Paul R. Kroeger

マキノ, Seiichi, 1989 Grammatical terms - Characteristics of Japanese grammar - Basic conjugations - Verbs - Connection forms of important expressions - Numerals and counters - Compound words.

A Japanese-English and English-Japanese Dictionary

James Curtis Hepburn, 1887

Analyzing Grammar Paul R. Kroeger, 2005-05-05 Analyzing Grammar is a clear introductory textbook on grammatical analysis, designed for students beginning to study the discipline. Covering both syntax (the structure of phrases and sentences) and morphology (the structure of words), it equips them with the tools and methods needed to analyze grammatical patterns in any language. Students are shown how to use standard notational devices such as phrase structure trees and word-formation rules, as well as prose descriptions. Emphasis is placed on comparing the different grammatical systems of the world's languages, and students are encouraged to practice the analyses through a diverse range of problem sets and exercises. Topics covered include word order, constituency, case, agreement, tense, gender, pronoun systems, inflection, derivation, argument structure and grammatical relations, and a useful glossary provides a clear explanation of each term. Accessibly written and comprehensive, Analyzing Grammar is set to become a key text for all courses in grammatical analysis.

The Linguistic Turn in Contemporary Japanese Literary Studies Michael K Bourdaghs, 2010-01-08 The 1970s and 1980s saw a revolution in Japanese literary criticism. A new generation of scholars and critics, many of them veterans of 1960s political activism, arose in revolt against the largely positivistic methodologies that had hitherto dominated postwar literary studies. Creatively refashioning approaches taken from the field of linguistics, the new scholarship challenged orthodox interpretations, often introducing new methodologies in the

process: structuralism, semiotics, and phenomenological linguistics, among others. The radical changes introduced then continue to reverberate today, shaping the way Japanese literature is studied both at home and abroad. The *Linguistic Turn in Contemporary Japanese Literary Studies* is the first critical study of this revolution to appear in English. It includes translations of landmark essays published in the 1970s and 1980s by such influential figures as Noguchi Takehiko, Kamei Hideo, Mitani Kuniaki, and Hirata Yumi. It also collects nine new essays that reflect critically on the emergence of linguistics-based literary criticism and theory in Japan, exploring both the novel possibilities such theory created and the shortcomings that could not be overcome. Scholars from a variety of disciplines and fields probe the political and intellectual implications of this transformation and explore the exciting new pathways it opened up for the study of modern Japanese literature.

Metaphor and Emotion Zoltán Kövecses, 2003-09 Are human emotions best characterized as biological, psychological, or cultural entities? Many researchers claim that emotions arise either from human biology (i.e., biological reductionism) or as products of culture (i.e., social constructionism). This book challenges this simplistic division between the body and culture by showing how human emotions are to a large extent constructed from individuals' embodied experiences in different cultural settings. The view proposed here demonstrates how cultural aspects of emotions, metaphorical language about the emotions, and human physiology in emotion are all part of an integrated system and shows how this system points to the reconciliation of the seemingly contradictory views of biological reductionism and social constructionism in contemporary debates about human emotion.

Tuttle Concise Japanese Dictionary Samuel E. Martin, 2013-02-05 Every serious student of Japanese needs a reliable and user-friendly dictionary in their collection. Tuttle

Concise Japanese Dictionary, now with 30% more content, is a completely updated dictionary designed for students and business people who are living in Japan and using the Japanese language on a daily basis. Its greatest advantage is that it contains recent idiomatic expressions which have become popular in the past several years and which are not found in other competing dictionaries. The dictionary has been fully updated with the addition of recent vocabulary relating to computers, mobile phones, social media and the Internet. Other special features that set this dictionary apart include: Over 25,000 words and expressions including idioms and slang. User-friendly layout with main entries in color. Complete Japanese-English and English-Japanese sections. Romanized forms and the Japanese script are given for all Japanese words. A guide to pronunciation helps the user to pronounce Japanese words correctly. Different senses of each word are distinguished by multiple definitions.

This Perversion Called Love Margherita Long, 2009-10-08
This *Perversion Called Love* positions one of Japan's most canonical and best translated 20th century authors at the center of contemporary debates in feminism. Examining sexual perversion in Tanizaki's aesthetic essays, cultural criticism, cinema writings and short novels from the 1930s, it argues that Tanizaki understands human subjectivity in remarkably Freudian terms, but that he is much more critical than Freud about what it means for the possibility of love. According to Tanizaki, perversion involves not the proliferation of interesting gender positions, but rather the tragic absence of even two sexes, since femininity is only defined as man's absence, supplement, or complement. In this fascinating work, author Margherita Long reads Tanizaki with a theoretical complexity he demands but has seldom received. As a critique of the historicist and gender-focused paradigms that inform much recent work in Japanese literary and cultural studies, *This Perversion Called Love* offers exciting new interpretations that should spark controversy in the

fields of feminist theory and critical Asian studies.

Gone Fishin' Jay Rubin,1992

ーーーーーーーーーーーーーーーー ーーーー, Masaaki Shibata,1991

ーーーーーーーー Mitsuyo Kakuta,2007-04-25 Story about two thirty-five year old women - one a housewife and mother, and the other an unmarried company president - and their unlikely friendship.

Essential Japanese Grammar Masahiro Tanimori,Eriko Sato,2013-02-08 Essential Japanese Grammar is an indispensable study guide for students of the Japanese language at all levels. Long the standard in Japanese language education, it provides clear, jargon-free explanations of how Japanese grammar works and offers hundreds of example sentences. It is an essential handbook for self-study or for the classroom and should be a valued resource for years to come. A strong foundation in grammar is vital to those wishing to learn Japanese as a whole. Essential Japanese Grammar presents a number of unique features. First, grammatical terminology has been kept to a minimum so that extensive prior knowledge of grammar is not required. Second, abundant example sentences written in Japanese characters (kana and kanji) followed by romanji and English translations. Third, the authors have tried to reveal aspects of grammar that may not be found in comparable grammar books such as rare Japanese verbs, adjectival nouns, clauses adverbs, etc. This Japanese grammar book contains: parts of speech. sentence constructions. conjugations forms. speech styles and tones. accentuation rules. essential words and functional elements. an appendix for referencing and cross-referencing Japanese words.

Black Passenger Yellow Cabs Stephen F. D. Bryan,2009-09 Black Passenger Yellow Cabs is an erotic auto/ethnographic memoir exploring in easy layperson's terms the socio-psychosexual dynamics of Japan and the erotic capital of the Western male. It offers an exploration of deviant behavior in an exotic land and a journey from self-destruction to self-actualization.

The Handbook of Japanese Verbs Taeko Kamiya, 2012-11-16

From the very earliest stages of study until far into the intermediate level, students of the Japanese language are continually scratching their heads over the usage of verbs. It is no wonder that they should feel the need for a solid reference book, one they can continually turn to throughout their studying careers. *The Handbook of Japanese Verbs* is just that book. The Introduction takes the first step toward comprehension by pointing out the features of Japanese verbs that stand in contrast to their English counterparts, such as tense, politeness level, auxiliaries, and transitive and intransitive forms. Part 1 shows through tables and concise commentary how Japanese verbs are categorized, conjugated, and combined with auxiliaries. Each form is followed by a short exercise, reinforcing the points just made. Part 2 takes up the forms described in the first part and shows how they function in full-fledged sentences. Each discussion is followed by examples and exercises, ensuring that the student has understood the forms under discussion. In the appendices, the student is offered a number of look-up methods, including an English-Japanese verb dictionary. This completes the apparatus necessary for a solid handbook on Japanese verbs, a book students can rely on for many years to come.

The Routledge Course in Japanese Translation Yoko

Hasegawa, 2013-05-13 *The Routledge Course in Japanese Translation* brings together for the first time material dedicated to the theory and practice of translation to and from Japanese. This one semester advanced course in Japanese translation is designed to raise awareness of the many considerations that must be taken into account when translating a text. As students progress through the course they will acquire various tools to deal with the common problems typically involved in the practice of translation. Particular attention is paid to the structural differences between Japanese and English and to cross-cultural dissimilarities in stylistics. Essential theory and information on

the translation process are provided as well as abundant practical tasks. The Routledge Course in Japanese Translation is essential reading for all serious students of Japanese at both undergraduate and postgraduate level.

A Tanizaki Feast Adriana Boscaro,Anthony

Chambers,2020-08-06 This volume presents 18 eighteen essays, written by scholars from six countries, on Tanizaki Jun'ichiro (1886-1965), one of the great writers of the 20th century. The essays were originally prepared for a landmark international symposium in Venice in 1995, at which 22 speakers addressed an audience of about two hundred students and scholars in the Aula Magna of the University of Venice. Topics include Tanizaki's fiction, plays, and film scenarios; his aesthetics; his place in Japanese intellectual history; his depiction of the West; his use of humor; and film adaptations of his works. In 1964 Tanizaki was elected to honorary membership in the American Academy and Institute of Arts and Letters, the first Japanese to be so honored; and it is widely believed that he was being considered for the Nobel Prize in Literature.

The Eclipse Ritual ,

The Midnight Eye Guide to New Japanese Film Tom

Mes,Jasper Sharp,2005 Thanks to directors such as Kitano, Miike and Miyazaki, Japanese cinema has recently undergone something of a resurgence. This title profiles the work of these established film-makers, as well as looking at the creations of new, up-and-coming directors.

Naked Justice Beginnings Patrick Fillion,2016 For years,

Class Comics has been creating and publishing amazing gay erotic comics that touch readers on many levels. Here comes the newest publication from the Class Comics universe presenting the complete Naked Justice Beginnings in one volume.

Gravity Falls: Journal 3 Special Edition Alex Hirsch,Rob

Renzetti,2017-06-13 Untie the string and unwrap the brown paper to reveal . . . Journal 3 Limited Edition! This 288-page book

This \$150 limited edition will also include a signed note from the creator of Gravity Falls and co-writer of Journal 3, Alex Hirsch himself.

A Play of Bodies Brendan Keogh, 2018-04-06 An investigation of the embodied engagement between the playing body and the videogame: how player and game incorporate each other. Our bodies engage with videogames in complex and fascinating ways. Through an entanglement of eyes-on-screens, ears-at-speakers, and muscles-against-interfaces, we experience games with our senses. But, as Brendan Keogh argues in *A Play of Bodies*, this corporal engagement goes both ways; as we touch the videogame, it touches back, augmenting the very senses with which we perceive. Keogh investigates this merging of actual and virtual bodies and worlds, asking how our embodied sense of perception constitutes, and becomes constituted by, the phenomenon of videogame play. In short, how do we perceive videogames? Keogh works toward formulating a phenomenology of videogame experience, focusing on what happens in the embodied engagement between the playing body and the videogame, and anchoring his analysis in an eclectic series of games that range from mainstream to niche titles. Considering smartphone videogames, he proposes a notion of co-attentiveness to understand how players can feel present in a virtual world without forgetting that they are touching a screen in the actual world. He discusses the somatic basis of videogame play, whether games involve vigorous physical movement or quietly sitting on a couch with a controller; the sometimes overlooked visual and audible pleasures of videogame experience; and modes of temporality represented by character death, failure, and repetition. Finally, he considers two metaphorical characters: the “hacker,” representing the hegemonic, masculine gamers

concerned with control and configuration; and the “cyborg,” less concerned with control than with embodiment and incorporation.
