vocabulary to describe your soul. They can help you explore your own perfect nature. With roots in Platonic philosophy and Sufi metaphysics, these eternal body-forms were discovered forty years ago and are only now being shared with the world. They don't just provide knowledge and even wisdom; they also grant immediate and sustained relief from everyday suffering. Spiritual coach and writer Neal Allen describes the discovery, the body-forms themselves, and gives step-by-step instructions for encountering them yourself. **Truth over Fear** Charles Kimball, 2019-08-20 Questions and fears about Islam have proliferated American life for decades, from the Iranian Revolution in 1979 to the September 11, 2001, attacks. Yet more recent history has seen a new development in the tangle of Christian-Muslim relations: the mainstreaming of Islamophobia as a path to political and societal power at the highest level. Politicians and religious leaders now routinely spread fear and confusion about Muslim beliefs and practice in order to bolster their own positions. Many recognize what is wrong with this situation but are frustrated with what seem to be limited options for response. Truth over Fear provides resources to address the manipulation of religious misunderstanding and intolerance. From renowned Christian scholar of Islam and longtime participant in Christian-Muslim engagement, Charles Kimball demystifies Islam, the world's second-largest religion, and provides practical guidance on how to share simple facts about Muslim beliefs and practices with family and others, how to take the first steps in dialogue with Muslim neighbors, and how to move beyond dialogue to shared ministry and community building.

**Get the Truth** Philip Houston, Michael Floyd, Susan Carnicero, 2015-03-24 Getting someone to tell the truth is an essential skill that very few people possess. In the boardroom, classroom, or our own homes, every day we interact with others and try to get the truth from them. People are often untruthful out of fear of negative consequences associated with divulging information. But if a person is made to forget the long-term outcomes of lying, he or she can be influenced to disclose sensitive information that's being withheld. The aim is to encourage the person to remain in short-term thinking mode, shifting focus away from the long-term ramifications of telling the truth. As former CIA agents and bestselling authors of *Spy the Lie*, Philip Houston, Mike Floyd, and Susan Carnicero are among the world's best at detecting deceptive behavior and eliciting the truth from even the most accomplished liars. Get the Truth is a step-by-step guide that empowers readers to elicit the truth from others. It also chronicles the fascinating story of how the authors used a methodology Houston developed to elicit the truth in the counterterrorism and criminal investigation realms, and how these techniques can be applied to our daily lives. Using thrilling anecdotes from their careers in counterintelligence, and with easy-to-follow instructions, the authors provide a foolproof means of getting absolutely anybody to give an honest answer. Get the Truth is the easy and effective way to learn how to get the truth every time.

**The Truth Behind Truth** Sherif A. El-Mawardy, 2012-03 Humans ask this question frequently, what is love?! A lot of us believe that we know the true meaning of the word, while in reality; it is a word that has a lot of definitions according to each person's point of view. Some think that love can be told by words, others think it's something felt by actions. But the problem isn't in the meaning of the word. The real question is how far could you go for someone you love? To what extent would you endure and bear the pain subjected by the one you love? When is it time to let go?! Is it possible? Irony isn't it, we ignore the ones who adore us, adore the ones that ignore us, love the ones who hurt us, and hurt the ones that love us?! Jordan Neil Yet, sometimes that hurt makes us blind to see the truth. Or maybe what you think is the truth, is actually the camouflage of the truth. Sometimes the truth isn't on the surface. You have to see what lies beyond that... You have to look for the truth behind truth.

**Lies That Go Unchallenged in Media and Government** Charles W. Colson, 2005 Using sound biblical truth and concise examples of individual situations, Colson helps readers uncover and dispel what he perceives to be the lies that are interwoven into government and media today.

**My Truth** Dwight Hairston Currence, 2022-08-01 I always thought that dreams were for everybody else except me. I didn't know why I always felt broken or sabotaged myself every chance I got. I became complacent being grounded. I now know it was always inside me. I was always taught that your appearance matters, but it doesn't if you are hollow. You must begin the work from the inside out. Growing up in a dysfunctional environment taught me to keep secrets and accept things the way they are. My insides were toxic. There is a seed in everybody. I can see the people who water and fertilize theirs: the teacher with the smile at work daily, the athletes smiling during interviews, the twenty-year employee still excited to go to work. I give you permission to heal, permission to live your best life, permission to dream. My Truth: Ten Days, Ten Words. Strap up, let's go. I don't have any more stress filled days. Today, I'm living my dream, and it's amazing. My Truth: Ten Days, Ten Words is my journey, and it provided me an opportunity to reflect on my life before and after Christ. Through this true, raw, and honest reflection, I was able to see the toxic life I had been living and, more importantly, how God had redefined who I was. It was always there, but I was unable to see it because of the toxic life I was living; in other words, I was a rollercoaster riding dirty, from drinking alcohol to mask the pain, to being married three times, all in an effort to fill a life that was void of love and self-worth. Today, I am living my dream, and it is amazing! Every day, I wake up with gratitude in my heart. It is my desire that through this book, you will also learn to dream again and become confident in the path that God has set for your life. Ten Days, Ten Words, it will be an amazing journey. Strap up and let's go!

*The bitter Truth about Jesus* Zahid Khan, God said, “2000 years ago I gave Jesus the mission to fulfil my will to build my kingdom on earth, centred on my love and all the freedoms, which I gave to all my creations as universal value. The crucifixion was the will of the evil and fallen mankind, and it was a crime against humanity.” 2000 years later I, Zahid Khan, came as a Messiah and the representative of God's heart to build the Kingdom of God

on earth. God told me that the time of religions and their Scharia-system has come to an end and the new world begins as a one family world centred on the living God.
