Strangers in the Night David E. Fisher,Marshall Fisher,1998 The father-son team of David E. Fisher and Marshall Jon Fisher brings the study of extraterrestrial life down to earth. They trace humankind's attempts to discover life on other worlds - a discipline known in scientific circles as exobiology. Beginning in the 17th century with the story of Giordano Bruno, whose interest in the mysteries of the universe caused him to be burned at the stake, the study continues through to the late 1990s highlighting scientific breakthroughs: evidence of fossilized organisms in a meteorite from Mars; planets orbiting a variety of different stars; and a possible ocean on one of Jupiter's moons. Guided by history and by science, this book separates fantasies about aliens from the search for documented evidence of extraterrestrial life.

The Prince of Paradise John Glatt,2013-04-16 Ben Novack, Jr. was born into a life of luxury and opulence. Heir to the legendary Fontainebleau hotel, he spent his childhood surrounded by some of the world's biggest stars, including Frank Sinatra and the Rat Pack, Elvis Presley, and Ann-Margret, who performed regularly at the Fontainebleau's La Ronde Room. He sat by while his parents entertained presidents and movie stars, as they reigned over Miami Beach in the '50's and '60's, and when the family business went sour he became wealthy in his own right, founding a multi-million dollar business using connections he made at the Fontainebleau. But Ben, Jr.'s luxurious, celebrity-studded lifestyle would end in another hotel room—a thousand miles away from the one where he grew up—when police found him bound up in duct tape, beaten to death. Seven years earlier, police found Novack in an eerily similar situation—when his wife Narcy duct-taped him to a chair for twenty-four hours and robbed him. Claiming it was a sex game, he never pressed charges and never followed through with a divorce. Now prosecutors claimed Narcy let the vicious killers into the room and watched as they beat her husband with dumbbells. They also suspected she was involved in the horrendous death of Novack's mother, just three months before. But it would be Narcy's own daughter who implicated her to the police. John Glatt tells the whole story of this twisted case of passion, perversion, and paradise lost, in Prince of Paradise.

Time of the Twins Kendall Jenner,Kylie Jenner,Elizabeth Killmond-Roman,Katherine Killmond,2016-11-15 Two sisters, one destiny . . . Lex and Livia are on the run. In Time of the Twins, Lex, an impulsive military cadet, and Livia, a pampered Aieress, have just found out they are twins, which is against the law in the great City of Indra. Now they are leaving behind the only world they have ever known: for Lex, it was the dark world of the Hub below the surface of Indra, where she survived the brutal Orphanage to become an elite member of Indra's Population Control Forces, and for Livia, it was a life of luxury on the sky island of Helix, where she was brought up to be a Proper Indrithian Young Woman. With help from the charming and handsome Kane, Lex's best friend and Livia's newfound love, and Xavier, a gruff rebel who would prefer to leave them all behind, they make the grueling trek through the dangerous underground tunnels toward the Outlands beyond the dome of Indra in search of the mother they thought was dead. When they finally reach the Outlanders' colony, they discover their mother holds the key to unlocking their past, and they must confront an ancient prophecy, "The Time of the Twins." The prophecy claims they are the long-awaited "twin saviors," destined to save the City of Indra from the oppressive High Council who have long reigned over all of its people. Will Lex and Livia agree to be a part of their mother's dangerous plan and take on the daunting role of the "twin saviors"? Will they trust their mother and put themselves in jeopardy to save countless lives? It's a responsibility they never asked for . . . but one that may prove impossible to ignore. With unforgettable characters, an action-packed pace, and the sparks of new romance, the Jenner sisters have created a page-turning, heart-stopping adventure that will leave you wanting more.

I Was Better Last Night Harvey Fierstein,2022-03-01 NEW YORK TIMES BEST SELLER • A poignant and hilarious memoir from the cultural icon, gay rights activist, and four-time Tony Award-winning actor and playwright, revealing never-before-told stories of his personal struggles and conflict, of sex and romance, and of his fabled career Harvey Fierstein's legendary career has transported him from community theater in Brooklyn, to the lights of Broadway, to the absurd excesses of Hollywood and back. He's received accolades and awards for acting in and/or writing an incredible string of hit plays, films, and TV shows: Hairspray, Fiddler on the Roof, Mrs. Doubtfire, Independence Day, Cheers, La Cage Aux Folles, Torch Song Trilogy, Newsies, and Kinky Boots. While he has never shied away from the spotlight, Mr. Fierstein says that even those closest to him have never heard most of the tales—of personal struggles and conflict, of sex and romance, of his fabled career—revealed in these wildly entertaining pages. I Was Better Last Night bares the inner life of this eccentric nonconforming child from his roots in 1952 Brooklyn, to the experimental worlds of Andy Warhol and the Theatre of the Ridiculous, to the gay rights movements of the seventies and the tumultuous AIDS crisis of the eighties, through decades of addiction, despair, and ultimate triumph. Mr. Fierstein's candid recollections provide a rich window into downtown New York City life, gay culture, and the evolution of theater (of which he has been a defining figure), as well as a moving account of his family's journey of acceptance. I Was Better Last Night is filled with wisdom gained, mistakes made, and stories that come together to describe an astonishingly colorful and

meaningful life. Lucky for us all, his unique and recognizable voice is as engaging, outrageously funny, and vulnerable on the page.

A Promise to Ourselves Alec Baldwin,2008-09-23 I have been through some of the worst of contentious divorce litigation, Alec Baldwin declares in A Promise to Ourselves. Using a very personal approach, he offers practical guidance to help others avoid the anguish he has endured. An Academy and Tony Award nominee and a 2007 recipient of Golden Globe, SAG, and Television Critics Association Awards for best actor in a comedy, Alec Baldwin is one of the best-known, most successful actors in the world. His relationship with Kim Basinger, the Academy Award-winning actress, lasted nearly a decade. They have a daughter named Ireland, and for a time, theirs seemed to be the model of a successful Hollywood marriage. But in 2000 they separated and in 2002 divorced. Their split---specifically the custody battle surrounding Ireland---would be the subject of media attention for years to come. In his own life and others', Baldwin has seen the heavy toll that divorce can take---psychologically, emotionally, and financially. He has been extensively involved in divorce litigation, and he has witnessed the way that noncustodial parents, especially fathers, are often forced to abandon hopes of equitable rights when it comes to their children. He makes a powerful case for reexamining and changing the way divorce and child custody is decided in this country and levels a scathing attack at what he calls the family law industry. When it comes to his experiences with judges, court-appointed therapists, and lawyers, Baldwin pulls no punches. He casts a light on his own divorce and the way the current family law system affected him, his ex-wife, and his daughter, as well as many other families. This is an important, informative, and deeply felt book on a contentious subject that offers hope of finding a better way.
