The Sons of the Sheik Edith Maude Hull,1925 Ahmed, The Son of the Sheik, falls in love with Yasmin, a dancer and the daughter of a renegade Frenchman who leads a troupe of mountebanks and thieves. When Ahmed is captured by Yasmin's father and held for ransom, he is led to believe that she has tricked him; and when freed he abducts her, taking her to a desert camp. He is about to force her to submit to him when his father, the sheik, barges into the tent and frees the girl. Later, Ahmed learns that it was not she but rather her jealous admirer who betrayed him. He follows Yasmin to a dancehall, where a bitter fight with knives takes place; Ahmed emerges victorious, unscathed and with the girl in his arms.

The Sheik E. M. Hull, 2014-05-02 Written over nine decades ago, The Sheik retains its power to shock even today. Diana Mayo is young, beautiful, wealthy, and independent. Bored by the eligible bachelors and endless parties of the English aristocrats, she arranged for a trek through the Algerian desert. Two days into the her adventure, she is kidnapped by the powerful Sheik Ahmed Ben-Hassan, who forces her into submission. Diana tries desperately to resist but finds herself falling in love with the dark and handsome stranger. What follows is a tale of mystery, power, and forbidden love fulfilled. Diana endures days of sexual abuse before falling in love with her Middle Eastern captor: "She understood perfectly the change that had taken place in her. She had never had any illusions about herself, and had never attempted to curb the obstinate self-will and haughty pride that had characterized her. She thought of it curiously, her mind going back over the last few months that had changed her whole life. The last mad freak for which she had paid so dearly had been the outcome of an arrogant determination to have her own way in the face of all protests and advice. And with a greater arrogance and a determination stronger than her own Ahmed Ben Hassan had tamed her as he tamed the magnificent horses that he rode. He had been brutal and merciless, using no half measures, forcing her to obedience by sheer strength of will and compelling a complete submission. She thought of how she had feared and hated him with passionate intensity, until the hatred had been swamped by love as passionate and as intense. She did not know why she loved

him, she had never been able to analyse the passion that held her so strongly, but she knew deep down in her heart that it went now far past his mere physical beauty and superb animal strength. She loved him blindly with a love that had killed her pride and brought her to his feet humbly obedient. All the love that had lain dormant in her heart for years was given to him. Body and soul she belonged to him. And the change within her was patent in her face, the haughty expression in her eyes had turned to a tender wistfulness, with a curious gleam of expectancy that flickered in them perpetually; the little mutinous mouth had lost the scornful curve. And with the complete change in her expression she was far more beautiful now than she had ever been." The Sheik is credited with starting the desert-romance genre. But it also paved the way for countless erotic classics with its daring prose. Today it has largely been forgotten and even the classic 1921 movie is now rarely seen. Fortunately, The Sheik has been remastered and reformatted for Kindle, with illustrations and a fully functionally Table of Contents for seamless navigation. Here it is, E.B. Hull's erotic masterpiece, for the special low price of 99c.

The Sheik's Secret Twins Elizabeth Lennox, 2012-04-13 From the first moment he'd arrived, Sheik Malik bin Saqqaf had thrown her life into chaos. Now he was back and he wanted into her life once again. She had to tell him about his sons, but she didn't want to take him back into her life.

Guests of the Sheik Elizabeth Warnock Fernea, 1995-10-01 A delightful account of one woman's two-year stay in a tiny rural village in Iraq, where she assumed the dress and sheltered life of a harem woman. The Sheik (1919) by Edith Maude Hull,2018-01-05 The Sheik is a 1919 novel by Edith Maude Hull, an English novelist of the early twentieth century. It was the first of a series of novels she wrote with desert settings that set off a major revival of the desert romance genre of romantic fiction. It was a huge best-seller and the most popular of her books, and it served as the basis for the film of the same name starring Rudolph Valentino in the title role.The novel opens in a hotel in the Algerian city of Biskra. A dance is being held, hosted by a young woman named Diana Mayo and her brother, Sir Aubrey Mayo. It transpires that Diana is planning to leave on a month-long trip into the desert, taking no one with her but an Arab guide. Nobody thinks this is a sensible idea, and Lady Conway-a real person who appears in the book as a minor character-disapprovingly attributes Diana's adventurous plan to her scandalous upbringing. Diana's mother had died giving birth to her and her father had killed himself from grief, with the result that Diana grew up tomboyish, with a freedom that at the time was normally only allowed to boys. Before Diana leaves on her journey, her independent character is further established when she refuses a proposal of marriage, explaining that she

doesn't know what love is and doesn't want to know. Once she begins travelling in the desert, it is not long before she is kidnapped by the eponymous Sheik, Ahmed Ben Hassan. It turns out her guide had been bribed. Ahmed takes Diana to his tent and rapes her, an event that happens off stage, between the second and third chapters. Diana spends a few months as Ahmed's captive, being raped regularly and brooding on her hatred for him and her self-loathing. Eventually, she is allowed increasing liberty and starts going riding with Ahmed's valet, Gaston. One day, she manages to escape Gaston on one of these rides and gallops away. She is quickly recaptured by Ahmed, however, and as they are riding back to camp, she is overcome by the sudden realisation that she is in love with him. She knows she can say nothing of this, as Ahmed-who claims to find love dull-will send her away if he learns of her love.

The Sheik And The Virgin Secretary Susan Mallery, 2007-08-01 The wedding of my dreams was only days away...until I discovered my fiancé had a nasty habit of unfaithfulness. So to mend my wounded pride, I turned to the most eligible man I knew: my boss, Prince Rafiq of Lucia-Serrat! Although the dashing handsome prince had enticed dozens of women, I had just one thing in my mind when I proposed becoming Rafiq's mistress: revenge on the man who'd humiliated me before. It was easier than I'd expected to go from Rafiq's chaste secretary to his lustful lover. What I didn't expect was to fall head

over heels for a man who could give me anything I wanted, except his heart....
