WuZiTong, 2020-11-03 Lu Xueyan had reincarnated into someone else's body. Moreover, the original owner was feeling a bit sad. It was fine if she was an Imperial Concubine, but she still had a ball! It was one thing for her husband to go missing, but her big brother actually lost! It was fine that her mother had died, but her stepmother was still as vicious as a snake! It was one thing to be a side concubine, but he had been beaten down by the main concubine to such a pathetic state! Although there were still a few loyal people around, they didn't have anything to eat. Was he going to starve to death?

The Glass Princess Lidiya Foxglove, 2021-08-15

When I was a girl, my father forced me to swallow a magical crystal. The Dragon's Tear turned my bones fragile as glass. I was no longer strong enough to dance or learn to fight...or take any lover until my wedding day. I was destined to wed the King of the Dragons, and only he could restore my health. Now it is time to fulfill the prophecy. To become King Aurekdel's bride. I don't want him. I want the dashing young head of my guard, Oszin, who has been my best friend and secret crush since I was fifteen. But Oszin can't heal me. Only Aurekdel can. I already hate him and his tall, fierce warrior champion Lord Seron. I really had no idea what I was in for. Aurekdel is charming and clever and he wants to give me everything I ever wanted and then some. The love of three protective men, a magical garden, a blessed sword, and the role of a great queen. But there is one

thing he cannot give me after all: a cure. The prophecy was a lie. I am still broken and no one knows went wrong. I'm determined to learn to fight for everything I hold dear, but the truth of the prophecy will shatter the kingdom Aurekdel has built...and gain the attention of the dark dragon who will change our destiny. Glass Princess is an 85,000 word fast-burn epic fantasy reverse harem romance with dragon shifters!

From Bus Stop to Farm Village Diana Auret, 2000
This book documents the history, successes, and failures of Save the Children's farmworker program in Zimbabwe, 1981-98. The report explores workers' past and present living and working conditions on commercial farms and describes how the program promoted a progression from workers with a migrant mentality to the building of functional communities, increasingly able to articulate and address their own problems. Information was gathered from key informants on commercial farms, government officials, development officers, and 426 farmworkers. Chapters cover: (1) an introduction to Save the Children Fund and the farmworker program; (2) the situation of rural people before 1980; (3) conditions for farmworker women and children as farmworkers missed out on national improvements in rural education and services; (4) the first pilot farmworker project, 1981-83; (5) expansion in the 1980s; (6) program impacts in the 1980s on the health of women and children, access to water and sanitation, provision of preschools on farms, housing, nutrition, adult literacy, socioeconomic status, and women's activities; (7) major concerns and

lessons learned; (8) a period of uncertainty; (9) organizational issues and changes, program impacts, government partnerships, and community leadership training in the early 1990s; (10) program achievements; and (11) a portrait of the farm village. Appendices present data tables reflecting program progress and list participating farms and program staff. (Contains photographs, a list of acronyms, a glossary, and 80 references.) (SV)

Frances Hodgson Burnett: The Secret Garden, A Little Princess, Little Lord Fauntleroy (LOA #323)

Frances Hodgson Burnett,2019-09-24 Three beloved children's classics collected in a deluxe illustrated gift edition perfect for every family library You are a story--I am a story. Introduce to your family or rediscover for yourself three classic children's novels by Frances Hodgson Burnett, an English-born writer who moved to America at age 15 and who now joins the Library of America. This authoritative edition restores the novels to their original American texts, as Burnett wrote them and features over 40

painstakingly restored illustrations--16 in full color--plus a ribbon marker, helpful annotations, and a short chronology of Burnett's life by her biographer Gretchen Gerzina Holbrook. In *The Secret Garden* (1911), spoiled orphan Mary Lennox is sent to live at her uncle's manor, where she finds an abandoned walled garden. When she decides to restore the garden, she discovers the key to unlocking her own true self. Sara Crewe is the star pupil at her London boarding school in *A Little Princess* (1905) until news arrives that her father has died penniless. Sara is forced to become a servant, but she stays hopeful by imagining that she is secretly a princess. And in *Little Lord Fauntleroy* (1886), seven-year-old Cedric Errol lives in New York City and unexpectedly learns that his grandfather is an English earl. The Earl wants to teach Cedric about power and privilege, but little suspects that the innocent young American will completely change his own life. Soon to be a live action Disney movie starring Colin Firth and Julie Walters, *The Secret Garden* joins *A Little Princess* and *Little Lord Fauntleroy* in one deluxe illustrated volume, a perfect gift for young readers or for family libraries.

The Secret Garden, A Little Princess & Little Lord Fauntleroy (Illustrated) Frances Hodgson Burnett, 2023-11-19 *Little Lord Fauntleroy* – In a shabby New York City side street in the mid-1880s, young Cedric Errol lives with his mother in genteel poverty after the death of his father, Captain Cedric Errol. One day, they are visited by an English lawyer with a message from Cedric's

grandfather, the Earl of Dorincourt, an unruly millionaire who despises the United States. With the deaths of his father's elder brothers, Cedric has now inherited the title Lord Fauntleroy and is the heir to the earldom and a vast estate.

Cedric's grandfather takes him to live in England and be educated as an English aristocrat. A Little Princess – Captain Ralph Crewe, a wealthy English widower, enrolls his young daughter Sara at Miss Minchin's boarding school for girls in London, to prepare her for a life in high society. Sara enjoys a special treatment and exceptional luxuries, and Miss Minchin openly fawns over Sara for her wealth. But all that changes when Captain Ralph suddenly dies after losing all his fortune, leaving Sara in poverty and in disfavor with Miss Minchin. The Secret Garden – Mary Lennox, a sickly and spoiled little girl, is orphaned to dim prospects in a gloomy English manor. Her only friend is a bed-ridden boy named Colin whose prospects may be dimmer than hers. But when Mary finds the key to a Secret Garden, the magical powers of transformation fall within her reach. The Secret Garden is an inspirational tale of transformation and empowerment.

Manchu Princess, Japanese Spy Phyllis Birnbaum, 2015-04-07 Aisin Gioro Xianyu (1907–1948) was the fourteenth daughter of a Manchu prince and a legendary figure in China's bloody struggle with Japan. After the fall of the Manchu dynasty in 1912, Xianyu's father gave his daughter to a Japanese friend who was sympathetic to his efforts to reclaim power. This man raised Xianyu, now known as Kawashima Yoshiko, to restore the Manchus to their former glory. Her fearsome dedication to

this cause ultimately got her killed. Yoshiko had a fiery personality and loved the limelight. She shocked Japanese society by dressing in men's clothes and rose to prominence as Commander Jin, touted in Japan's media as a new Joan of Arc. Boasting a short, handsome haircut and a genuine military uniform, Commander Jin was credited with many daring exploits, among them riding horseback as leader of her own army during the Japanese occupation of China. While trying to promote the Manchus, Yoshiko supported the puppet Manchu state established by the Japanese in 1932—one reason she was executed for treason after Japan's 1945 defeat. The truth of Yoshiko's life is still a source of contention between China and Japan: some believe she was exploited by powerful men, others claim she relished her role as political provocateur. China holds her responsible for unspeakable crimes, while Japan has forgiven her transgressions. This biography presents the richest and most accurate portrait to date of the controversial princess spy, recognizing her truly novel role in conflicts that transformed East Asia.

Prairie Princess Richard Fred Trimble,2005-08

Prairie Princess is a love story about an exotically beautiful and dynamic Okashee Indian Princess named Princess Dawn. She is the daughter of Red Horse, the tribal Chieftain and her French mother, Elena Boudreau. Elena has named her Dawn because of the radiant beauty she possesses. Princess Dawn falls in love with a Scotch-Irish

horse-trainer, Buckley Trimble, from Windfall, Indiana, who is training horses for the World Famous, 777 Wild West Show and Rodeo which is headquartered near Ponca City, Oklahoma. They marry not long after meeting at the corral where the Princess begins helping Buckley to tame the mustangs that have been rounded up from the Prairie. One morning she tells Buckley, Buckley Trimble, we're going to get married! First in the Okashee Tradition, then we'll go into Ponca City and do it the way you palefaces do it! The story takes place in 1905, while Oklahoma is still a territory. Oil, wealth, horses, politics, love and the lust of other men for the gorgeous Princess complicate their life as they strive to adjust to a new way of life on the Prairie.

JiaXiaoJiang, 2020-07-29 Thinking of her, Jiang Chu Mo. As a genius pharmacist of the twenty-first century, her career was smooth sailing and she was in high spirits. She had never thought that she would be transported to another world. It was fine if he had transcended, but when he opened his eyes, he found that he was in a critical situation. Oh, buy! Something's not right. Let's start over! This is bad... The gloomy voice called out, Want to run?

Fraudsters and Charlatans Linda

Stratmann, 2010-06-01 In 1817 a young woman of

exotic appearance was found wandering near Bristol. She spoke in a language that no one could understand except, seemingly a Portuguese sailor. He claimed that she was a Sumatran princess from the island of Javas. Princess Caraboo, as she was known, became a national celebrity and lived in a grand style, entertaining many distinguished visitors. A few weeks later, however, she was exposed as Mary Baker, the daughter of a cobbler from Devonshire. Mary's deception is one of several intriguing stories of nineteenth-century fraudsters brought to light in Linda Stratmann's entertaining look at some of history's greatest rogues. From bankers who forged share certificates, ruining hundreds of small investors, to 'Louis de Rougemont' whose tales of high adventure branded him The Greatest Liar on Earth', these riveting tales of true crime expose the seedy side of life in which corruption, avarice and scandal hold sway. .

Complete Works of Frances Burnett: Little Lord Fauntleroy, A Little Princess, The Secret Garden
Frances Hodgson Burnett, 2019-04-11 Frances Hodgson Burnett was an English-American playwright and author. She is best known for her children's stories. Her talent lay in combining realistic detail, including authentic accented dialog, with a romantic plot. She is best known for the three children's novels Little Lord Fauntleroy (1885–1886), A Little Princess (1905), and The Secret Garden (1911). Many of Burnett's books have long been forgotten. her career and her being the main financial source for the family. When her son Lionel died of consumption in 1890 she was beset by depression. She turned to Spiritualism, Theosophy, and Christian Science to assuage her grief, topics that would occur in her novels.
