**Bitmap Books**

Classic Home Video Games, 1989-1990 Brett Weiss, 2012-03-08 The third in a series about home video games, this detailed reference work features descriptions and reviews of every official U.S.-released game for the Neo Geo, Sega Genesis and TurboGrafx-16, which, in 1989, ushered in the 16-bit era of gaming. Organized alphabetically by console brand, each chapter includes a description of the game system followed by substantive entries for every game released for that console. Video game entries include historical information, gameplay details, the author's critique, and, when appropriate, comparisons to similar games. Appendices list and offer brief descriptions of all the games for the Atari Lynx and Nintendo Game Boy, and catalogue and describe the add-ons to the consoles covered herein—Neo Geo CD, Sega CD, Sega 32X and TurboGrafx-CD.

Video Game Bible, 1985-2002 Andy Slaven, 2002 With nearly three years of research utilized to compile game lists and thousands of hours used to play and review the games listed within, Video Game Bible is the most comprehensive source of information on video games released in the U.S. since 1985 ever created. Prices are based on realistic figures compiled by interviewing hundreds of large collectors and game store owners, and offer a realistic guideline to be followed by both collectors and video gamers looking to complete their collections. While numerous guides have been compiled on the subject of classic video games, this book offers coverage of video game consoles releases after 1985, known as the neo-classics. With 39 systems in total, Video Game Bible offers the largest guide to date. With the recent proliferation of video game collecting into the mainstream, it is necessary to have a standard by which games are valued. This is the first installment in a series of guides intended to offer full coverage of every video game ever made worldwide. Video game consoles are grouped together by the company that made them for easy reference. In addition to the table of contents, which lists each section separately, there are corner tabs to make browsing the guide even more convenient. Thousands of new facts are offered within the pages of this book, as are thousands of reviews and overviews. Written in a lighthearted manner, chapters of this guide that may not pertain to a particular collector will still be enjoyable for intelligent readers. An easy to use reference guide suitable for any age, this guide is sure to be an invaluable resource for anyone interested in video game collecting, video game history, and even for the casual video game fan interested in learning more about the hobby. Editor-In Chief: Andy Slaven Staff Writers: Micheal Collins, Lucas Barnes, Vincent Yang Contributing Writers: Charlie Reneke, Joe Kudrna

*THE KING OF FIGHTERS: The Ultimate History* Bitmap Books, 2022-06-14

The Dreamcast Encyclopedia Chris Scullion, 2023-11-30 The Dreamcast Encyclopedia is the fifth book in Scottish author and games journalist Chris Scullion's critically-acclaimed series of video game encyclopedias. The Sega Dreamcast is fondly remembered by players as a games console that was ahead of its time, almost to a fault. Its incredible graphics offered a level of detail that hadn't been seen on home systems to that point, and its built-in modem brought online multiplayer to many console players for the first time ever. Ultimately though, the release of the PS2 (and later the GameCube and Xbox) led to struggling sales and Sega would eventually pull the plug on the Dreamcast just two years into its life, bowing out of the console manufacturing business altogether. On paper the Dreamcast was a commercial failure, but those who owned one remember it so fondly that for many it remains one of the greatest games consoles of all time, with a small but well-formed library of high-quality games. This book contains every one of those games, including not only the entire western library of around 270 titles, but also the 340 or so games that were exclusively released in Japan. With over 600 games covered in total, screenshots for every title and a light-hearted writing style designed for an entertaining read, The Dreamcast Encyclopedia is the definitive guide to one of the most underrated gaming systems of all time.

**Gaming Cultures and Place in Asia-Pacific** Larissa Hjorth, Dean Chan, 2009-06-24 This collection explores the relationship between digital gaming and its cultural context by focusing on the burgeoning Asia-Pacific region. Encompassing key locations for global gaming production and

consumption such as Japan, China, and South Korea, as well as increasingly significant sites including Australia and Singapore, the region provides a wealth of divergent examples of the role of gaming as a socio-cultural phenomenon. Drawing from micro ethnographic studies of specific games and gaming locales to macro political economy analyses of techno-nationalisms and trans-cultural flows, this collection provides an interdisciplinary model for thinking through the politics of gaming production, representation, and consumption in the region.

**Naming Your Little Geek** Scott Rubin, 2020-08-04 The ultimate book of baby names for comic book nerds, sci-fi fans and more—with the meanings and stories behind more than 1,000 names! Having trouble finding a baby name that celebrates your favorite fandom? Whether you want your child's name to stand out in a crowd or fit in on the playground, Naming Your Little Geek is here to save the day! This ultimate guidebook is complete with every name a geek could want to give their baby—from Anakin and Frodo to Indiana and Clark; and from Gwen and Wanda to Buffy and Xena—plus their meanings, and a list of all the legends who have borne them. Naming Your Little Geek covers everything from comic book superheroes to role-playing game icons, Starfleet officers to sword and sorcery legends with characters who have appeared on film and TV, in novels and comic books, on the tabletop, and beyond. With nearly 1,100 names referencing more than 4,400 characters from over 1,800 unique sources, it's the perfect resource for parents naming a child or anyone looking for a super cool and meaningful new name.

*Exceed - Shovel Knight - Hope Box* Level 99 Games, 2020-03-24 Exceed Fighting System digs up four brand new fighters from the popular video game Shovel Knight. Bring the fast-paced action of head-to-head arcade fighting games to your tabletop. Choose your fighter from an ever-growing roster of diverse characters, each with their own deck of special moves and supers. Play your cards to unleash fireballs, dragon punches, and deadly combos on opponents! This box contains 4 fighters and everything you need to play: Shovel Knight & Shield Knight - It's dangerous to go alone! Shield Knight joins Shovel Knight to fight together as a team once again. Work together with your partner to double-team foes! Propeller Knight - Swoop and dance through the arena, striking with grace and precision as you dismantle your foes! If things prove too tough, send in your artillery crew to blow away the competition! Mole Knight - Undermine your opponents by tunneling across the arena, attacking from every angle and giving no quarter! When the going gets tough, turn up the heat with even more burrowing power! Tinker Knight - It's time to put your master plan into play! Though you begin each duel frail, use this time to build up your mech, then unleash havoc in the second phase of the battle! With the Exceed Fighting System, any fighter can battle against any other, regardless of their origin! Made in China.
